Instructor: Deborah “Cricket” Cady  
Office: Human Services  
Office Phone: 936-715-7278  
FAX: 936-468-1342  
Email: cadyd@sfasu.edu  
Office Hours: M 2:30-3:30, TT 3:30-4:30, W 2:30-4:30

A Word about Office Hours: Students are welcome to email, call, text, and visit with the instructor as needed. Students need to remember, however, that this is a time to form network connections with each other that will last throughout their careers, as well, and should remember that their classmates may have the information that they are seeking. That being said, they should not hesitate to get in touch with the instructor, if need be. If there is no answer, a message and a good time to return the call, should be left. Since email is checked on a daily basis, it may be the best way to communicate throughout the semester.

I. Course Description:

This course is designed to provide the student with knowledge and skills needed to work with persons who have multiple impairments in addition to visual impairments. Topics include disabilities other than visual impairment, specific strategies for assessing and planning instruction in the area of Orientation & Mobility for persons with multiple impairments, and working with families.

The purpose of this course is essentially to guide the student in acquiring the skills necessary to evaluate the Orientation & Mobility needs of individuals with visual and multiple impairments. These skills include planning for and conducting O&M evaluations of individuals with visual and multiple impairments, developing goals and objectives based on these evaluations, and planning instructional routines.

II. Program Learning Outcomes:
The following is a list of desired Program Learning Outcomes (PLOs) in which data will be collected for TracDat throughout the program. An asterisk denotes that PLO will be addressed during RHB 442. 

*Program Outcome #1 O&M Skill and Strategy Acquisition and Demonstration*
Candidates for the O&M Program will demonstrate knowledge and understanding of the systems of orientation and mobility, and orientation and mobility skills and techniques as defined by the Academy for Certification of Vision Rehabilitation and Education Professionals (ACVREP).

*Program Outcome #2 – Assessment*
Candidates will demonstrate knowledge and understanding of assessments necessary for implementing and addressing specific student needs in regards to specific environments and the presence of multiple disabilities.

*Program Outcome #3 – Program Planning*
Candidate will demonstrate the knowledge, understanding of strategies and methods used to analyze, interpret, and utilize O&M assessment information for selecting, designing and implementing O&M programs consistent with individual needs.

*Program Outcome #4 – Professional Practice*
Candidate will demonstrate knowledge and understanding of practices related to Orientation and Mobility including: observational techniques, design and implementation of assessment, and instructional programs and professionalism.

*Program Outcome #5 – Understand the Individual*
The candidate will demonstrate the knowledge and understanding of strategies and methods used to conduct individualized assessments, program development, and to select, design, and implement O&M instruction that is responsive to individual needs, age appropriate, respects multi-cultural differences, and provides appropriate follow-up.

*Program #6 – Understanding the Profession*
Candidates will demonstrate understanding of the role, responsibilities, and ethical standards associated with becoming a Certified Orientation and Mobility Specialist.

*PLO #2 will be the main focus of this course. General topics in other PLOs will be addressed and discussed during class time and observation of instruction.*
**Student Learning Outcomes:**

SLO TracDat ASSESSMENT PLAN

Method of Assessment # 2 – MIVI Assessment

(ACVREP Domains 2, 4, 6, 8, 10, 12; AER Standard I, II, IV, V, VI, VII, XII, XIII)

2.2 Candidate will demonstrate the knowledge and understanding of the effects of additional impairments on orientation and mobility as identified through the evaluation process. Candidate will submit an O&M Evaluation that demonstrates proficiency in writing an evaluation report that describes specific tasks, conditions, and responses and recommendations based on the interpretation of these evaluations.

**Additional Intended Learning Outcomes/Goals/Objectives:**

**INTERNAL**

**University-The SFA Way:**

This course, our faculty, staff, alumni, and students believe in doing things "The SFA Way." We expect the best from ourselves and from each other, and we hold each other accountable when we fail to maintain these standards. Grounded in the five "Root Principles" below, all of us, as members of the SFA community, strive for personal excellence in everything that we do.

- **The Principle of Respect**

  Lumberjacks command respect and treat others with respect • They are considerate of others and tolerant of differences • They demonstrate respect for those around them by avoiding the use of offensive or profane language • They do not threaten or harm anyone and deal peacefully and civilly with conflict.

