I. Course Description:

Examination of educational practice in the middle grades (4th - 8th) including trends and issues unique to the middle grades as they relate to the Texas Code of Ethics. Emphasis on broadening understanding of foundational components, organizational patterns, instructional programs and management techniques.

“The Middle Level Learning Community” (2 credits) typically meets twice each week (Tuesday/Thursday) in 75 minute segments for 15 weeks. This version of the MLG 401 course contains content requiring students to engage independently in reading module information and researching additional information for assignments prior to class meetings. In addition to reading and researching course material, students are expected to complete weekly before class assignments over the course content to demonstrate knowledge of the content read. There are three major projects in the course: a shadow study, classroom management plan, and ideal middle level school project. For every credit hour the student should expect two hours of class preparation outside of weekly class meetings.

There is one critical assignment in this course that requires you to upload them into LiveText, our College of Education data management system: The Ideal Middle Level Design Project.

This course includes a course fee of $40.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the COE, the course evaluation process has been simplified and is completed electronically through MYSFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VIII. Student Ethics and Other Policy Information:

Class Attendance and Excused Absence: Policy 6.7

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

It is extremely important to be in class and on time. Two tardies (more than five minutes late) will equal one absence and 5 points will be deducted from the professionalism grade.
**Late Work**

Assignments are due as assigned. **Late work will not be accepted except with prior arrangements from the instructor.** All work must be completed to receive an A in the course.

**Students with Disabilities (policy 6.1 and 6.6))**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/).

**Academic Integrity (policy 4.1)**

Abiding by university policy on academic integrity is a responsibility of all university faculty and students.

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

- submitting an assignment as one's own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

**Penalties for Academic Dishonesty**

- Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university
- **Student Appeals**
  - A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades Semester Grades (Policy 6.5)**

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Acceptable Student Behavior (Policy 10.4)**

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. To complete Certification/Licensing Requirements in Texas related to public
education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical
teaching and prior to employment as an educator. The public school campuses
are responsible for completing the criminal background check. A person who is
enrolled or planning to enroll in a State Board for Educator Certification-approved
educator preparation program or planning to take a certification examination may
request a preliminary criminal history evaluation letter regarding the person’s
potential ineligibility for certification due to a conviction or deferred adjudication
for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding
evaluation of an individual’s self-reported criminal history. In addition, the
agency obtains your name-based Texas criminal history information. The service
is provided to the requestor for a non-refundable fee. The requestor will receive
an evaluation letter by email from agency staff advising of potential ineligibility for
educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator
certification, and
- You have reason to believe that you may be ineligible for educator
certification due to a conviction or deferred adjudication for a felony or
misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do
not have a conviction or deferred adjudication for a felony or misdemeanor
offense.

In addition, you must complete the fingerprinting process when you apply for
certification. Participation in the evaluation does not preclude you
from submitting to a national criminal history review at the time you apply for your
educator certification. Your criminal history will be reviewed and you may be
subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver's license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texas.ets.org/registrationBulletin/). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

IX. Other Relevant Course Information:

Professionalism:

Enthusiastic completion of the course activities is of utmost importance in demonstrating commitment to becoming a responsible teacher. Mastery and professional products reflect quality work and reflect on the work you will produce as a teacher. Attitude and confidentiality are essential in determining the teacher’s potential as a successful educator. Gossiping is a reflection of negativism, lack of maturity, and integrity. If problems occur, go to your university professor: you will find that others’ attitudes are easily influenced through negativity.

Cell phones should be turned off during class. Texting during class is not a professional behavior. Violations of this policy will result in a reduction of your professionalism grade (Conduct in class).
