Candidates will compose one Abstract every other week for 14 weeks. First Abstract Due: September 5th and every other Tuesday thereafter.

2. Weekly Reading Facilitations: Each week, to exclude those class sessions when small group research presentations are due, designated small groups will facilitate an assigned reading. This activity will occur at the beginning of each class and will include a facilitation process that will follow a prescribed format: (1) small group introduction; (2) summary of reading; (3) 5 – 6 trigger questions based upon the reading designed to encourage class discussion; (4) a closing statement. Each facilitation is limited to 25 minutes. The small group conducting the facilitation must submit a copy of their format to the instructor prior to the beginning of the facilitation. First Facilitation Due: September 5th.

3. Philosophy of Assessment Essay: Each candidate will develop a personal philosophy pertaining to assessment in a special needs environment. This philosophy will detail the candidate’s understanding of assessment, as well as assessment’s impact on student learning and well-being. VI. Readings:
Required texts for the course are:

1. SED 450 Course Packet: Available at Staples effective: ________________.
Additional readings will be assigned and /or distributed as the class progresses. These will be provided by the instructor or will be designated as available on-line, in the library or in Course Packet.

VII. Course Evaluations:
Near the conclusion of each semester, students in the College of Education electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning, and accreditation; 2. Instruction evaluation purposes; and 3. Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!
In the College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. **Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.**

**VIII. Student Ethics and Other Policy Information:**

**Class Attendance and Excused Absence: Policy 6.7**

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences.

*Attendance is mandatory.* This course constitutes a portion of your professional preparation. You may have two excused absences. When you choose (or are compelled) to be absent you must notify the professor BEFORE the absence. Notification may take the form of an e-mail, a phone call, or an advisement by a peer. Any more than the allowed absences may result in the lowering of the final grade in the course, e.g. lowering of final grade by one letter per unexcused absence (dependent upon the circumstances surrounding those absences). Each absence (excused or otherwise) incurs an automatic loss of that day’s participation points / professional disposition points.

**Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/).

**Student Academic Dishonesty: Policy 4.1**

Abiding by university policy on academic integrity is a responsibility of all university faculty and students.

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one’s own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one’s paper or presentation without giving the author credit.

Penalties for Academic Dishonesty
Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Student Appeals
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

Withheld Grades Semester Grades Policy 5.5

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Student Code of Conduct: Policy 10.4

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate / inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.
Additional Information:

To complete Certification/Licensing Requirements in Texas related to public education, you will be required to:

1. Undergo criminal background checks for field or clinical experiences on public school campuses; the public school campuses are responsible for the criminal background check; YOU are responsible for completing the information form requesting the criminal background check; the completed information form is due __________________________. If you have a history of criminal activity, you may not be allowed to complete field or clinical experiences on public school campuses. At that point, you may want to reconsider your major while at SFASU.

2. Provide one of the following primary ID documents: passport, drivers license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texes.ets.org/registrationBulletin/ <http://www.texes.ets.org/registrationBulletin/>). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete a state mandated fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information concerning this matter, contact Katie Synder 936-468-1740 or snyderke1@sfasu.edu.

LiveText Statement:

This course collects assessments for students who are Perkins College of Education majors (undergraduate, graduate, and doctoral) or majors in other colleges seeking educator certification through the Perkins College of Education, using the LiveText data management system. Students who do not have an existing LiveText account will receive an access code via your SFA Titan email within the first week of class. You will be required to register your LiveText account, and you will be notified how to register your account. If you forward your SFA e-mail to another account and do not receive an e-mail concerning LiveText registration, please be sure to check your junk mail folder and your spam filter for these e-mails. If you have questions about LiveText, call ext. 1267 or e-mail SFALiveText@sfasu.edu.

IX. Other Relevant Course Information:

1. Use of Cell Phones in class – cell phone use or scrutiny is prohibited in class. Under no circumstances will cell phones be tolerated during regular course time unless candidates are requested to access personal technological devices for in-class academic activities. Just as in the public school environment where cell
phone usage in class would be considered a sign of disrespect and a distraction (not to mention a hindrance to learning), so shall their presence be viewed in your internship class. As such, **cell phone use or incident of incoming calls will result in the loss of 50 percent or more of the intern’s Professional Disposition points for that particular class period.**

2. **Candidate Late Work** – any assignment submitted late will automatically receive a 50 percent reduction in value. Assignments more than one week late will not be accepted. This is regrettable in that it is recognized that candidates lead active and sometimes stressful lives but assignments are structured to coincide with ongoing course activity, thus timeliness is relevant to facilitate professional growth as well as to enhance content understanding. Moreover, instructor’s use of time is also of great value and incessant regression to administer to late submissions constitutes abuse of instructor’s professional and personal timelines.

*Suggestion:* To assist candidates in their record keeping I have provided you with an **Assignment Calendar** so that you may maintain a log of **Assignments Due** and possess an ongoing record of all assignments submitted and returned. This implies that you should **keep all graded assignments and compare them to Assignments Due** in order to protect yourself and your academic progress in this course. Record keeping is a professional organizational skill so begin now to develop this ability.

3. Students in the secondary and all levels of education programs (undergraduate and PBIS) must earn a “C” or better in each pedagogy course before progressing to the next course/level. Students earning a grade less than “C” must repeat the course and earn a “C” or better before the course counts toward certification.

4. **Failure Clause** – Candidates can immediately earn an F in the Internship due to any of the following issues:

- Your placement site asks for you to be removed
- You have more than 5 absences or 10 late arrivals
- You have violated school policy
- You have violated university policy
- You have violated the Texas Code of Ethics
- You have violated any state or federal law
- You have committed any other egregious acts of non-professional behavior