- **The Principle of Caring**

  Lumberjacks think of the needs of others and seek to improve the quality of life of those around them • They are compassionate, empathic and kind • They respond with humility to those they have helped and freely express gratitude to those who help them • Lumberjacks prepare themselves to become leaders in their communities and workplaces • They dedicate themselves to excellence in their chosen field of study and to using what they learn in the service of others.

- **The Principle of Responsibility**

  Lumberjacks do what is right • They persevere in times of adversity • Through self-control and self-discipline, they strive to do their best • Lumberjacks challenge each other to exceed expectations • They are active learners both inside and outside of the classroom • They are reliable; they do what they say they will do • Lumberjacks hold themselves accountable for their decisions.

- **The Principle of Unity**

  Lumberjacks are loyal to their friends, family, university, state and country • Lumberjacks stand together against any adversary • They recognize that though we are very different from one another, we are united by the Lumberjack Spirit. Lumberjacks seek to understand the people and world around them • When one lumberjack fails, all fail • When one lumberjack succeeds, all succeed.

- **The Principle of Integrity**

  Lumberjacks have the courage to do what is right, even when it is hard or unpopular • They respond to each situation with steadfast values that are not subject to change based on the actions of others • They seek opportunities to practice effective and ethical leadership • Lumberjacks are honest; they do not deceive, cheat or steal • Lumberjacks stand up for those who cannot stand up for themselves • As lifelong learners, lumberjacks are committed to continuously improving themselves.

This course directly supports the mission and values of the SFASU College of Education - It is the mission of the Stephen F. Austin College of Education “to prepare competent, successful, caring and enthusiastic professionals dedicated to responsible service, leadership, and continued professional and intellectual development.” This statement essentially sums up the intent of this class and our program as a whole. We make every effort to insure that this class (and all other vision courses) is solidly grounded in the realities of practice. It is intended to be a pragmatic, practical class with maximum emphasis being placed on equipping you to be effective and efficient facilitators of learning for individuals with visual impairments, their families, teachers, as well as caseworkers, and other stakeholders who strive to meet their unique needs.
The Core Values of our College are:

1. **Academic excellence** through critical, reflective, and creative thinking
2. **Life-long learning**
3. **Collaboration** and shared decision-making
4. **Openness** to new ideas, to culturally diverse people, and to innovation and change
5. **Integrity**, responsibility, diligence, and ethical behavior, and
6. **Service** that enriches the community.

The Core Foundation and Vision, Mission, Goals, and Core Values describe a shared vision and purpose for the SFASU College of Education. It provides coherence for our curriculum, clinical experiences, and assessments. It is linked to the University vision and values, and describes how those values translate into knowledge, skills, and dispositions in the College of Education. It is this philosophy and vision that helps to distinguish our graduates from those of other institutions.

This course emphasizes these values in its content, philosophy, and in its assessment of outcomes. We, as instructors, strive to reflect these principles in the teaching of this class and we also have the highest expectations that you, our students, will also demonstrate these values as you develop as leaders in the field of visual impairment. These values are analogous with ethical standards that have developed by the Association for the Education and Rehabilitation of the Blind and Visually Impaired and one intention of this course is to provide you the skills to lead others to embrace these principles.

This course directly supports the mission of the SFASU Department of Human Services
The Department of Human Services prepares undergraduates and graduate students for leadership and service roles in East Texas and the global community. The department is committed to incorporation of community-based, service-learning experiences within its educational programs to maximize the advancement of students personal and professional development.

**VI/O&M Program**
You are required to attend class meetings and be prepared to discuss reading material, complete observations, assignments and activities. You are expected to be present consistently on-location and in class. This is a graduate level class that will focus on the development and discussion of advanced ideas and concepts. Your absence will hinder the growth of you as an individual and the group as a whole. You will be expected to be professional and respectful of others in all activities and exchanges.

