Written Reflections:
You will be assigned two short written reflections. Formatting for the papers will be included in the assignment on D2L. All Papers will be submitted in D2L. No late work will be accepted.

Outside Events: You will be required to attend six (6) outside events provided by SFA. The instructor must approve all events. You must provide sufficient documentation of the event of your choice (usually a selfie or sign in sheet).

Instructor Meetings: An individual meeting with the instructor will be scheduled. The purpose of the meeting is to allow you to ask questions, get clarification about college life or just to chat about whatever is on your mind.

CLASS RULES: Following these few rules will help to maximize the SFA 101 experience for you and your classmates:

1. Attend every class.
2. Read the assigned material, and turn in all required work on the day it is due. (This is because your other professors will likely not be flexible.)
3. Participate in individual and group activities and discussions.
4. Treat everyone in the class with respect and courtesy.
5. All students are expected demonstrate professional behavior and use language appropriate for the classroom learning experience.
6. Cell phones and other electronic devices should be turned off and put away during class time.
7. Ask questions!

When students have personal technology available in the classroom, it should be used appropriately. Using devices for interacting on social media sites is not an appropriate in-class use of technology. Sending or receiving texts, instant messages, or making/receiving phone calls can cause distractions to the instructor and to fellow students. Cell phones, computers, and other electronic devices in the classroom are to be used for class purposes only.
When students have personal technology available in the classroom, it should be used appropriately.

**Mail:** Please check your SFA email account regularly. Your SFA email is the official communication for SFASU.

**D2L** will be the official tool in your SFA 101 class for communicating the important reminders, announcements, and further assignment directions.

**Course Complaints:** Any college course complaints or problems should first be discussed with the course instructor for the particular course. Difficulties can usually be resolved there. If the complaint cannot be resolved, the next person to see is the appropriate department chairperson. For SFA 101, the chairperson is Dr. M.C. Breen (Steen Library, Room 203L; 936-468-1588). The following is a list of activities we will be enjoying this semester.

STUDENT ETHICS AND OTHER POLICY INFORMATION: FOUND AT HTTP://WWW.SFASU.EDU/POLICIES

The following policies apply to all students enrolled in courses at Stephen F. Austin State University.

**Class Attendance and Excused Absence: Policy 6.7**
Regular, punctual attendance, documented participation, and submission of completed assignments are expected. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

**Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6**
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/)

**Student Academic Dishonesty: Policy 4.1**
Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

**Definition of Academic Dishonesty**
Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:

bullet submitting an assignment as one's own work when it is at least partly the work of another person;
bullet submitting a work that has been purchased or otherwise obtained from the Internet or another source;
bullet incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

Penalties for Academic Dishonesty
Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

Student Appeals
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

Withheld Grades: Policy 5.5
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Student Code of Conduct: Policy 10.4
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at http://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936-468-2703.
