ENV 460 Internship in Environmental Science
Student: Nina M Mccallum
Instructor: Kenneth W. Farrish
Phone: 936-468-2475 or 2331
Email: kfarrish@sfasu.edu
Office: 108 Forestry Lab
Office Hours:
Department: Environmental Science
Class meeting time and place: TBA
Course Description:
The student will work full time on an internship during the summer with Georgia Pacific. She will keep a journal of her activities which will be turned in to Dr. Farrish at the end of the fall semester. The student will also present a short PowerPoint presentation on her internship experience to an appropriate group of undergraduate environmental science students before the end of the fall semester. 3 Semester Credit Hours.

Program Learning Outcomes:
NA

General Education Core Curriculum Objectives/Outcomes:
NA

Student Learning Outcomes:
The student will learn about keeping a work journal, gain environmental science project experience and gain improved presentation skills.

Text and Materials:
NA

Course Requirements:
Student will complete a written journal and make a PowerPoint presentation to an appropriate audience.

Course Calendar:
NA

Grading Policy:
Both the written journal and presentation will be graded. The final course grade will be determined at the average of the two grades.

Attendance policy:
NA
Academic Integrity (A-9.1):
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Withheld Grades Semester Grades Policy (A-54)
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Students with Disabilities
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

Acceptable Student Behavior
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive
behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.