At the end of the semester I will evaluate you on the following criteria:

**Professionalism**
- Appropriateness of participation in class discussions and computer chats.
- Willingness to answer questions.
- Evidence of critical thinking during class activities.
- Demonstration of good “consulting skills” (e.g. politeness, diplomacy, etc.)
- Display of a positive attitude toward the subject material, class activities, etc.
- Attendance (physical and mental) to class activities and discussions.
- Preparation, attendance, and punctuality
- On-time completion of assignments
- Completion of the course evaluation
- Appropriate dress

**Respect for Diversity and Community**
- We are a small community and we are learning this together
- Honest disagreements in the spirit of critical academic exchange are encouraged.
  While you can disagree, don’t personalize it; stick to the issues. No name-calling or stereotyping.
- Derogatory comments based on race, ethnicity, class, gender, sexual orientation, or nationality will not be tolerated.
- What we say stays here, unless we agree to change that. What we learn here though, we can share with =others.
- If you are offended, say so, and say why.
Texas Higher Education Coordinating Board: Core Objectives
This course supports the objectives established by the THECB. Course assignments are designed to embed each of the core curriculum standards where appropriate.

Critical Thinking Skills - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information. FOR THIS COURSE – This is demonstrated through review of assessments, student planning, resource collection, and course reading requirements.

Communication Skills - to include effective development, interpretation and expression of ideas through written, oral and visual communication. FOR THIS COURSE – This is achieved through the module discussions, and collaboration with other students.

Empirical and Quantitative Skills - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions. FOR THIS COURSE – This is developed through completion of evaluations, and the development of measurable Individual Education Program goals/objectives.

Teamwork - to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal. FOR THIS COURSE – This is demonstrated through module discussions and Collaborate course meetings.

Personal Responsibility - to include the ability to connect choices, actions and consequences to ethical decision-making. FOR THIS COURSE – This is exhibited through maintaining schedules, course requirements, and meeting deadlines.

Social Responsibility - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities. FOR THIS COURSE – This is acquired through the study of various individuals with visual impairments and additional impairments, and the review of roles and responsibilities related to O&M.

The O&M program is designed to meet the standards or two separate bodies; ACVREP which establishes the standards that candidates must be able to demonstrate through national examination, and the AER University Review Committee with establishes curricular standards for the program.

This course supports the Association for the Education and Rehabilitation of the Blind and Visually Impaired (AER) Curricular Standards for Orientation and Mobility Specialists –

   I. Medical Aspects of Blindness and Visual Impairment
   II. Sensory Motor Functioning
   III. Psycho-Social Aspects of Blindness and Visual Impairments
   IV. Human Growth and Development over the Lifespan
   V. Concept Development
   VI. Multiple Disabilities
   VII. Systems of Orientation and Mobility
   VIII. Orientation and Mobility Skills and Techniques
   IX. Instructional Methods, Strategies and Assessment
   X. History and Philosophy of Orientation and Mobility
   XI. Professional Information
   XII. Development, Administration, and Supervision of O&M Program
   XIII. Clinical Practice Competencies

This course specifically addresses the following AER Standards through practice and didactic instruction: I-e,b, II-b,f, III-c,d,f, V-a,c,d,e,f, VI-a,c,d,e, IX-o,p,q,r,s,t,u, and XI-a,b,c,g,h.

This course supports the Academy for Certification of Vision Rehabilitation and Education Professionals (ACVREP) guidelines for certification.

ACVREP states that to be eligible to sit for the certifying examination, applicants must provide:

- Proof of a minimum of a Bachelor’s degree from an accredited university or college in any field of study and proof of completion of an Orientation and Mobility certification preparation program from an accredited university or college that meets the following 13 core domain areas
  - Domain 1. Know Professional Information
  - Domain 2. Understanding Relevant Medical Information
  - Domain 3. Understand and Apply Learning Theories to O&M
  - Domain 4. Plan and Conduct O&M Assessment
  - Domain 5. Plan O&M Programs
  - Domain 6. Teach O&M Related Concepts
  - Domain 7. Teach Orientation Skills and Strategies
  - Domain 8. Teach Mobility Skills
This course specifically addresses the following ACVREP Domains through practice and didactic instruction: 1, 2, 4, 9, 10, and 11

III. Course Assignments, Activities, Instructional Strategies, Use of Technology:

A. Attendance:
Regular and punctual attendance is expected at all classes, laboratories, and other activities for which a student is registered. For those classes where attendance is a factor in the course grade, the instructor shall make his/her class policy known in writing at the beginning of each term and shall maintain an accurate record of attendance. Regardless of attendance, every student is responsible for course content and assignments. For this class, it is imperative that students attend and participate in each class. Attendance will be taken each class day. Students may receive excused absences for illness and family emergencies, but must present written documentation for such absence (doctor's note, emergency room admissions, funeral notices) to their instructor, and are responsible to make up work missed during their absence. 5 points are awarded for attendance and participation at each class, and cannot be made up. Each student has the opportunity to earn up to 150 points for attendance and participation.

