Course Description:

Percussion studies at Stephen F. Austin State University are designed to develop the highest possible level of musicianship, performance and teaching proficiency within a total percussion curriculum. The junior and senior years (courses 319 and 329) will specifically focus on orchestral excerpts, four-mallet keyboards w/Burton grip (jazz studies including improvisation), continued/advanced study in any needed/requested areas, and preparation for solo recitals. The understanding and development of technical facilities, a cross-section of literature, sight-reading skills and ensemble applications are required skills on each instrument, in addition to regular performances in studio classes, clinics/masterclasses and juries. For music majors in music degree program. Placement audition required. Instruction in percussion. May be repeated for credit. May not be taken for audit.

Student Learning Outcomes:
1. Through lesson assignments, private practice, and studio class/jury performance, students will demonstrate the required technical facilities to meet the needs of artistic expression specific to the instruments studied including: orchestral percussion (snare drum, timpani and accessories), keyboards (two and four mallets), and drumset.
2. Through textbook, etude and solo study, students will be familiar with a thorough cross-section of pedagogical and solo literature in all areas of percussion.
3. Through literature study and performance, students will demonstrate the practical application of theory and aural skills on their performance instrument.
4. Through regular solo/ensemble rehearsal and performance, students will demonstrate a working ability to sight-read on all percussion instruments.
5. Through studio class, jury, barrier and recital performance, students will demonstrate the physical and mental skills needed to successfully perform in front of an audience.
6. Through studio class and discussion, students will demonstrate the ability to recognize, evaluate, and correct common percussion performance problems.
7. Through studio classes, website reviews, and guest artist visits, students will be aware of new and innovative techniques, literature, the percussion industry, professional artists in the field, and the Percussive Arts Society on a national and worldwide scale.
8. Through the senior recital (if applicable), students will demonstrate the ability to program, prepare for (including all logistics), and perform a solo percussion recital.
9. Through lesson and ensemble participation, students will demonstrate the proper care, maintenance, and logistical requirements (set-up, transportation) for all percussion instruments.
10. Through departmental convocations, students will be familiar with the other voices and instruments within the department, as well as the accomplishments of their peers.

11. Through performance assignments outside the regular curriculum (choir, orchestras, musicals/operas, and various community events), students will demonstrate how to adapt and perform in a variety of musical settings and venues.

**Text and Materials:**
The student is responsible for acquiring all implements, instruments, method books and solo material deemed necessary by the instructor. Photo-copying is illegal and should only be done when a certain item is out of print or as an interim means before ordered materials can be obtained. It is a good idea to budget $100 a semester for sticks, mallets, music and other items as needed.

**Course Calendar:**

MUP 119 “Applied Percussion” (2 credits) and MUP 129 “Applied Percussion” (3 credits) meet twice a week (Studio Class on Wednesday for 50-minutes and a private lesson time to be determined at the beginning of the semester for 50-minutes) is a 15-week class that also includes a 10-minute jury at the end of the semester. Lessons will consist of studying solo literature, technical exercises, scales, and standard repertoire covering one mallet instrument (marimba, vibraphone, xylophone, glockenspiel) and one drum instrument (timpani, snare drum, drumset, multi-percussion) throughout the semester.

MUP 119 students are expected to practice assigned materials individually that may include etudes, exercises, daily routines, ensemble music, and/or solos two hours daily, six days per week for a total of twelve hours of outside preparation each week for fifteen weeks. Students are also expected to attend or perform in required recitals, upper levels, and/or juries which is typically an additional five- to ten-hour time requirement during the fifteen-week semester.

MUP 129 students are expected to practice assigned materials individually that may include etudes, exercises, daily routines, ensemble music, and/or solos four hours daily, six days per week for a total of twenty-four hours of outside preparation each week for fifteen weeks. Students are also expected to attend or perform in required recitals, upper levels, and/or juries which is typically an additional five- to ten-hour time requirement during the fifteen-week semester.

The Studio Class Calendar and Semester Events Calendar can be found on the bulletin board outside of room m124.

The student is responsible for coordinating an agreeable make-up time with the instructor. Make-up lessons must be scheduled within the 3 days after the missed lesson.
- All students are required to play once during the semester in Studio Class.

Jury/Upper Level Barrier - 20%

- First Semester Jury: all Major and Natural Minor Scales (16th-notes @ 80 bpm, 2 octaves)
- Second Semester Jury: all Major, Natural Minor, Harmonic Minor, and Melodic Minor Scales (16th notes @ 80 bpm, 2 octaves)
- Jury/Upper Level Barrier expectations will be set approximately 6 weeks before the jury

**Academic Integrity (A-9.I)**
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Definition of Academic Dishonesty**
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained
from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Withheld Grades Semester Grades Policy (A-54)
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Students with Disabilities
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations.
