Instructor: Erin Keeling, M.S., CCC/SLP
Office: Human Services 205E
Office Phone: 936-468-3997
Email: keelingee@sfasu.edu
Credits: 3 hours

Prerequisites: Students enrolled in the course must have been approved for admission in the Communication Disorders Program with at least 30 semester credit hours, completion of SPH 130, 210, and 250) with a grade of B or higher and a GPA of 2.75 for all undergraduate coursework.

I. COURSE DESCRIPTION:
This course provides an in-depth review of methods and techniques related to the role of speech language pathologists in public schools and medical settings. The student will gain experiential knowledge evidenced by class discussions, guest speakers, and research of evidenced based practice within both the medical and public-school settings.

II. Intended Learning Outcomes/Goals/Objectives: (Program/ Student Learning Outcomes)

A. This course reflects the following core values of the College of Education
   I. Academic excellence through critical, reflective, and creative thinking
   II. Life-long learning
   III. Collaboration and shared decision-making
   IV. Openness to new ideas, to culturally diverse people, and to innovation and change
   V. Integrity, responsibility, diligence, and ethical behavior
   VI. Service that enriches the community.

B. This course also supports the objectives of the Department of Human Services:
   Objectives of the DHS include:
   (1) The preparation of special education teachers for elementary and secondary schools,
   (2) The preparation of persons for careers in rehabilitation, orientation and mobility, and related human services, occupations serving persons with disabilities, speech language pathology and school psychology.

C. This course also supports the mission of the Speech-Language Pathology Program: The mission of the Speech-Language Pathology Program is to prepare knowledgeable caring professionals committed to educating the public, properly diagnosing and effectively treating persons with communication and swallowing disorders across the lifespan, thereby improving their quality of life. To meet this mission, the program embraces cultural and linguistic diversity emphasizes the importance of evidence-based practice, critical thinking skills, interdisciplinary collaboration, ethical principles and continued professional development throughout one’s career.
D. This course also supports the Core Objectives/Outcomes of the Texas Higher Education Coordinating Board.

- Critical Thinking Skills:
  To include creative thinking, innovation, inquiry, and analysis, evaluation, and synthesis of information
- Communication Skills:
  To include effective development, interpretation, and expression of ideas through written, oral and visual communication.
- Empirical and Quantitative Skills:
  To include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions.
- Teamwork:
  To include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal.
- Personal Responsibility:
  To include the ability to connect choices, actions, and consequences to ethical decision-making
- Social Responsibility:
  To include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities.

E. This course addresses the following standards of the Council for Clinical Certification of the American Speech-Language Hearing Association (from KASA):

Standard IV-G: The applicant for certification must complete a program of study that includes supervised clinical experiences enough in breadth and depth to achieve the following skills outcomes (in addition to clinical experiences, skills may be demonstrated through successful performance on academic course work and examinations, independent projects, or other appropriate alternative methods).

PROGRAM LEARNING OUTCOMES (PLO): This course supports the Communication Sciences and Disorders Program Learning Outcomes (PLO) II, III, IV, and VI. These competencies are measured by successful completion of all course requirements, including examinations, group discussion and activities, written assignments, and quizzes:

I. PROGRAM LEARNING OUTCOME: The student will demonstrate knowledge of major anatomical structures in the communication process.

II. PROGRAM LEARNING OUTCOME: The student will demonstrate knowledge of physiological processes utilized in communication.

III. PROGRAM LEARNING OUTCOME: The student will recognize and articulate the foundational skills related to normal speech and language development.

IV. PROGRAM LEARNING OUTCOME: The student will demonstrate understanding of the process of assessing communication disorders.

V. PROGRAM LEARNING OUTCOME: The students will analyze, interpret, and synthesize evidence-based procedures in the treatment of communication disorders.

VI. PROGRAM LEARNING OUTCOME: The students will demonstrate professional writing skills appropriate for clinical management.
F. STUDENT LEARNING OUTCOMES (SLO): At the end of this course, students will demonstrate an understanding of the following:

1. The student will state and discuss the role of the SLP in the educational and medical setting by participating in classroom discussion and a minimum of 70% passing rate on exams.
2. The student will identify and discuss State and Federal regulations affecting SLPs in educational and medical settings as evidenced by 70% on course exams.
3. The student will discuss, interpret, and provide examples of medical and educational guidelines for documentation and accountability when participating in discussions with both a medical SLP and public school SLP and reflected through a minimum of 70% on course exams.
4. The student will explain and summarize ASHA guidelines and standards regulating professional ethics in medical and educational settings as evidenced by a minimum of 70% on course exams.
5. The student will plan methods of identifying and assessing communicatively disordered individuals in medical and educational settings as evidenced by special topics presentations presented by the student obtaining a minimum of 40 out of 50 points.
6. The student will plan case selection, scheduling, and service delivery options in the medical and educational setting as evidenced by collaborative teamwork as a class and 70% on course exams.
7. The student will integrate and apply basics of IEPs as they pertain to speech-language pathology in the educational setting as evidenced in an experiential learning and a minimum of 70% on course exams.

