VII. Course Evaluations:
Near the conclusion of each semester, students in the College of Education Electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning and accreditation; 2. Instruction evaluation purposes; and 3. making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all rating and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.
VIII. Student Ethics and Other Policy Information:

Attendance: Attendance in class is required. The instructor will take roll at 1:00 pm. If you are not present during roll you will be considered absent for that day. If you miss a class, it is your responsibility to obtain handouts and class notes from your peers. Absence is not an excuse for missing information, handouts, class notes, etc. If you miss class during an exam or other assignment that a grade was given, you are responsible for providing written documentation (illness, hospitalization, death in the family) so that you may make up that grade. You are responsible for scheduling a make-up exam within one week of the missed class. Your final grade will be lowered by 5 points for every three unexcused absences. Excused absences must have documentation (i.e. documented illness from a physician, etc.) which must be submitted within one week of the absence.

Students with Disabilities:
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Attendance in class is required. You will be responsible for signing the attendance sheet during each class period. The attendance sheet will be taken up at the beginning of each class. If you are late, it is your responsibility to come to the instructor (after class) and ask for the attendance sheet to sign. If you do not sign in, you will be considered absent. If you miss a class, it is your responsibility to obtain handouts and class notes from your peers. Absence is not an excuse for missing information, handouts, class notes, etc. If you miss class during an exam or other assignment that a grade was given, you are responsible for providing written documentation (illness, hospitalization, death in the family) so that you may make up that grade. You are responsible for scheduling the make-up within one week of the missed class. Your final grade will be lowered by 5 points for every three unexcused absences. Excused absences must have documentation (i.e. documented illness from a physician, etc.)

Academic Integrity:
Academic Integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Definition of Academic Dishonesty:
Academic Dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification of invention of any information, including citations, on an assigned exercise; and or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit.

Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Withheld Grades Semester Grades Policy (A-54):
Ordinarily at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
Acceptable Student Behavior:
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.
