Attendance
You are expected to attend and be well prepared at every scheduled lesson. Be prepared with all of the assigned work even though it may not all be heard at each lesson. You are allowed one unprepared lesson each semester due to term papers, exams, family emergencies or illness. If you are so ill that you should not attend a lesson, please inform me as early as possible, so that I can make good use of your lesson time and so that your lesson can be conveniently rescheduled.

Required materials
• Mini or micro SD card (at least 8 gig) to record your lesson.
• A metronome and a tuner (mobile apps are acceptable).
• Notebook or notepad.
• Rosin, mute, etc.
• Proper care of your instrument and bow: Rehairs, strings, etc. If you use a school instrument, it is your responsibility to notify me or Dr. Moon about any repairs that need to be done.

Grading procedures
Grading is based on overall progress and preparedness, not on talent. Your final grade at the end of the semester will be based on the following formula:

1. Average of Lesson Grades: 50% (for non-majors- 65%)

   *your weekly grade will be based on preparation of assignments. Here is the significance of letter grades for weekly lessons:
   • A: thorough preparation of all assignments
   • B: preparation of all assignments but with some aspects not thoroughly learned
• C: some assignments not prepared
• D: student is totally unprepared
• F: unexcused absence

2. Your involvement in attending, performing and/or participating in discussion in Studio Class, Convocation and/or String Recitals by Faculty and Students: 10%

3. Technique Exam: This exam will take place after midterms, about a month before the semester ends, during studio class. You will play an assigned scale with some bowings and an etude. 15%

4. Lower strings studio recital: 10%

5. Performance in final string jury (if applicable): 15% *non-majors will not have a jury, unless unable to perform in String Studio Recital). You will perform a solo and one or two orchestral standard excerpts.

Grading of the applied lesson is highly subjective by nature. Primary factors upon which you will be graded are: lesson preparation; attitude; musical improvement; studio participation and material completed. A majority of the weight of the semester grade will be based on lesson preparation and musical growth. Your progress will be judged on the basis of growth, improvement in basic musical skills, completion of assigned materials and work on repertoire, scales and etudes as assigned. You are also expected to actively participate in studio class. This is a “lab” for the applied lesson. You will perform several times in studio class during the semester.

Minimum daily individual practice time should equal the number of credit hours you receive for the applied lesson.

Program Learning Outcomes

The student will demonstrate the following:

• Knowledge of applicable solo materials
• Fundamentals of pedagogy as it pertains to applied study ability to prepare and perform a solo at a high level

Academic Integrity (A-9.1)

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.
Definition of Academic Dishonesty

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit. Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Withheld Grades Semester Grades Policy (A-54)

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Students with Disabilities

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester.
