Masks (cloth face coverings) must be worn over the nose and mouth at all times in this class and appropriate physical distancing must be observed. Students not wearing a mask and/or not observing appropriate physical distancing will be asked to leave the class. All incidents of not wearing a mask and/or not observing appropriate physical distancing will be reported to the Office of Student Rights and Responsibilities. Students who are reported for multiple infractions of not wearing a mask and/or not observing appropriate physical distancing may be subject to disciplinary actions.

Social Distancing measures should be taken at all times during class. Please avoid close proximity to others and maintain the CDC-recommended 6-feet distance from others. The drawing studios are equipped with sinks for washing hands. Please wash hands upon entering the studio at the beginning of face-to-face class meetings and after each break. No food or eating is permitted in the studio. Water is permitted only in a personal and contained bottle with a lid. Art materials should not be shared. Please bring your own materials to each class. Materials distributed to the class should be brought to class when necessary for work on projects.

Explanation of Hybrid Course Format

This hybrid course will primarily be delivered in a livestream format (Zoom) with occasional face-to-face meetings. Students are expected to be ‘present’ during all course meeting times. If students are unable to attend, or choose not to attend face-to-face meetings, they must attend the livestream class session via Zoom. Online meetings will involve Zoom meetings, livestreamed demos and explanations, online discussion groups, etc. These online components will occur during the scheduled meeting times for this course. Participation is expected during the class times listed for this course, even if you are attending the class via livestream. In the event that the university reverts to an all-online format, students
will be expected to continue being ‘present’ during all online meetings, which will continue to occur during the scheduled meeting times.

Course Description
Drawing I is an introduction to the expression of visual form through observational drawing. Artists will learn and practice fundamental approaches to drawing, while beginning to study and understand visual elements and principles. This course will primarily explore the skills necessary to depict realistic, observational imagery. Through the practice of technical drawing skills, artists will begin to explore Form and Content -- adding conceptual meaning to the work using art historical and contemporary strategies.

Course Objectives
- Artists will observe forms within space, creating believable depictions of objects, spaces, and scenes they observe, using a variety of drawing media and methods.
- Artists will gain an understanding of the use of drawing materials, developing strategies to convey meaning through the use of those materials and attention to mark-making.
- Artists will strengthen perceptual skills and organizational principles through the act of drawing and apply relevant vocabulary to critically evaluate artwork.
- Students will begin to consider and understand the role of drawing within history and contemporary art.

Course Materials and Studio Fees
Basic drawing materials will be provided, using the course fees already applied to this course. You are responsible for replacing lost and used materials when necessary. This list includes some of the materials which will be provided

- Vine Charcoal
- Graphite pencils: HB, 2B, 6B
- Charcoal pencil
- White block eraser
- Gray kneaded eraser
- Compressed charcoal
- Drawing Paper
- Newsprint

*Other recommended materials include: chamois cloth, conte crayon, sharpie, more variety of graphite/charcoal pencils. As the semester progresses, I will let you know if additional materials will be required.

Sketchbook
A sketchbook is recommended for this course. Having a sketchbook will help to encourage more practice of drawing techniques from the class sessions. Also, it can be a good place to keep notes, comments and ideas from classroom discussion.

Text and Readings:
No textbook is required for this class. I will share occasional readings with you, in the form of handouts or web links. You will be expected to read these articles and participate in discussion and/or write responses. You are expected to check D2L frequently for class updates and further course resources.

Projects:
There will be 5 projects for this course. Each project will be 20% of the final grade.

Grading Rubric for Projects
Each project in this course will be graded on the same 4 categories. Each category will be given a letter grade. Those letter grades will average to comprise the project grade.
The 4 categories are:
1) The project displays artistic intent, is complete, and is fully resolved within project parameters
2) The project demonstrates an understanding of visual elements and principles of drawing and design (including but not limited to: composition, balance, value/contrast, mark-making, shape, form)
3) The project effectively conveys accurate scale and proportion
4) The project displays craftsmanship, strong overall presentation and command of drawing materials

Explanation of Grading Criteria:
A Excellent: Displays a strong grasp of the process, concepts and materials that far exceeds normal expectations. Deep understanding of elements and principles of drawing and two-dimensional design conveyed in the work. Drawings convey a solid framework through gesture in the initial stages and of in-depth development in their progression. Handling of materials, rendering of form and approach to composition are mature and convey insight and invention. Self-motivated, disciplined and committed to practice. Comes to class prepared at all times. Work is always on time. Very active in critiques and discussions.

B Above Average: Displays a good grasp of the process, concepts and materials that exceeds normal expectations. Solid understanding of elements and principles of drawing and two-dimensional design conveyed in the work. Drawings convey a relatively solid framework through gesture in the initial stages and of good development in their progression. Handling of materials, rendering of form and approach to composition are mature and convey some insight and invention. Mostly self-motivated, disciplined and committed to practice. Comes to class all of the time. Work is on time. Active in critiques and discussions.
C  Average: Displays an average understanding of the process concepts and materials that meets normal expectations. Some demonstrated understanding of elements and principles of drawing and two-dimensional design. Drawings convey little framework with underdeveloped gesture in the initial stages and development in their progression lacks closure. Handling of materials, rendering of form and approach to composition lack maturity, but convey some insight or invention. Some self-motivation, discipline and commitment to practice, but relies on outside stimulus for guidance. Comes to class prepared and work is on time. Somewhat active in critiques and discussions.

D  Below Average: Lacks an understanding of or engagement with the process, concepts and materials that falls below normal expectations. Little demonstrated understanding of elements and principles of drawing and two-dimensional design. Drawings lack framework and gesture is generally underdeveloped in the initial stages; drawings feel incomplete. Handling of materials, rendering of form and approach to composition lack maturity and convey little insight and invention. Lacks self-motivation, discipline and commitment to practice. Comes to class prepared most of the time. Work is mostly on time, but lacks in-depth investigation. Not engaged with or active in critiques and discussions.

F  Failure to turn in projects, excessive absences, not engaged with or active in critiques and discussions.

Class Attendance:
Attendance is required for this class.
4 absences will result in a 1 full letter grade deduction on your Final Grade
5 absences will result in a 2 full letter grade deduction on your Final Grade
6+ absences will result in an F for this course

Please arrive on time and stay until dismissed. If either become an issue, one email notification will be given, followed by an absence, if it continues.

Devices/Cell Phones
Studio time in this course is meant for focus and drawing practice. Cell phones and other devices are often a major distraction to the process of art making (unless specifically being used in the process). Please refrain from using these devices during the working sessions of this studio class.

Studio Expectations
Participation in discussion and classroom activities is expected. Artists will clean their work area and put away studio furniture so that the room is left in an orderly fashion for the next classes.
Academic Integrity (A-9.1)
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit.

Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Withheld Grades Semester Grades Policy (A-54)
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the coursework because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Students with Disabilities
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

Student Code of Conduct: Policy 10.4
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the
classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at https://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936-468-2703.
