I. Course Description: This course will provide a foundational understanding, both theoretical and practical, of the essential elements of educational assessment with a focus on diverse populations. In particular, formative and summative assessment methods will receive a strong focus as well as numerous other assessment strategies for diverse learners including: placement, diagnostic, self and peer assessment, alternative, authentic, and portfolio assessment. Measurements, test construction, validity and reliability will also be course topics. The course will also address standardized testing and data disaggregation.

This course includes a critical assignment related to accountability and accreditation. The Assessment Analysis assignment will be submitted in the D2L Dropbox and to LiveText, the data management system of the College of Education.

*This course is part of a new pilot program starting in Fall 2018 called CREATE (Community Responsiveness and Engaged Teacher Advocacy in Teacher Education).

II. Intended Learning Outcomes/Goals/Objectives (Program/Student Learning Outcomes):

A complete listing of the standards associated with this course and the secondary education certification sequence is located on the Perkins College of Education (PCOE) website.

This course fulfills the following university and program learning outcomes:

University Core Values
In the College of Education at Stephen F. Austin State University, we value and are committed to the following core values, which are reflected in course assignments:

- Academic excellence through critical, reflective, and creative thinking
- Life-long learning
- Collaboration and shared decision-making
- Openness to new ideas, to culturally diverse people, and to innovation and change
- Integrity, responsibility, diligence, and ethical behavior, and
- Service that enriches the community.

Program Learning Outcomes:
• The candidate will develop and adapt content specific instruction based on the needs of diverse students in a global and digital society.
• The candidate will develop and adapt data-driven assessment based on the needs of diverse students in a global and digital society.
• The candidate will design an effective classroom management plan for diverse learner centered educational settings.
• The candidate will demonstrate critical pedagogical strategies and professional dispositions through analyses of contemporary issues in education.

**Candidate Learning Outcomes:**

1. The candidate will create an assessment portfolio that includes authentic, alternative and performance assessments. (TEKS Training)
2. The candidate will develop unit and lesson plans with appropriate relevant assessments. (TEKS Training)
3. The candidate will critically evaluate research and readings connected to assessments.

A complete listing of all the educator preparation standards this course meets and a list of the key assessments used for program accreditation purposes can be found [here](#).

**III. Course Assignments, Activities, Instructional Strategies, use of Technology** (due dates TBD):

**A. Class attendance and engagement (25%)**

Candidates will complete in-class engagement activities designed to document attendance, prompt class discussion, and demonstrate knowledge, understanding, and skill development throughout the semester. Professors will identify engagement activities throughout the semester. Failure to complete engagement activities may adversely impact Teacher Candidate’s final course grade (see **Attendance and Engagement** for details).

Each class period, each student will be given from 0-3 points for their class engagement.

- 3 = correct responses to questions/activities, demonstrated thorough understanding and preparation
- 2 = some correct responses, some demonstration of understanding and preparation
- 1 = incorrect responses, little demonstration of understanding and preparation
- 0 = did not attend

Candidates will submit a monthly check-in to the D2L Dropbox on Sept 30, Oct 30, and Nov 30.

- Sept 30: a max of 30 engagement points possible
- Oct 30: a max of 27 engagement points possible
- Nov 30: a max of 21 engagement points possible
- Dec 9: a max of 6 engagement points possible

84 total engagement points possible

Failure to turn in monthly check-in on time will result in a reduction of 10 points off the final class engagement grade for each check-in not submitted on time.

**Student’s engagement points / 84 engagement points possible = engagement grade**

**B. Assessment Assignments (65%)** (TEKS Training)

- Candidates will complete samples of assessment types studied in the class, personalized for your grade level and content area. Assessment types may include, but will not be limited to: authentic, performance, alternative, formative, summative, etc. Assessments will reflect culturally responsive
pedagogy, be appropriate for ELs, and be student-centered. When possible, these assessments will be based upon the Instructional Design Plan assessment completed in SED 371.

- Assessment Philosophy and Plan for Future Classroom.
- Assessment Analysis Project. Each candidate will analyze assessment(s) during their observations in local schools and write a reflective analysis. Details will be shared at the appropriate time. (TEKS Training)
- Analysis of a school’s Annual Report Card. Your analysis will consist of your overall impression of the district report card, including critique of the system and a more in-depth analysis of the campus for your field placement to include STAAR results (including disaggregated data).

C. ARD Meeting Attendance and Reflection (10%)
Candidates will attend an ARD meeting on their assigned campus and will submit a written reflection regarding what they experienced and learned. Candidates will be responsible for setting up this meeting, though I will facilitate introductions, etc.

ATTENDANCE AND ENGAGEMENT:

Due to the social constructivist nature of our course it is expected that all teacher candidates arrive on time, attend, remain for the entirety of the meeting, and fully engage in all class meetings and scheduled activities. Candidates will be allowed TWO absences per semester (known as “personal days”); advance notice of absence is expected, when possible. For every absence from a class meeting/required activity (after the first two), candidates will earn a full letter grade deduction from their final course grade. After two absences (not including your “personal day”), a program continuation meeting will be called between professors and the teacher candidate and failure of the course may be warranted.

Arriving 15 minutes after the start of class or leaving 15 minutes prior to the end of class will also constitute an absence.