III. Course Assignments, Activities, Instructional Strategies, & use of Technology:

Curriculum-Based TEKS/Goals and Objectives DUE: September 25
Student groups will write curriculum-based goals and objectives for an assigned case. Groups should attach a copy of their case to the assignment. Assignments should be typed with correct spelling and grammar. Goals/objectives are to be turned in according to the due date listed on the calendar for a total of 50 points.

Student Learning Outcome objective: The student will discuss, interpret, and provide examples of medical and educational guidelines for documentation and accountability when participating in discussions with both a medical SLP and public school SLP and reflected through a minimum of 70% on course exams.

Reading DUE: October 16
You are required to complete 1 reading from a peer-reviewed professional journal regarding speech-language pathology issues in the educational setting. You will read the articles and complete a 12-step map over the article. Reading should be about cultural/linguistic diversity within the educational setting. Explanation of a 12 step map will be given in class. You are also required to make a photo copy of the article and attach it to your map. This should be a demonstration of your best writing skills. Due dates for these readings are listed on the calendar. Reading is worth 50 points.

Student Learning Outcome objective: The student will state and discuss the role of the SLP in the educational and medical setting by participating in classroom discussion and a minimum of 70% passing rate on exams.

Ethics DUE: November 29
You are required to complete 3 two Ethics scenarios assigned by the instructor based on the medical setting. Assignment should be typed and submitted through to Dropbox at the end of class on APRIL 25. You should demonstrate application of knowledge regarding ASHA code of ethics principles for Speech Language Pathologist within the medical setting.
Student Learning Outcome objective:
The student will explain and summarize ASHA guidelines and standards regulating professional ethics in medical and educational settings as evidenced by a minimum of 70% on course exams.

Special Topic Presentations DUE: December 4
Student groups will select a topic about disorders seen in a medical setting. Topics include but are not limited to Brain injury, cognitive-communication impairments, dementia, endoscopy, geriatrics, collaboration, laryngectomy, stroboscopy, orofacial myofunction, feeding tubes, NICU, and swallowing. You must have your topic approved by the instructor by 11/13. Each group will research and report on the roles and responsibilities the SLP has in evaluating and treating the chosen topic. You should use visual aids, such as posters or demonstration, to present your topic.

In addition, you will either create or find a relevant clinical tool to present. It may be something you create to use for assessment or treatment. It may be a quick reference guide or a patient information sheet. You should be creative in developing a clinical tool for your topic. You will present the tool and show them how to make or use it.

Researching the topic will consist of reviewing any and all ASHA provisions and recommendations. You should also include at least 5 references aside from your textbook that you found helpful. They could be books, journal articles, or other forms of information. You and your group will present the topic, ASHA/federal/state information, and tool in a Power Point presentation for no more than 10-15 minutes.

Student Learning Outcome objective: The student will plan methods of identifying and assessing communicatively disordered individuals in medical and educational settings as evidenced by special topics presentations presented by the student obtaining a minimum of 40 out of 50 points.

IV. Evaluation and Assessment:

EXAMS: There will be 4 exams: 3 regular exams and 1 final exam. Make-up exams are allowed only for EXCUSED absences such as illness and death of family members. Documentation must be provided for the absence to be excused. It is the student's responsibility to provide the documentation and to schedule the make-up exam with the instructor. The student should confer with the instructor to set up the make-up exam no later than 3 days after missed exam.

Student Learning Outcomes addressed as part of Exams include:
- The student will state and discuss the role of the SLP in the educational and medical setting by participating in classroom discussion and a minimum of 70% passing rate on exams.
- The student will identify and discuss State and Federal regulations affecting SLPs in educational and medical settings as evidenced by 70% on course exams.
- The student will discuss, interpret, and provide examples of medical and educational guidelines for documentation and accountability when participating in discussions with both a medical SLP and public school SLP and reflected through a minimum of 70% on course exams.
- The student will explain and summarize ASHA guidelines and standards regulating professional ethics in medical and educational settings as evidenced by a minimum.
- The student will integrate and apply basics of IEPs as they pertain to speech-language pathology in the educational setting as evidenced in an experiential learning and a minimum of 70% on course exams.
- The student will integrate and apply basics of IEPs as they pertain to speech-language pathology in the educational setting as evidenced in an experiential learning and a minimum of 70% on course exams.
Late Policy: Late penalties will be given for assignments turned in late without documented excuses. 5 points will be deducted for each day late. Written documentation for excused absences only will be accepted for the designated due date and must also be provided for each subsequent day the project is late.

