VII. Student Ethics and Other Policy Information

Class Attendance and Excused Absence: Policy

6.7

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences.

Attendance

A. It is the student’s responsibility for assuring credit for attendance for each meeting. If you arrive after the roll is checked, you should notify the instructor before the end of the class period so the absence can be changed. Otherwise, if it is not cleared during that class period, it will remain an absence.

B. Excused absences

1. Absence due to illness – must present a doctor’s excuse.

2. Absence due to a school sponsored trip – instructor should be notified in advance of absence.

3. Absence due to military service (i.e. National Guard drill).
4. ALL EXCUSED ABSENCES MUST BE PROPERLY DOCUMENTED AND PRESENTED TO THE INSTRUCTOR IMMEDIATELY UPON RETURNING TO CLASS. OTHERWISE, THE ABSENCE WILL BE CONSIDERED UNEXCUSED.

C. Computation of the class participation/effort grade

1. Each person will start with 50 points for the attendance and participation/effort grade.
2. You are given one “free” unexcused absences for personal business.
3. After the second unexcused absence, every absence will result in 5 points being deducted from the attendance and participation/effort grade. **After the 3rd unexcused absence (4th unexcused include the 1 “free” unexcused absence), you will receive an automatic F for the course regardless of grades already earned in the course. You MUST participate in class to receive university credit for this course.**

4. If a student is 10 minutes late to class that student will be marked absent.

5. 5 points will be deducted for not dressing properly.

6. 10 points will be deducted for each occurrence of lack of effort, not listening, not following directions, or having a poor attitude. A “poor attitude” as used in this policy refers to an individual who constantly complains, is negative, or uses profanity.

**Students with Disabilities (Policy 6.1 and 6.6)**

**Academic Integrity (Policy 4.1)**

Academic integrity is a responsibility of all university faculty and students. Cheating includes but is not limited to: - using or attempting to use unauthorized on any class assignment or exam; - the falsification or invention of any information, including citations, on an assigned exercise; and/or - helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism include, but are not limited to; - submitting an assignment as if it were one’s own work when it is at least partly the work of another person; - submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or, - incorporating the words or ideas of an author into one’s paper without giving the author due credit.

Please read the complete policy at
Withheld Grades (Policy 5.5)

complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which the WH is assigned, or the grade automatically becomes an F. If students register for the same course in future terms, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Acceptable Student Behavior (Policy 10.4)
Classroom behavior should not interfere with the instructor's ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D34.1).
