Course Requirements/Grading

Exams: There will be four (4) timed exams. You can earn more than 100 points on each exam. The exams will consist of true/false statements and multiple choice questions. The exams will test your knowledge of class materials (about 75 percent of the exam) and Textbook readings in Introduction to American Government Structure and Functions and the Texas Politics Workbook (about 25 percent of the exam).

Our first exam will be on Thursday, September 20. You need to bring three things to each exam: a Scantron Form No. 882-E, a No. 2 pencil, and a head full of political science knowledge. The final exam will not be comprehensive.

Class Preparation/Required & Bonus Points: You can earn up to 25 required and bonus points for class preparation. Students should carefully read, digest, and critically consider the assigned reading materials before attending class. Students should be fully prepared not only for getting good grades, but for successful careers. To assist in your preparation, you are to take multiple choice quizzes on D2L over the assigned readings and contemporary political news prior to attending class. The quizzes will coincide with a reading designated by "Quiz #" under date of class, on the calendar section of this syllabus. Quizzes will be available 24 hours in advance and must be submitted 30 minutes before class starts (3:30 p.m.). Quiz #1 is to be submitted before 3:30 p.m. on Thursday, September 6. Quiz #1 will cover Texas Chapter 5, American Chapter 7 and a few contemporary political news items—it have 5 bonus points. To receive credit for quizzes you must attend the entire class period after the quiz.

Discussion and Presentation (D&Ps)/Required Points: You can earn up to 80 points on discussion and presentations (D&Ps). There will be four (4) D&Ps, each worth up to 20 points. Starting Thursday,
September 13, you will meet with your group to discuss a contemporary political issue and prepare a five (5) to six (6) minute presentation. Topics for these D&Ps will be decided/approved by Dr. Herzog prior to the D&P. Dr. Herzog will grade each D&P using a rubric with 13 items and the main emphasis will be on delivery, organization and content. Dr. Herzog may deduct multiple points for any particular item on the rubric. To assist in the accuracy of grading, Dr. Herzog will have the presentations recorded.

Interesting/Informative D&Ps: The format of your presentations can use a variety of presentation techniques including, debates, role-playing, game shows, editorial, different perspectives, and opposing viewpoints. Avoid descriptive presentations that involve reading your research.

D&Ps/Bonus Points: After each group gives their presentation, you will cast an individual ballot to vote on the BEST group presentation based on delivery, organization, and content. Individuals cannot vote for their own group’s presentation. Dr. Herzog will cast an equal number of votes as the number of student votes. Members of a group cannot vote if they do not participate in discussions and help with the presentation. The members of the group with the most votes will receive four (4) BONUS POINTS. The group members with the second most votes will receive two (2) BONUS POINTS. In case of a tie for first, the groups will divide six (6) points equally and no points will be awarded to second place. In case of a tie for second, the two (2) points will be divided equally. (In all cases, Dr. Herzog will round up.) You will be awarded two (2) BONUS POINTS for each D&P if you submit to Dr. Herzog, via D2L Dropbox, evidence of research on your topic (e.g., articles from news pages, typed notes) with 50 to 100 words of text and proper citation, are prepared to contribute to the discussion. Your Dropbox submissions will be due at noon on D&P days. You will be awarded two (2) BONUS POINTS if you submit a signed ballot, with insightful notes and a justification for your vote at the end of a D&P class.

D&P groups will be initially assigned on Thursday, August 30. Our first discussion and presentation (D&P) will be on Thursday, September 13.

Why D&Ps?
1. to allow you to contribute to the educational process in the classroom
2. to improve your research skills
3. to experience working with other classmates to prepare for and deliver presentations
4. to refine your oral presentation skills
5. to allow you to discuss and present contemporary political topics that pique your interest

Please Note: You may not like the D&Ps because the voting is not always fair, they become very political, favoritism may rule over objectivity, and some presentations will appear to waste valuable class time. If some of these reasons become valid, you will have learned valuable lessons about politics.

Policy Assignment: There will be a public policy paper assignment in this course that is due on Friday, November 16. The specifics of this assignment will be announced. You can earn up to 20 points on this assignment.

