Add the 6 calculations together to determine your Final Grade.

Attendance Policy

• This is a lecture course. Attendance is not only required, but the exam and in-class quizzes and discussions derive their material from these lectures alongside the readings. After the first absence, every unexcused absence will reduce your “Attendance & Participation” grade by 5 points, thereby reducing your final grade by 1 point.
• Students are not ‘double-penalized’ for missing class alongside missing an in-class quiz or assignment. However, missing in-class quizzes and assignments does reduce proportionally the value of each in-class item due to the lower number of total in-class items.
• Students must provide sufficient documentation regarding absences within a timely manner. Documentation should be turned in before due dates and absences whenever possible unless an emergency occurs. Documentation regarding absences incurred due to long-standing and/or preexisting medical issues must be provided at the beginning of the semester.
• Students are expected to come to class prepared to discuss readings and assignments as well as participate in and respond to class discussions in order to satisfy the “Attendance & Participation” component of the grade.
• Class will not be held if the University closes.
• Make-up exams are only allowed if you make arrangements with me before the scheduled exam.
• I do not accept unexcused late work.

Academic Honesty
• Stephen F. Austin State University expects all students to abide by University policies related to academic honesty. Students’ academic development cannot be furthered without students upholding the highest level of integrity related to their studies.

• Each Stephen F. Austin State University student is required to be familiar with and abide by the University’s standard of academic integrity, akin to the Student Code of Conduct. The University’s policy can be found at sfasu.edu/policies/4.1-student-academic-dishonesty.pdf. Students with questions about how this policy applies to a particular course or assignment should immediately contact their instructor.

• While most students follow these well-recognized standards regarding academic integrity, instances of academic dishonesty do occur and must be addressed immediately. Academic dishonesty includes both cheating and plagiarism. As outlined in the University’s policy above, cheating generally involves an attempt to use unauthorized materials or falsify information, and plagiarism is utilizing someone else’s writings, ideas, or works without providing due credit or proper citation. Quotation marks and footnote/endnote citations are utilized in order to note the source of the work or idea, but students can consult their instructors, writing centers (such as the Academic Assistance and Resource Center or AARC Tutoring Center at library.sfasu.edu/aarc#/?_k=m57j8y), or other resources to clarify any questions or concerns related to such citations and attributions. The University’s 4.1 policy on Student Academic Dishonesty is provided in the earlier and following links, and students can also consult the Student Code of Conduct.

• In accordance with University policy, any instance of academic dishonesty, including plagiarism and cheating, are referred to the office of the dean of the student’s major which becomes a part of the student’s record. It is the student’s responsibility to understand the University’s ideals as outlined at sfasu.edu/policies/4.1-student-academic-dishonesty.pdf.

Withheld Grades (Semester Grades Policy, A-54)
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Students with Disabilities and/or Requiring Accommodations
To obtain disability related accommodations, alternate formats, and/or auxiliary aids, students must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

Cell Phones, Laptops, Media, Newspapers, Food
If your cell phone rings in class, you may be asked to leave, and you may receive an absence.
If you ‘text’ in class, you may be asked to leave, and you may receive an absence.
During examinations, quizzes, and any assignments, cell phones must be put away and silent. If I see your cell phone out, you may be asked to leave, and you may receive a 0 for the item’s grade.
Laptops may be utilized only for the purposes of taking notes. If you utilize your laptop in a manner not relevant to the class, you may be asked to put the laptop away. I reserve the right to prohibit laptops from class if I deem it necessary.
The only recordings allowed in class are my own recordings. You may not record or photograph me. If I discover myself or my class in photographs or on the internet, I reserve the right to fail the responsible student.
If you read newspapers or books not relevant to the class in class, you may be asked to leave, and you may receive an absence.

I reserve the right to change the syllabus. Any changes will be announced in class. Students should be prepared to discuss Materials in Bold on the respective days.
