All assignments are to be submitted in a timely, professional manner. This includes proper use of Standard English, correct grammar and spelling, and appropriate formatting. Remember that the quality of work you present reflects the quality of your desire to be a professional educator. All submitted work should be typed unless otherwise noted.

IV. Evaluation and Assessment (Grading):

To determine your grade, take the points earned and divide by the number of points possible. Letter grades for the course will be determined as follows: 90-100% = A, 80-89% = B, 70-79% = C, 60-69% = D, below 60% = F

As part of the unit and lesson plan format, students are required to list the appropriate standards from ALL three of the following state of Texas educational standards:

VII. Other Research-Based Readings Provided in Class:

VIII. Course Evaluations:

Near the conclusion of each semester, students in the College of Education electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including: 1. Course and program planning improvement, planning, and accreditation 2. Instruction evaluation purposes 3. Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate
this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical. In the College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after the final grades are posted.

IX. Student Ethics and Other Policy Information:

A. Class Attendance: Policy 6.7
Regular, punctual attendance, documented participation, and submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted university excuses may be permitted to make up work for up to three weeks of absence during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

Personal Days-Students are expected to attend all classes, arrive on time, sign in, and actively participate in class. Students are allowed two “personal days” that they may take at their discretion, but only with prior notification. You may notify the instructor by phone, email, or during class time. Exam days are excluded from this policy. Work due on the day you are absent must still be submitted ON THAT DAY, by a classmate or electronically.

B. Excused Absences: You also have officially excused SFASU days available to you that are covered under SFASU policy. University policy lists the following reasons for excusing a student: Health-related issues, family emergencies, and student participation in university-related activities. Sick days and university-related activities require appropriate documentation so that any missed work may be completed.

C. UNEXCUSED ABSENCES: Every unexcused absence besides the 2 personal days will result in a 30 pt. deduction from your professional dispositions grade of 100. At 5 unexcused absences, you will fail this course. This is the same rule as in SFA Student Teaching. It is YOUR responsibility to NOTIFY the instructor if you are going to be absent.

D. Tardies- Two tardies will count as one absence. This is the same rule as in SFA Student Teaching.

*Note: Sleeping and texting in class are not acceptable behaviors, will be evaluated as a lack of professional behavior and will be reflected on your professional dispositions grade. As a professional teacher, you will be responsible for other peoples’ children – choose to be responsible and/or motivated enough to partake of every learning opportunity in your pre-service training. Remember, you are developing professional dispositions that will define you for the course of your career.

E. LATE WORK POLICY- Missed exams and quizzes may only be rescheduled in cases of excused absences and must be made up within 2 weeks of the original date. Late work on major grades will be accepted for no penalty for university-excused absences. For other late work due to extenuating circumstances, please speak with the professor privately. Late work of assignments worth more than 20 pts. may be accepted up to a week late by the professor with a 30% penalty.

F. Academic Accommodation for Students with Disabilities: Policy 6.1 and 6. To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/

G. Student Academic Dishonesty: Policy 4.1
Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
-submitting an assignment as one's own work when it is at least partly the work of another person;
-submitting a work that has been purchased or otherwise obtained from the Internet or another source;
-incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

Penalties for Academic Dishonesty
Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

Student Appeals
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

H. Withheld Grades: Policy 5.5
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

I. Student Code of Conduct: Policy 10.4
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at http://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936-468-2703.

J. Code of Ethics for the Texas Educator:

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

K. To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person’s potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense. A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.
You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texas.ets.org/registrationBulletin/ <http://www.texas.ets.org/registrationBulletin/>). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information concerning this matter, contact Katie Snyder Martin at 936-468-1740 or snyderke1@sfasu.edu.

L. Mobile technology:
Please turn off any mobile phones or other electronic devices prior to the beginning of class unless we are using them to complete a class assignment. If the instructor asks you to refrain from using your personal and/or mobile devices in class and you continue to do so, that is a violation of your professional dispositions and will be penalized on that part of your class grade. If you are expecting an important call during class time, please inform the instructor before class.

M. Undergraduate Teacher Certification
The “Undergraduate Initial Teacher Certification Handbook”, available on-line at the college of Education website contains all policies and procedures related to undergraduate teacher certification. Teacher education candidates are responsible to know and understand the policies and procedures outlined in this handbook.
