Description of Course
Class instruction for beginning pianists. Aimed at non music majors. Content is focused on improving keyboard skills through reading music notation, playing chords, rhythmic awareness, and establishing music foundations of the fundamentals of music theory.

Semester Hour Justification
(1 credit) typically meets once each week in 50-minute segments for 15 weeks. This also meets for a 2-hour final examination. Students develop their musicianship and functional keyboard skills including transposition, harmonization, technique, and score reading through collaborative group practice and individual practice. Performance tests are given approximately once per week in class. Preparation and practice for performance tests require a minimum of 2 hours of work each week outside of classroom hours.

Students Learning Outcome
Students will demonstrate keyboard proficiency by reading and performing music in both the treble and bass staves, performing various rhythms, scales, and chords in order to play music for their own enjoyment.

Student Code of Conduct: Policy 10.4
Classroom behavior should not interfere with the instructor's ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom.

Phones and mobile devices should be turned off and put away. The only acceptable use of devices is to check grades and comments on D2L. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at [http://www.sfasu.edu/judicial/earlyalert.asp](http://www.sfasu.edu/judicial/earlyalert.asp) or call the office at 936-468-2703.

Attendance Policy:
Attendance to all classes is required.

3 unexcused absences will result in the final grade being lowered one letter.
4 unexcused absences will result in the final grade being lowered two letters.
5 unexcused absences will result in the final grade being lowered three letters.

The instructor will excuse absences at his or her discretion. Proper documentation such as a doctor's note will be required for requests to excuse an absence. All students are expected to arrive to class on time ready with their textbook. Repeated tardiness or coming to class without a textbook may be applied as absences and could lead to failure of the course. As a courtesy, always ask the instructor for permission to leave the classroom. The instructor will usually grant permission, but if it is a regular occurrence, then the instructor may count the time students are out of class as partial or full absences which can affect the final grade.

**Academic Integrity (A-9.1)**

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit.

Please read the complete policy at: [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp)

**Withheld Grades Semester Grades Policy (A-54)**

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Students with Disabilities**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to: [http://www.sfasu.edu/disabilityservices](http://www.sfasu.edu/disabilityservices)

**Course Evaluations**

Near the conclusion of each semester, students electronically evaluate courses taken at SFA. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the SFA faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical.
Practicing Piano

In order to be successful in piano class, students should practice on either an acoustic piano or a digital piano with weighted key action on a regular basis. Budgeting at least 30-minutes per day for four days out of the week for piano practice is recommended. All performance quizzes will be performed on a piano with weighted key action, so regular practice on a similar instrument is highly recommended. Practice rooms with pianos are located on the second floor and on the first floor (between band hall and choir room) of the Wright Music Building and are available on a first-come, first-served basis. Locked practice rooms with grand pianos are reserved for keyboard majors. The digital pianos in Room 259 of the Music Building are free to be practiced on when the lab is open, and there is no other class present in it. Please treat all pianos and headsets with care. If there is a problem with an instrument, report it to your instructor or the music office.

*Students who miss quizzes due to absence will be assigned a ZERO for that quiz. Students may only be allowed to take a makeup quiz at the instructor's discretion. If the instructor agrees to allow the student to make up a quiz, the student must make up the quiz within a reasonable timeframe after returning from the absence (usually within 1 week). Otherwise the zero grade will remain, and the student will not be allowed to make up the quiz later in the semester.
