**Additional Information:**

1. You will be given enough time at the end of each class to clean the area in which you have worked to leave the area ready for the next class.

2. Projects will be critiqued at the beginning of the assigned class.

3. This syllabus represents my current plans and objectives. As we go through the semester, those plans may need to change to enhance the class learning opportunity. Such changes, communicated clearly, are not unusual and should be expected.

**Attendance:** Attendance in a studio class is vital since a good deal of learning takes place in class involving concepts, skills and interaction with other students. In this unprecedented situation attendance will not be mandatory, the class will be divided in two groups making sure we have the proper space for social distancing. Half the class will attend class on Tuesday, and the other half will attend on Thursday. You will have assignments in both circumstances.

**Masks:** (cloth face coverings) must be worn over the nose and mouth at all times in this class and appropriate physical distancing must be observed. Students not wearing a mask and/or not observing appropriate physical distancing will be asked to leave the class. All incidents of not wearing a mask and/or not observing appropriate physical distancing will be reported to the Office of Student Rights and Responsibilities. Students who are reported for multiple infractions of not wearing a mask and/or not observing appropriate physical distancing may be subject to disciplinary actions. No eating or drinking allowed in the classroom.

*If a student is feeling Covid-19 or flu symptoms or have been in close proximity to a Covid-19 positive case, please do **not** attend class. Contact the SFA Health Clinic at 936.468.4008 or **healthservices@sfasu.edu** or your doctor to coordinate a Covid-19 test. Fill out a report on mysfa to report your Covid-19 test. If you are quarantined, you can still work in the online component, so make sure to sign in and maintain contact with me so that I can continue to help you complete your work. If you are missing class for a reason that requires an excuse, please contact the Office of Student Rights and Responsibilities.

**Academic Integrity (A-9.1)**
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to: (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are: (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit. A full description of university procedures and penalties in response to cheating and plagiarism can be found in the on-line Student Handbook in the Academic Integrity section.

Withheld Grades Semester Grades Policy (A-54)

At the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Students with Disabilities:

Accommodation of Disabilities: Rights and Responsibilities of Students:
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services, Human Services Building, Room 325, 468-3004 as early as possible in the semester. Once your information is verified, ODS will notify me and outline the accommodations.

If you are pregnant or have any disability, consult a doctor before taking this class. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.