Course Evaluation/Bonus Points: At the end of the semester you will have the opportunity to complete an anonymous course evaluation. If you complete the multiple choice and comments sections of the course evaluation, you will be able to earn four (4) BONUS POINTS.
Final Grades: This course is graded on a cumulative point system with final grades determined on the following scale:

**Make-up Policies**

To take a make-up exam, you must have a legitimate reason (for example, illness, personal matters, and other required university activities). You must contact Dr. Herzog BEFORE the scheduled exam to legitimize your reason. Make-up exams will not be FUN. However, DO NOT attempt to take a scheduled exam on your DEATHBED. There will be limited make-up opportunities on quizzes and D&P opportunities.

**Proper/Mandatory E-mail Etiquette**

If you are responding to the contents of a D2L e-mail I have sent, you do not have to change the subject line. If your message does not relate to the contents of an e-mail that I have sent or if you are e-mailing on a new topic, you need to compose a new D2L e-mail with a descriptive subject line that alludes to the content of the e-mail. Please note that e-mail is NOT a text message as it is more formal communication. You should start every e-mail to me with Dr. Herzog, and I will address you as Ms. or Mr. I will respond to your e-mail after I receive it.

**Attendance/Cell Phones/Electronic Devices**

Students are required to attend class and arrive on time. The use of cell phones, even to check the time,
during class presentations is prohibited. If Dr. Herzog sees you using a cell phone in class, it is considered unacceptable and disruptive behavior. Please turn your cell phone off or to silent when you arrive for class. Other electronic devices (e.g., laptops and iPads) may not be used during class presentations. On D&P class days, when your group is preparing your presentation, you may use electronic devices to conduct additional research, review a presentation (e.g., PowerPoint or Prezi), or call a public official to get information. When Dr. Herzog's presentations start all electronic devices must not be used.

Acceptable Student Behavior

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.

Academic Integrity (A-9.1)

Academic integrity is a responsibility of all university faculty and students. Faculty members promote
academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the complete policy at http://www.sfasu.edu/policies/4.1-student-academic-dishonesty.pdf.

Withheld Grades Semester Grades Policy (A-S4)
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Students with Disabilities
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

Course Syllabus Appendix
The following information is required by the Vice President of Academic Affairs and Provost for inclusion in the syllabus for this course:

General Education Core Curriculum
The Texas Higher Education Coordinating Board has identified six core learning objectives: Critical Thinking Skills, Communication Skills, Empirical and Quantitative Skills, Teamwork, Personal Responsibility, and Social Responsibility. SFA is committed to the improvement of its general education core curriculum by regular assessment of student performance on these six objectives.

By enrolling in PSC 142: American Government – Structure and Function you are also enrolling in a Core Curriculum Course that fulfills the Communication Skills – Written and Visual requirement. You will see
this course on your Brightspace by D2L list.

At one point during the semester, you will receive an assignment that fulfills both the requirements of this course and the needs of Stephen F. Austin State University’s Core Curriculum Assessment Plan with the Texas Higher Education Coordinating Board. When you complete this one assignment, you need to upload the assignment to both your standard course dropbox determined by your Instructor and the “Core Curriculum” dropbox. The Core Curriculum dropbox will be identified by the Objective for which work is being collected. (Examples: Critical Thinking, Teamwork, Social Responsibility Empirical and Quantitative Skills, Personal Responsibility, Communication Skills-Written, Communication Skills-Written and Visual, and Communication Skills- Oral and Visual.) Please note that this only applies to the approved assignment. All other assignments should be submitted according to regular class operations. If you have any questions, please see your Instructor or the Office of Student Learning and Institutional Assessment.

When you complete the assignment mentioned above, you will upload the assignment to both the PSC 142 dropbox and the core objective dropbox.

Please note that this only applies to the specific assignment listed in the matrix below. All other assignments should be submitted according to regular class operations.

If you have any questions, please see your instructor or contact the Institutional Effectiveness Office at (936) 468-1130.

The chart below indicates the core objectives addressed by this course, the assignment(s) that will be used to assess the objectives in this course and uploaded to the Brightspace by D2L Communication Skills – Written and Visual dropbox this semester, and the date the assignment(s) should be uploaded to the D2L Communication Skills – Written and Visual dropbox. Not every assignment will be submitted for core assessment every semester. Your instructor will notify you which assignment(s) must be submitted for assessment in the Brightspace by D2L Communication Skills – Written and Visual dropbox.