Grading:
- Exam 1 = 100 points
- Exam 2 = 100 points
- Exam 3 = 100 points
- Final Exam = 100 points
- 1 Reading = 50 points
- Goals/Objectives/TEKS Assignment = 50 points
- Ethics Assignment = 50 points
- Special Topics = 50 points
- Total possible points = 600

Grade Calculation: \[
\frac{\text{Points earned to date}}{\text{Points possible to date}} \times 100 = \text{Grade}
\]

A = 89.5-100%
B = 79.5-89.4%
C = 69.5-79.4%
D = 59.5-69.4%
F = 59.4% and below

VI. Readings:

Required Text:

Live Text Account:

This course uses the LiveText data management system to collect critical assessments for students who are Perkins College of Education majors (undergraduate, graduate, and doctoral) or other majors seeking educator certification through the Perkins College of Education. Students who do not have an existing LiveText account will receive an access code via the SFA email system within the first week of class. Your will be required to register for this LiveText account, and be notified via email. If you forward your SFA email to another account and do not receive an email concerning LiveText registration, please be sure to check your junk mail folder and your spam for these emails.
VII. Course Evaluations:
Near the conclusion of each semester, students in the College of Education Electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning and accreditation; 2. Instruction evaluation purposes; and 3. making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all rating and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VIII. Student Ethics and Other Policy Information:

Class Attendance and Excused Absence: Attendance in class is required. The instructor will take attendance at 11:00 a.m. If you are not present during that time you will be considered absent for that day. If you miss a class, it is your responsibility to obtain handouts and class notes from your peers. Absence is not an excuse for missing information, handouts, class notes, etc. If you miss class during an exam or other assignment that a grade was given, you are responsible for providing written documentation (illness, hospitalization, death in the family) so that you may make up that grade. You are responsible for scheduling a make-up exam within 3 days of the missed class. Your final grade will be lowered by 5 points for every three unexcused absences. Excused absences must have documentation (i.e. documented illness from a physician, etc.) which must be submitted within one week of the absence.

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Attendance in class is required. You will be responsible for signing the attendance sheet during each class period. The attendance sheet will be taken up at the beginning of each class. If you are late, it is your responsibility to come to the instructor (after class) and ask for the attendance sheet to sign. If you do not sign in, you will be considered absent. If you miss a class, it is your responsibility to obtain handouts and class notes from your peers. Absence is not an excuse for missing information, handouts, class notes, etc. If you miss class during an exam or other assignment that a grade was given, you are responsible for providing written documentation (illness, hospitalization, death in the family) so that you may make up that grade. You are responsible for scheduling the make-up within one week of the missed class. Your final grade will be lowered by 5 points for every three unexcused absences. Excused absences must have documentation (i.e. documented illness from a physician, etc.)

For additional information, go to http://www.sfasu.edu/disabilityservices/. Location: Human Services Building, room 325. Phone: (936) 468-3004.

Academic Integrity:
Academic Integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.
Definition of Academic Dishonesty Policy 4.1:
Academic Dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification of invention of any information, including citations, on an assigned exercise; and or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit.

Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Withheld Grades Semester Grades Policy 5.5:
Ordinarily at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Student Code of Conduct: Policy 10.4
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare Early Alert Program found at http://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936-468-2703. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.

Respect for Diversity:
The Speech-Language Pathology program embraces a notion that students from all diverse backgrounds and perspectives be well served by this course, that students’ learning needs be addressed both in and out of class, and that the diversity that students bring to this class be viewed as a resource, strength and benefit. It is my intent to present materials and activities that are respectful of diversity: gender, sexuality, disability, age, socioeconomic status, ethnicity, race, and culture. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally or for other students or student groups. In addition, if any of our class meetings conflict with your religious events, please let me know so that we can arrange for you

To complete Certification/Licensing Requirements in Texas related to public education, you will be required to:

1. Undergo criminal background checks for field or clinical experiences on public school campuses; the public-school campuses are responsible for the criminal background check; YOU are responsible for completing the information form requesting the criminal background check. If you have a history of criminal activity, you
may not be allowed to complete field or clinical experiences on public school campuses. At that point, you may want to reconsider your major while at SFASU.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texas.ets.org/registrationBulletin/). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information concerning this matter, contact Katie Snyder Martin at 936-468-1740 or snyderke1@sfasu.edu

IX. Other Relevant Course Information:

Communication for this course will be done in class and through Bright Space. In addition, students may sign up for enrollment in the instructor’s course on REMIND 101 for frequent reminders about the course. Please check Brightspace often to get announcements, print out handouts, check your grades, etc.

To sign up for the REMINDers for the course, please see attached sheet on access to Remind.

If you have difficulty accessing Bright Space, contact Student Support – 498-1919

*Prepare for classes by reading chapters assigned and reviewing materials/assessments to be discussed. Lack of preparation will be apparent to the instructor.