Attendance will be verified through Engagement activities completed in class and points documented as the candidate’s Engagement Grade.

To keep up with course knowledge progress, make-up work for all absences may be expected and failure to complete it could result in grade penalties.

*This policy is subject to review and revision by professors due to extenuating circumstances/emergencies communicated to the professors by the teacher candidate; it is the responsibility of the teacher candidate to communicate extenuating circumstances/emergencies in a timely fashion. Final decisions regarding grades will be at the professional discretion of the professors.*

QUALITY OF ASSIGNMENTS:

High professional standards are expected of all assignments. In order to obtain the full credit for an assignment, candidates must demonstrate higher order thinking skills (analyze data by applying theoretical and conceptual tools discussed in the course; construct convincing arguments; integrate information from various sources; evaluate various theoretical perspectives; etc.).

All writing assignments must be typed using 12-point Times New Roman or Calibri font, double-spaced. Please proof read your papers before submitting. Points will be deducted for inappropriate format, style, grammar, and spelling errors.

Poorly written papers will be returned and resubmitted with appropriate corrections before credit is earned.
If you’re still reading this, use the D2L email tool to send me the name of your favorite TV show when you were a kid.

All work will be submitted via D2L to the course instructor.

ASSIGNMENT POLICY:

Candidates must complete and submit all assignments on time and come prepared to engage in all class discussions/activities. ALL assignments must be completed in order to earn an A in the course. There is a 24-hour grace period for late work acceptance with no grade deduction. Late work submitted after this period will be accepted at the instructors’ discretion based on the student’s pattern of performance on work/engagement throughout the semester; if accepted, a grade deduction may result. Please note, in-class engagement assignments cannot generally be made up. **It is the responsibility of the candidate to communicate to the instructors about extenuating circumstances/emergencies (preferably BEFORE assignment submission is due) to allow the professors an opportunity to consider if a makeup option/late work can be accepted.** Final decisions regarding grades will be at the professional discretion of the professors.

IV. Evaluation and Assessment (Grading):

Candidate grades will be determined by the following criteria:

To determine your grade, take the points earned and divide by the number of points possible. Letter grades for the course will be determined as follows: 90-100% = A, 80-89% = B, 70-79% = C, 60-69% = D, below 60% = F

Late Work

All assignments and drafts of assignments are due at 9:30 (class time) on the day assigned. You may submit the assignments in the Late Work folder up to 48 hours after the due date without penalty. After 48 hours, the work may/may not be accepted at my discretion. Late work will not receive feedback and will receive a reduction in grade.

Failure to submit required assignments into the LiveText system will result in a penalty assessed to the assignment grade.

Failure Clause: **You can immediately earn an F in this course due to the following reasons:**

- Falsifying documents and records pertaining to any aspect of this course, including field experience hours
- Your placement site asks for you to be removed
- You violate state or federal law
- You violate school and/or district policy
- You violate university policy
- Any other egregious acts of non-professional behavior
- You accumulate 5 absences in your mentor’s class

**Candidates must successfully complete the internship program of SED 450 and SED 450Lab, making a grade of “C” or higher in each course and fulfilling the 50-clock hour requirement as well. If they do not, they are required to re-take the Internship and are required to meet with the Department Chair and Secondary Program coordinator before they will be allowed to register again.

V. TENTATIVE COURSE CALENDAR (see course timeline and due dates in D2L):
<table>
<thead>
<tr>
<th>Date</th>

VI. Readings:

Required text for the course is:

- Readings as assigned via D2L

Research-based literature supporting the course content:
VII. Course Evaluations:

Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including:
1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes; and
3. Making decisions on faculty tenure, promotion, pay, and retention.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VIII. Student Ethics and Other Policy Information: Found at http://www.sfasu.edu/policies/

Class Attendance and Excused Absence: Policy 6.7

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the
accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/

**Student Academic Dishonesty: Policy 4.1**
Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

**Definition of Academic Dishonesty**
Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one's own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source;
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

**Penalties for Academic Dishonesty**
Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals**
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades: Policy 5.5**
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Student Code of Conduct: Policy 10.4**
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at http://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936-468-2703.

**Additional Information:**

**Code of Ethics for the Texas Educator:**
The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

Teacher Certification: To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:
- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense. In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texas.ets.org/registrationBulletin/ <http://www.texas.ets.org/registrationBulletin/>). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.
3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information concerning this matter, contact Katie Snyder Martin at 936-468-1740 or snyderke1@sfasu.edu.

LiveText

This course uses the LiveText data management system to collect critical assessments for students who are Perkins College of Education majors (undergraduate, graduate, and doctoral) or majors in other colleges seeking educator certification through the Perkins College of Education. Students who do not have an existing LiveText account will receive an access code via the SFA email system within the first week of class. You will be required to register your LiveText account, and you will be notified how to do this via email. If you forward your SFA e-mail to another account and do not receive an e-mail concerning LiveText registration, please be sure to check your junk mail folder and your spam filter for these e-mails.

If you have questions about obtaining or registering your LiveText account, call ext. 1267 or e-mail SFALiveText@sfasu.edu. Once LiveText is activated, if you have technical questions, call ext. 7050 or e-mail livetext@sfasu.edu. Failure to activate the account and/or submit the required assignment(s) within the LiveText system may result in course failure.