B. Excused Absences:
It is University policy to excuse students from attendance for certain reasons. Among these are absences related to health, family emergencies, and student participation in certain University-sponsored events. Students are responsible for providing documentation satisfactory to the instructor for each class missed. Students with acceptable excuses will be permitted to make up work for excused absences due the following class day.

C. Class participation: The primary methods of instruction for this class revolve around discussion, questioning, and participation by each student in the class. As stated above, attendance and participation points are awarded together.

- Appropriateness of participation in class discussions and computer chats.
- Willingness to answer questions.
- Evidence of critical thinking during class activities.
- Demonstration of good “consulting skills” (e.g. politeness, manners, diplomacy, etc.)
- Display of positive attitude toward the subject material, class activities, etc.
- Attendance (physical and mental) to class activities and discussions.
- Preparation for class
- Completion of the course evaluation

Additionally, Adapted from The Guide for training study circle facilitators (1998) Study Circle Resource Center, © Topsfield Foundation:

- We are a small community, and we are learning this together.
- Honest disagreements in the spirit of critical academic exchange are encouraged. While you can disagree, don’t personalize it; stick to the issues. No name-calling or stereotyping.
- Derogatory comments based on race, ethnicity, class, gender, sexual orientation, or nationality will not be tolerated.
- What we say stays here, unless we agree to change that. What we learn here, though, we can share with others.
- If you are offended, say so, and say why.

D. Modules of Instruction: MOST of the instructional material for this course will be provided through Modules on the Desire2Learn (D2L) internet platform. Because this class is very dependent on the internet, the student must be able to use the internet to obtain instructions on completing assignments, submitting assignments, and participating in class activities. It is, therefore, essential that the student not only have ready access to the internet, but also that they are comfortable in using it. Detailed instructions for using D2L are available on their “My Home” page on D2L, under the title “Helpful Links”, including the phone number for D2L Support, which is 936-468-1919.

These D2L Modules are the groundwork to gaining facts and insight regarding the topics of the class, and are expected to be read PRIOR to the class in which they will be further discussed through participation. Six of the Modules of readings and assignments for each class, are to be completed in each 2-week time segment of the course.
There is more time given for the assignment in one of the Modules, due to its requirements. The material covered in each Module contributes to grades counted in discussions, study guides, quizzes, assignments, and tests.

E. Assignments: There will be a series of 6 assignments, 5 of them worth 100 points each, and 1 worth 200 points. That must be turned in by the due date, after which each will be ‘closed’. The assignments will cover subject matter which includes, but is not limited to, the following:

- Keeping a resource disk of all information and completed assignments included in this course.
- Determining the appropriate Student Planning Category for a student with visual and multiple impairments.
- Completing a basic Functional Vision Evaluation on a fellow student.
- Gathering needed student information in order to prepare for evaluation.
- Completing a review on a given variety of assessments appropriate for students with MDVI.
- Completing an Orientation and Mobility evaluation and report on a video of a student with MDVI (provided on D2L in the module 4).
- Completing an exercise on writing O&M-related IEP Goals and Objectives and Routine Planning for a student with MDVI.
- Completing a strategic plan for working with a student with MDVI you have observed, and their family.

F. Study Guides: There will be 2 Study Guides in D2L that will cover some of the readings. Meant to benefit the student in learning the material, these will be self-graded, and counted 25 points each for completion and submission.

G. Discussions: There will be opportunity for participation in Discussion Topics, 4 of which will each be worth 25 points for submission and for replying to another student’s submission, totaling up to a possible 100 points.

IV. Evaluation and Assessments (Grading):

Quizzes: There will be 6 quizzes to check for understanding of the material in specific modules, each worth 50 points, for a possible total of 300 points.

Examinations: Two examinations (a midterm and a final) will be given during the semester. The students will be responsible for all material covered in class, in readings, and assignments. The Midterm exam will be worth 100 points; the Final Exam will be worth 200 points.

Grades: Grades will be computed based on total points accumulated for all activities and tests. In order to obtain a grade other than F, all activities and tests must be completed. The following chart outlines the grading items, the points assigned to each, and the grading scale of total points needed for each grade.

