Objective: Participate in a GIS Internship with the Nacogdoches County Addressing Department to improve student’s knowledge of mapping and addressing techniques and processes.

Assignment: Perform duties as a GIS technician for the Nacogdoches County Addressing Department during Summer II 2019 for approximately 20 – 30 hours per week. Student will be assigned to update the Nacogdoches County computer aided GIS database.

At the end of the Internship the student will present a final report detailing his accomplishments and what he learned during Summer II.

Grading: Your grade will be based on an analysis of your ability to meet the following:

- Completion of the assigned report by the end of Summer II
