INSTRUCTOR: DR. HANS M. WILLIAMS  
OFFICE: FORESTRY, RM 112, OFFICE PH: 468-2164, HOME PH: 936-305-3580  
Email: hwilliams@sfasu.edu  
OFFICE HOURS: 8:00 am to 9:30 am and 4:30 pm to 5:00 pm, Monday-Friday

Credit Hours: 3 Credit Hours

Course Description: Mr. Frank Titzler will be employed by Brightview, Dallas, TX. Mr. Titzler will be supervised by Brightview arborists. He will experience every facet of Brightview’s commercial and residential arboriculture services provided by the Dallas, TX office. This will include exposure to activities such as tree pruning, tree removals, tree fertilization, plant health care programs, integrated pest management, and hazard assessment.

Course Assignment and Grade: Satisfactory completion of the course will be based on an acceptable job performance rating by Brightview supervisors, a picture portfolio and daily log to be turned in to the instructor highlighting job related activities, and a presentation of his experience to arboriculture students at a time to be determined.

Program Learning Outcomes

1. Demonstrate understanding and competency of forest ecology and biology;
2. Demonstrate understanding and competency in the measurement of forest resources;
3. Demonstrate understanding and competency in managing forest resources;
4. Demonstrate understanding and competency of forest resource policy, economics, and administration.
5. Demonstrate understanding and competency in oral and written communication skills.

Items #1 - #4 above are required by the Society of American Foresters, the program’s accrediting agency.
