**Events**

  **Class Attendance.** Class attendance is mandatory; therefore, please plan to attend ALL class sessions. Attendance will be taken daily. *Every absence that you incur will result in a deduction 2 points from your final grade.*

  **Outside Events.** You will be required to attend four (5) outside events provided by SFA. You must provide sufficient documentation of the event of your choice. Attendance to these events will be valued at 10 points each for a total of 50 points.

**Exam/Celebration**

  Only one exam will be given during the semester. It will include true/false, matching, multiple choice, fill in the blank, and essay items. The exam will be based on material from assigned readings and class discussion; it should not be difficult if you have done the readings and participated in classes. In addition to testing you on the course material, this exam will indicate how you perform with different types of test questions and allow your instructor to make suggestions to improve your test taking skills in other classes. **There is no final exam.**

**Assignments**

- **100 points**

  Several times during the semester you will be given an assignment to be completed using e-mail or to be turned in during class. **NO LATE WORK WILL BE ACCEPTED.** These assignments are intended to provide you with an opportunity to reflect on and benefit from what’s happening in college.

  You will be assigned **two 2-3 page papers, each valued at 25 points.** Formatting for the papers is as follows: 1" margins, Times New Roman, 12 pt font, and double line spacing. STUDENT ETHICS AND OTHER POLICY INFORMATION: FOUND AT HTTP://WWW.SFASU.EDU/POLICIES

The following policies apply to all students enrolled in courses at Stephen F. Austin State University.

Class Attendance and Excused Absence: Policy 6.7
Regular, punctual attendance, documented participation, and submission of completed assignments are expected. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student's attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/

Student Academic Dishonesty: Policy 4.1
Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one's own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one's own work when it is at least partly the work of another person;
submitting a work that has been purchased or otherwise obtained from the Internet or another source;
• incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

Penalties for Academic Dishonesty
Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

Student Appeals
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

Withheld Grades: Policy 5.5
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Student Code of Conduct: Policy 10.4
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at http://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936-468-2703.
