III. Course Assignments, Activities, Instructional Strategies, use of Technology:

Description of Assignments

Detailed descriptions of and additional guidance for all assignments will be made available in d2L and discussed by the professor upon their release: students are responsible for keeping up with d2L posted descriptions/changes to any and all assignments.

All assignments are expected to be submitted by the d2l deadline (there will be a 24-hour grace period for MOST deadlines; after that time, work received will earn "0" points; however, it is in your best interest to still complete the work as all work must be completed to earn an "A" as a final course grade). All assignments will be graded on a 100-pt scale and be worth the designated percentage of your total course grade.

- **Weekly Reaction and Response Works (50%)**

You are expected to submit weekly reaction and response works about ALL weekly resources to D2L discussion board (and dropbox, when indicated). Each reaction and response work will be grade on a 100-pt scale and collectively contribute to 50% of your total course grade. The typical requirements for reaction and response works are detailed in d2l. For consistency and to speed up grading time, USE THE PROFESSOR-PROVIDED TEMPLATE to craft your reaction statement (see d2l).

When responding to group members, please keep in mind that we will NOT attack each other or shame each other for any thoughts shared. If, at any time, you would like to "step out of the class" due to a sensitive topic/conversation ... please do so. Do NOT engage in arguments or get angry at peers who do not "see it your way." This class is more about YOUR journey, rather than making others walk the same path as you. You do not have to "convince" anyone else. We are not psychologists, counselors, etc. do not attempt to diagnose each other. I will monitor the DBs as best I can, but if you are concerned for a peer or yourself, please reach out to me, and I can contact the appropriate experts to help you/us work through any issues.

---

1. "Community Guidelines" for respectful discussion will be covered in Week 1 of the course.

**Note:** You are expected to complete the My Cultural Awareness Profile in LiveText for this class. Please complete within the first three weeks of this course.

**VII. Course Evaluations:**

Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning, and accreditation; 2. Instruction evaluation purposes; and 3. Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. **Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.**

**VIII. Student Ethics and Other Policy Information:** Found at [http://www.sfasu.edu/policies/](http://www.sfasu.edu/policies/)

**Class Attendance and Excused Absence: Policy 6.7**
Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-
sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

**Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

**Academic Integrity: Policy 4.1**

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university polity on penalties for cheating and plagiarism. Any infringement of Academic Integrity may result in a grade of “F” in this course.

Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Please read the complete policy at [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp)

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one's own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

**Penalties for Academic Dishonesty**

Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals**

A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).
Withheld Grades: Policy 5.5

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Acceptable Student Behavior: Policy 10.4

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at https://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936-468-2703.

Dear SFA Community,

The recent announcement about the Deferred Action for Childhood Arrivals (DACA) impacts the SFA community. The change this new approach creates can dramatically impact the lives of young people who were brought to the U.S. as children. Some of these young people affected are Lumberjacks. Each one of them is valued. Each one of them contributes to the SFA experience.

We recognize that though we are very different from one another, we are united by the Lumberjack Spirit. When we espouse the root principles of The SFA Way, we pledge our commitment to Respect, Caring, Responsibility, Unity and Integrity. Now is a time to reinforce our commitment to these principles for every student, from every background and experience, who made SFA their university of choice. It is through their commitment to the transformative experiences we offer that we all benefit.

Like other university presidents from across the nation, I hope that Congress swiftly passes bipartisan legislation that will provide a permanent solution for this issue. Our students who are affected by the DACA changes need a clearly defined and understandable pathway that allows them to continue to live, work, study and achieve citizenship in the only nation many of them have ever known as home.

Sincerely,

Baker Patillo
President

For students with parenting responsibilities...

Currently, the university does not have a formal policy on children in the classroom. While I maintain the same high expectations for all students in my classes regardless of parenting status, as a parent, I understand the demands of parenting. Therefore, I am happy to problem-solve with you about time management, course work, or course assignments in a way that makes you feel supported as you strive for school-parenting balance.

For students in need of mental health services...

The profession of teaching is a complex, service-oriented endeavor that requires one to maintain physical and mental health. If you find yourself experiencing issues related to mental health, SFASU offers FREE counseling service to all students.

"In keeping with our philosophy of promoting positive mental health and safety, Counseling Services assists SFA students in overcoming obstacles to their personal and academic goals. We accomplish this through individual and group counseling for students and through outreach, presentations, training and consultation for the campus community."