The following grading scale will be used to determine letter grades:

100 Points – Discussions (25 points each for 4)
50 Points – 2 Study Guides (25 points each)
700 Points – 6 Assignments, one of which is 200 points
300 Points – 6 Quizzes, 50 points each
100 Points – Mid-term Exam
200 Points – Final Exam
150 Points – Participation and Attendance (5 pts per class)
1600 Points Possible

Grading Scale:
1440 – 1600 A
1280 – 1439 B
1120 – 1279 C
960 – 1119 D
Below 959 F

V. Tentative Course Outline/Calendar: Please refer to the last few pages for this information.
VI. Readings, Texts, Websites, Materials:

Required:

1. **Blaha, Robbie. *Calendars*.** (2001) TSBVI Order # 59436CAL. ISBN: 1-880366-27-4. Approximately $35.00 This nugget is filled with everything you have ever wanted to know about the benefits of calendar systems, how to set them up, and how to use them. It includes some great pictures that can really be helpful.

Highly Recommended, but Optional Texts:

1. **Levack, N., Hauser, S., Newton, L., and Stephenson, P., (Eds.) *Basic Skills for Community Living: A Curriculum for Students with Visual Impairments and Multiple Disabilities* (1997) TSBVI Order #59427 BSP. Approximately $20.00. Will be instrumental in helping you visualize how to work with students who are MDVI; once you get familiar with it, you will use it a lot – both in your assignments, and in the future as you move through your career.

2. **Basic Skills Activity Routines.** Texas School for the Blind and Visually Impaired Order #59428 BSA $5.00 Another inexpensive tool you will want to have handy, starting with being able to access it for your assignments.

LiveText Statement:
This course uses the LiveText data management system to collect critical assessments for students who are Perkins College of Education majors (undergraduate, graduate, and doctoral) or majors in other colleges seeking educator certification through the Perkins College of Education. Students who do not have an existing LiveText account will receive an access code via the SFA email system within the first week of class. You will be required to register your LiveText account, and you will be notified how to do this via email. If you forward your SFA email to another account and do not receive an email concerning LiveText registration, please be sure to check your junk mail folder and your spam filter for these emails.

If you have questions about obtaining or registering your LiveText account, call ext. 1267 or e-mail SFALiveText@sfasu.edu. Once LiveText is activated, if you have technical questions, call ext. 7050 or e-mail livetext@sfasu.edu. Failure to activate the account and/or submit the required assignment(s) within the LiveText system may result in course failure.

VII. Course Evaluations:
Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including:

1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes; and
3. Making decisions on faculty tenure, promotion, pay, and retention.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.
Students will also be required to evaluate their “blindfold” instructors at the end of the course. This is to ensure that we provide quality supervision and instruction.

VIII. Student Ethics and Other Policy Information, [https://www.sfasu.edu/policies](https://www.sfasu.edu/policies):

A. **Class Attendance and Excused Absence, Policy 6.7:** Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

**FOR THIS CLASS:** Students are expected to attend class. Attendance will be taken each class day. Students may receive excused absences for illness and family emergencies, but **must present written documentation** for such absence (i.e. doctor’s note, emergency room admissions, funeral notices). Students will be allowed one unexcused absence without penalty. After that, **one letter grade will be subtracted from the final grade for each unexcused absence.**

A student who does not attend class and/or show participation will be dropped from financial aid for that course.

B. **Academic Accommodation for Students with Disabilities, Policy 6.1 and 6.6:** To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices](http://www.sfasu.edu/disabilityservices)

C. **Student Academic Dishonesty: Policy 4.1**

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:

- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:

- submitting an assignment as one's own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

**Penalties for Academic Dishonesty**

Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university. The academic policy related to the Visual Impairment Program is outlined in the 2016 Program Handbook.

**For the purposes of this course,** as part of the Visual Impairment/Orientation & Mobility Preparation (VIP) Program, any indication of academic dishonesty as defined by SFASU and the Perkins College of Education, as described above, in the VIP Program handbook, and in each course syllabus, will result in the following consequences:
1st offense – The student will receive an F in the course. A Report of Academic Dishonesty will be filed with the Associate Dean of Student Services and Advising. Failure of the course does not rule out further actions on the part of the program and/or SFASU. The student’s status/continuation in our graduate (M.Ed.) program will be determined by consensus of the VIP Program faculty. This may result in program discontinuation, and the student must repay associated grant fees as per initial agreement.

