Acceptable Student Behavior
Classroom behavior should not interfere with the instructor's ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/ inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed. Phones and mobile devices should be turned off and put away. The only acceptable use of devices is to check grades and comments on D2L.

Attendance Policy:
Attendance to all classes is required.

4 unexcused absences will result in the final grade being lowered one letter.
6 unexcused absences will result in the final grade being lowered two letters.
8 unexcused absences will result in the final grade being lowered three letters.

The instructor will excuse absences at his or her discretion. Proper documentation such as a doctor's note will be required for requests to excuse an absence. All students are expected to arrive to class on time ready with their textbook. Repeated tardiness or coming to class without a textbook may be applied as absences and could lead to failure of the course. As a courtesy, always ask the instructor for permission to leave the classroom. The instructor will usually grant permission, but if it is a regular occurrence, then the instructor may count the time students are out of class as partial or full absences which can affect the final grade.
Academic Integrity (A-9.1)

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Definition of Academic Dishonesty

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the complete policy at: http://www.sfasu.edu/policies/academic_integrity.asp

Withheld Grades Semester Grades Policy (A-54)

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Students with Disabilities

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. If the instructor agrees to allow the student to make up a quiz, the student must make up the quiz within a reasonable timeframe after returning from the absence (usually within 1 week). Otherwise the zero grade will remain and the student will not be allowed to make up the quiz later in the semester.*
