STUDENT LEARNING OUTCOMES:
The String Methods course (MUP 307.002) at Stephen F. Austin State University is an essential part of the requirements for music education. The goals and objectives of the course are:

1. To gather knowledge, concepts and ideas regarding the teaching of all the instruments in the string family.
2. To gain a working knowledge and practice regarding the performance of each instrument. This includes the understanding and performance of scales and beginning-level solos.
3. To provide all members of the class, especially those majoring in music education or music performance, a firm foundation in the planning and instruction of a beginning strings class (homogeneous or heterogeneous) in the public schools.
4. To provide quality musical experiences to every member of the class on a regular basis.

ACADEMIC INTEGRITY (A-9.1)
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit. Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

WITHHELD GRADES
Semester Grades Policy (A-54)
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

STUDENTS WITH DISABILITIES
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.
ACCEPTABLE STUDENT BEHAVIOR

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert System. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.

As your instructor for MUS 140, I expect you to conduct yourselves as adults and to demonstrate respect for your classmates and for your instructor at all times. Therefore, the following behaviors will not be tolerated in class. If you participate in these behaviors you may be asked to leave class, and points may be deducted from your final course grade!

**Cellular Telephones (READ THIS TWICE, PLEASE):** There are NO cell phones permitted to be within your reach or within your sight and/or within sight of your instructor during this class. This class requires your engagement, and all use of cell phones serves detract from that engagement. Additionally, your phone should be not only put away in your bag, but set on “silent” (NOTE: vibrate is NOT silent). If your phone is out and/or in sight of your instructor or of other students, you will be asked to put it away, and you will lose 2 points off of your FINAL course grade. Should your phone ring/vibrate during class, you will consider yourself dismissed for the day. You are to silence it immediately, and quietly leave the class session. You will be counted absent for the session. Failure to adhere to this policy will result in more stringent disciplinary action.

This policy may be lifted on specific occasions at the discretion of the instructor in order to engage cellular phones in the active learning process. You will be informed if this takes place. Otherwise, the policy remains in effect.

**Laptops and Tablet computers:** Electronic devices, while useful, also have the potential to distract you from your engagement in class. If you choose to use any electronic device to take course notes, you will be subject to observation. If, at any point, you are found to be working on any application or project other than your course notes, or your device causes a noise distraction during class, you will be dismissed and counted absent for the class session. If your instructor determines that you are too distracted by your electronic device, you may be asked not to bring it to class, and to take paper notes instead. If you use a laptop computer to take notes, please assure that your typing and clicking will not disturb those seated around you.

- **Inattentive behaviors:** Talking and whispering during class will not be tolerated. If you are asked more than once to stop talking or whispering during class you may be asked to leave class and you will be counted absent for the class session. Sleeping during class is unacceptable and will be treated as absence. I will count any student sleeping as absent on course records. If you sleep during class you will not be allowed to take a quiz if one is offered. I expect you to remain in class for the entire fifty-minute period, leaving only in the event of an emergency. I expect you to attend to personal needs, such as buying food, speaking with professors, getting drinks of water, or utilizing restroom facilities, either before or after class so that you do not have reason to arrive late or leave
during class. Leaving class or entering late disrupts the learning process. Eating and drinking during class is disturbing to others and should be avoided. These ground rules are designed to provide an atmosphere conducive to active learning.

- If a disruptive student is asked to leave class, an unexcused absence will be applied to that student and the student will be reported to the Early Alert SSC system.
- If a disruptive student is asked to leave the class a second time, he or she will be reported to the Early Alert SSC system and the final grade in the course will be dropped a letter.
- If a disruptive student is asked to leave the class a third time, he or she will be reported to the Early Alert SSC system and the final grade will be dropped two letters.

Additional work for improving a grade will NOT be allowed in this course. All supporting efforts for achieving extra points are already integrated in the course work. Course Grades are FINAL. No negotiations will be made once Final Grades are posted!

Due times are important. Please follow them! I have no moral obligations to extend deadlines because a student failed to comply with what is expected in the class!

I reserve the rights to make minor adjustments to the syllabus if necessary. If that happens you will be notified by an announcement on D2L.

I sincerely hope that you enjoy this class. The world of music is fascinating – the world that we all live in is music.
