**Letters, Memos, Written Messages:** This is a writing intensive course. You will be expected to write a variety of types of messages including memos, letters, and electronic correspondence. Two exams will be written exams and will be composed and keyboarded on the computer using word processing software.

**Research Based Assignments:** As part of the research portion of the class, students will be expected to know how to conduct primary and secondary research and communicate this information in some form. Students will also learn how to document their sources using APA.

**Objective Examinations:** Three of the course exams will be objective exams based on information presented in the chapter text and the lecture. These exams may consist of true/false, multiple-choice and short answer questions.

**Quizzes and Other Assignments:** Quizzes may be given both in class and online in BRIGHTSPACE BY D2L; assignments may also be given as classroom activities or as outside work. Students must be present to complete in-class assignments and these cannot be made up. All outside assignments with instructions and due dates will be posted in BRIGHTSPACE BY D2L on the course’s home page. Students may also be instructed to submit assignments in BRIGHTSPACE BY D2L. In this case, a student will not be given credit for the assignment unless it is submitted according to the instructions given; this includes completing the assignment in the proper format and turning it in at the proper time.

All out of class assignments are due at the beginning of the class on the day it is due, unless otherwise noted. In the case of an absence the day an assignment is due, it is the student’s responsibility to ensure the assignment is handed in by the due date and time. Written assignments may be turned in by e-mail, in person, or by mail. **Late assignments will not be accepted.**
**Oral Presentation:** Students will also be expected to learn how to communicate orally. Two presentations will be completed during the semester, and these presentations may be completed online using YouSeeU software.

**Classroom Procedure:** Class time is valuable and intended for educational purposes. EACH student is expected to bring pen and paper to class EACH day and be prepared to read, write, and/or discuss the subject matter for the day. All electronic devices including cell phones, laptops, and music players should be put away during class time, unless the technology is being used for a specific classroom activity.

**This is a web-enhanced class.** You will need to visit Desire2Learn regularly to keep up with assignments, contact the instructor, and receive supplemental information for your success in the course. Classroom activities, homework assignments, other instructional materials, and grades will all be posted in BRIGHTSPACE BY D2L. All homework will be posted in BRIGHTSPACE BY D2L. In the case of an absence from class, it is the student’s responsibility to check BRIGHTSPACE BY D2L for any homework assigned, and the assignment will still be due on the same due date as the rest of the class. Missing class is not an excuse for not completing an assignment.

**Attendance:** Regular and punctual attendance is expected, and attendance will be taken. Material may be covered in class that is not included in the text material. Each student is responsible for all information and instructions covered in class. It is the responsibility of the student to determine what was covered in class and complete and turn in any assignments when due. On some days assignments can be given during class times that will count as part of the Activities and Quizzes portion of the total grade. In-class activities and quiz grades cannot be made-up for any reason.

Perfect attendance for all course days will result in 10 bonus points added to the student’s points earned for the semester. Five bonus points will be added for one absence. Students who miss three consecutive classes without official excuse will be denied access to this course in BRIGHTSPACE BY D2L until the student meets with the instructor. Any assignments that were due in BRIGHTSPACE BY D2L during that time, will not be allowed to be made up.

**Written Documents:** All documents are to be TYPED. Handwritten documents will not be accepted for credit unless specifically assigned by instructor. When submitting an assignment through e-mail, it should be formatted in Microsoft Word format. If the assignment is created in any other format, it should be saved as a text file (*.txt or *.rtf) and attached to an e-mail or in the assignment module.

**Makeup Policy:** (University Excused) Makeup exams will be allowed only if arranged prior to the date of the test. The student must provide documentation for the excused absence. Notes from the school’s Health Clinic will not be accepted as excused unless the note specifically states that the student is unable to attend. Please see your General Bulletin for a further explanation of excused absences. Makeup exams for non-excused absences will be determined
at the sole discretion of the instructor and, if allowed, will usually consist of an essay-type exam.

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to (1) using or attempting to use unauthorized materials on any assignment or exam; (2) falsifying or inventing of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to (1) submitting an assignment as if it were one’s own work when it is at least partly the work of another person; (2) submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or (3) incorporating the words or ideas of an author into one’s paper without giving the author credit. Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university. Please read the complete policy at [http://www.sfasu.edu/policies/4.1-student-academic-dishonesty.pdf](http://www.sfasu.edu/policies/4.1-student-academic-dishonesty.pdf).

**Course Grades (University Policy 5.5)**

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy related to active military service. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average. Please refer to the complete policy at [http://www.sfasu.edu/policies/course-grades.pdf](http://www.sfasu.edu/policies/course-grades.pdf).

**Students with Disabilities**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Room 325 in the Human Services Building, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/).

**Student Conduct (University Policy 10.4)**

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the full Student Conduct Code at [http://www.sfasu.edu/policies/student-code-of-conduct-10.4.pdf](http://www.sfasu.edu/policies/student-code-of-conduct-10.4.pdf)). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic, or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.

Students should conduct themselves in an appropriate manner during class sessions. This behavior includes showing respect to the instructor and other students. All students are expected to use standard professional business language for oral and written communication. Assignments that contain inappropriate business topics and unacceptable language will receive no credit. Students should conduct themselves as if they are attending a professional business meeting.