The student must self-pay to retake the course at a later date. All regular course assignments must be completed, along with a “re-taker packet” which requires additional coursework determined by the instructor (for instance, the student may be asked to write and submit a thesis paper on ethical practices). If the course is satisfactorily completed (passed with an A or B) on the second attempt, SFASU will replace the original (F) grade.

2nd offense – Dismissal from the VIP Program, and student must repay associated grant fees as per initial agreement. These consequences do not rule out further actions on the part of the VIP Program and/or SFASU.

*PROTECT YOUR INTEGRITY. BE HONEST, FOLLOW THE RULES, DO YOUR OWN WORK, AND DO NOT SHARE IT WITH OTHERS.*

Student Appeals
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

D. Withheld Grades, Policy 5.5: Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which the WH is assigned, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future terms, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

E. Student Code of Conduct, Policy 10.4: Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at https://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936-468-2703.

Included as the last page of this syllabus is a disposition checklist that informs students of the importance of professionalism in their behaviors within the classroom and faculty members’ commitment to provide feedback accordingly.

F. Additional Information:
To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:
1. Undergo criminal background checks for field or clinical experiences on public school campuses; the public school campuses are responsible for the criminal background check; YOU are responsible for completing the information form requesting the criminal background check. If you have a history of criminal activity, you may not be allowed to complete field or clinical experiences on public school campuses. At that point, you may want to reconsider your major while at SFASU.
2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texas.ets.org/registrationBulletin/ <http://www.texas.ets.org/registrationBulletin/>). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.
3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information concerning this matter, contact Katie Snyder 936-468-1740 or snyderke1@sfasu.edu

IX. Other Relevant Course Information:
The above schedule and procedures in this course are subject to change in the event of extenuating circumstances.
**Professionalism Assessment Instrument**

For each observation, please complete the professionalism assessment instrument below by marking the appropriate box in each row.

Candidate Name: ___________________________________________  Supervisor: ___________________________

Circle the appropriate observation:  1  2  3  4  5  6

</tr>
</tbody>
</table>
| **Background Information**  
(AER Standards I, II; ACVREP Domains 2, 4) | Beginning of report provides all necessary information: Name, DOB, Referral Info, Assessment conditions, Medical history, Dr., Diagnosis, etc. | Background information is mostly complete, leaving out 1 to 2 areas of information. | Background area is minimally complete, omitting 3 or more areas of information. |  |
| **Orientation**  
(AER Standards V, VI, IX, XIII; ACVREP Domain 4) | Addresses age or developmentally appropriate concepts and use of sensory information; both strengths and weaknesses; cognitive skills required for orientation. | Addresses most age or developmentally appropriate concepts and use of sensory some information; either strengths or weaknesses; some cognitive skills required for orientation. | Minimally addresses most age or developmentally appropriate concepts and minimally addresses use of sensory some information. Addresses either strengths or weaknesses; some cognitive skills required for orientation. |  |
| **Mobility**  
(AER Standards VI, VII, IX, XII; ACVREP Domain 4) | Includes evaluation of all age appropriate or developmentally guide and cane techniques, both indoor and outdoor evaluation, as appropriate, and identifies strengths and weaknesses. | Includes evaluation of most guide and cane techniques that are age or developmentally appropriate; does not address both indoor and outdoor evaluation, as appropriate, and minimally identifies strengths and/or weaknesses. | Minimally evaluates guide and cane techniques that are age appropriate; minimally addresses does not address specific indoor or outdoor evaluation, as appropriate; does not clearly identify strengths or weaknesses. |  |
| **Recommendations**  
(AER Standards VI, IX, XII, XIII; ACVREP Domains 4, 10) | Recommendations are based solely on information provided in the evaluation. Addresses needs in a variety of settings, such as home, school, indoor, outdoor, as appropriate. | Recommendations are based mostly on information solely provided in the evaluation. Addresses needs in 1 or more settings, such as home, school, indoor, outdoor, as appropriate. | Recommendations are minimally based on information provided in the evaluation, or are not based on the evaluation at all. Does not address specific settings, such as home, school, indoor, outdoor, as appropriate. |  |

Exemplary = 9-12, Acceptable = 5-8, Unacceptable = 4 or below

**Total Score**
