**Grading Policy:** Students are graded on an A-F basis.

Students are graded by the Faculty and Staff based on professionalism and satisfaction of job performance. Some assignments require feedback from upper level student supervisors. This assessment includes attitude, attendance, promptness, proper dress code awareness, preparedness for duties, and satisfaction of hours completed.

**According to School of Theatre Policy:**

*Students who do not successfully complete their Production Lab in any given semester are ineligible to participate in the production program the succeeding semester or enroll in Theatre classes other than Production Lab.*

**Attendance Policy:**

A grade of **F** will be applied to unexcused absences above 4 in a shop assignment or ANY unexcused absence in a show assignment.

All absences are unexcused until documentation is received and approved by the Faculty supervisor. Documentation must be presented at the next lab meeting that the student attends. Excused absences must be made up or scheduled by arrangement with the shop supervisor within the week of return; otherwise, they will count towards the allowed 4 absences. Unexcused absences may not be made up.

**Appropriate Lab Dress:** Bare feet or open toed (or heeled) shoes are **NEVER** allowed in the theatre work areas. Some of the labs may require climbing. Skirts and dresses should generally be avoided during the lab periods. Non-skid shoes should also be worn. Long hair should be tied up and dangling jewelry should not be worn.

**Academic Integrity (A-9.1)**

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the complete policy at [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp)
Withheld Grades Semester Grades Policy (A-54)
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
