II. CURRICULUM DESCRIPTION

The BSW program at SFASU features generalist social work practice, defined as follows:

Generalist practice is grounded in the liberal arts and the person-in-environment framework. To promote human and social well-being, generalist practitioners use a range of prevention and intervention methods in their practice with diverse individuals, families, groups, organizations, and communities based on scientific inquiry and best practices. The generalist practitioner identifies with the social work profession and applies ethical principles and critical thinking in practice at the micro, mezzo, and macro levels. Generalist practitioners engage diversity in their practice and advocate for human rights and social and economic justice. They recognize, support, and build on the strengths and resiliency of all human beings. They engage in research-informed practice and are proactive in responding to the impact of context on professional practice.

Briefly, generalist social work practice:

- Is multi-level to include individuals, families, groups, organizations, and communities
- Is multi-theory, allowing for the free selection of theories as appropriate
- Utilizes a problem identification and solving focus that follows a problem-solving framework
- Utilizes multiple interventions at multiple levels, as appropriate
- Addresses the complexity of individual, family, group, organizational, and community system interactions

VIII. COURSE REQUIREMENTS

A. Class Attendance and Participation: It is essential for students to read assigned material before coming to class, to attend class regularly, and to participate in class discussion. Students are responsible for all material covered in class and assigned in the syllabus, whether or not they have attended class.

B. Cell Phones/Pagers/Electronic Devices: Such devices are disruptive to the classroom environment and students are expected to refrain from using them during class. All such devices are to be placed on silent mode or turned off during class. Repeated interruptions may result in a deduction of points from the final average. No electronic devices or headphones are to be within view during exams.

C. Readings: Each week contains required readings from the text. Journal articles may be used to supplement the course content and these articles will be posted on D2L by the instructor. You can utilize these articles for home study, exam preparation, or research. You will be responsible for all assigned readings at test time whether they have been reviewed in class. Other readings may also be utilized to facilitate coverage of the many issues to be discussed in this course.

D. Exams: Three (3) major application exams will be given during the semester. All material provided on the topics, including all assigned readings, discussions, lectures, discussion questions/responses, and guest presentations are subject to examination. The exams will consist of a combination of matching, multiple choice, true/false, and essay questions.

E. The student is expected to take all exams at the scheduled time. Permission to miss any exam will be based on the policy for excused absences as stated in the SFASU General Bulletin (available online at www.sfasu.edu/bulletin). Missing an exam without either prior permission or an excused absence will result in a grade of "0" on that exam. The instructor will schedule make-up exams.

F. Quizzes: A total of three (3) quizzes will be given during the semester. The quizzes may evaluate general comprehension of the course material (assigned readings and/or previous lecture topics), or they may be based on active participation in a classroom activity or attendance. The quizzes will be unannounced and may occur at any time during the class period. Missing a quiz due to an unexcused absence will result in a grade of “0” on that quiz. Make-up quizzes will be given for an excused absence as defined by the SFASU General Bulletin and will be scheduled by the instructor.

G. Assignments: The student is responsible for completing assignments in accordance with the specific guidelines identified in the assignment description in the syllabus. The assigned research paper about a social issue topic must be typed using a word processor in 12 pt. font with double spacing and standard margins. All assignments are to be in APA format per the Publication Manual of the American Psychological
Association (6th Ed). Failure to meet these guidelines will result in a loss of points.

Late assignments will result in 10% of the total possible points being deducted from the total points earned for each day the assignment is late, with 10% being deducted immediately following the class period during which the assignment is due. The only exception is an excused absence as defined by the SFASU General Bulletin.

GRADING:

COURSE GRADES will be based on the following:

Competency exams 2 @ 30 points = 60
Final exam 1 @ 60 points = 60
Three pop quizzes 3 @ 10 points = 30
Five current events 5 @ 10 points = 50
Paper 1 @ 80 points = 80

IX. Academic Integrity (SFASU Policy A-9.1)

Honesty and representing one’s knowledge and abilities appropriately are important ethical principles of the social work profession. All violations of the Academic Integrity Policy will be addressed in accordance with SFASU Policy A-9.1 (SFASU Policy A-9.1 can be found at the web address below). All incidents will result in a grade of “0”. Given the limited number of graded assignments in this course, a “0” could have serious consequences for the student’s academic standing.

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism. **Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp**

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the complete policy at [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp)

**Withheld Grades Semester Grades Policy (SFA Policy 5.5)**

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms, the WH will automatically become an F and will be counted as a repeated course for computing the grade point average.

Please read the complete policy on Course Grades: [http://www.sfasu.edu/policies/5.5_course-grades.pdf](http://www.sfasu.edu/policies/5.5_course-grades.pdf)

**Acceptable Student Behavior**

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate or inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.

Please see the following link for the complete policy: [http://www.sfasu.edu/policies/student-code-of-conduct_10.4.pdf](http://www.sfasu.edu/policies/student-code-of-conduct_10.4.pdf)

**X. STUDENTS WITH SPECIAL LEARNING NEEDS AND DISABILITIES**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services
Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/policies/academic-accomodation-for-students-with-disabilities.pdf
