Attendance Policy 100 points

- **Instructor/Student Meetings** (20 points): Two individual meetings with the instructor or the student instructor will be scheduled. The purpose of the meeting is to allow you to ask questions, get clarification on college processes, or just to develop a professional relationship. Your participation in these meetings will count as 10 points per meeting.
- **Outside Events (30 points)**: You will be required to attend two (2) outside events provided by SFA. You must provide sufficient documentation of the event. Attendance at each of these events will be valued at 15 points each.
- **Class attendance (50 points)**: Class attendance is mandatory and will be recorded during each class meeting. Therefore, please plan to attend all sessions. For every absence you incur, a deduction of 2 points will be taken from your final grade.

Assignments 100 points

Several times during the semester you will be given an assignment to be completed using BRIGHTSPACE or to be turned in at the beginning of class. **NO LATE WORK WILL BE ACCEPTED.** These assignments are intended to provide you with an opportunity to reflect on and benefit from what is happening in college.

Writing for Reflection 100 points

You will be assigned four writing for reflection assignments, each valued at 25 points. These assignments may range from journaling, structured papers, or online discussions. Formatting for these assignments will be provided to you in class and accessible in BRIGHTSPACE.
Group Presentation: 50 points

You will be assigned a group project on the first day of class. The project will be a group presentation on Evidence Based Practice.

Topics:
- Infection Control
- Vaccination
- Health Care
- Nursing Shortage
- Palliative Care for Cancer Patients

Exam 100 points

There will be one exam given during the semester. It will include true/false, matching, multiple choice, fill in blank and essay items. The exam will be based on material from assigned readings and class discussions. In addition to testing you on course material, this exam will indicate how you perform with different types of test questions and allow your instructor to make suggestions to improve your test taking skills in other classes. There is no final exam.

VI. Class Rules

Following these rules will help maximize the SFA 101 experience for you and your classmates.
- Attend every class.
- Read the assigned material and submit all required work on the day it is due. **No late work is accepted.**
- Participate in individual and group activities and discussions.
- Treat everyone in the class with respect and courtesy.
- All students are expected to demonstrate professional behavior and use language appropriate for the classroom learning experience.
- Cell phones and other electronic devices should be turned off and put away during class time.

When students have personal technology available in the classroom, it should be used appropriately. Using devices for interacting on social media sites is not an appropriate in-class use of technology. Sending or receiving texts, instant messages, or making/receiving phone calls can cause distractions to the instructor and to fellow students. Cell phones, computers, and other electronic devices in the classroom are to be used for class purposes only.

VII. Communication

Please check your SFA email account regularly as this is the official email for SFA. BRIGHTSPACE will be the official tool used in your SFA 101 class for
communicating the important reminders, announcements, and further assignment directions.

VIII. Course Complaints

Any college course complaints or problems should first be discussed with the course instructor for the particular course. Difficulties can usually be resolved there. If the complaint cannot be resolved, the next person to see is the appropriate department chairperson. For SFA 101, the chairperson is Dr. Brittany Fish (Steen Library, Room 203; 936-468-5803).

IX. General Student Policies

The following policies apply to all students enrolled in courses at Stephen F. Austin State University.

1. Student Academic Dishonesty (4.1)
   Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

2. Definition of Academic Dishonesty
   Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit. Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

3. Course Grades (5.5)
   Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
4. **Academic Accommodation for Students with Disabilities (6.1)**
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/)

5. **Student Code of Conduct (10.4)**
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy 10.4). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.
