Course assessments are movement combinations to be practiced, memorized, and performed during summative assessment periods. Students are expected to practice combinations between class sessions. Readings, Vocabulary & terminology, and critical analysis papers also require additional study of the required and recommended texts. Students are also tested on the material given in class, and throughout the texts. This equates to 2 hours per week outside of class per credit hour.

For additional information on meaningful and measurable learning outcomes, see the assessment resource page http://www.sfasu.edu/assessment/index.asp.

III. Course Assignments, Activities, Instructional Strategies, and use of Technology:

The student will be required to participate in a complete warm up that adheres to each technique that will be taught for the duration of the semester. Students must wear a face mask that covers the nose and mouth. If a student does not own a face mask, one will be provided. Upon learning the techniques of Graham, Limon, Humphrey, and Cunningham, the student will be asked to present learned material in the center of the floor and movement that locomotes across the floor. The student will be given activities that include partner work to better understand the dancer body, phrases of movement in which the student will learn modern movement through repetition, and activities that incorporate the knowledge of meter and time for musicality purposes. The student is not required, but encouraged, to use technology in the attempt to learn the four different modern techniques listed to better understand and appreciate modern dance as an art form. Some use of video may be presented in class to help the student better visualize the techniques being taught. The student will also be responsible to

Attend/Participate in the Danceworks Concert, November 12-14. This is mandatory, not optional. Please make arrangements with employers, evening classes and University activities well in advance.

Injury/Accident Statement:

This course contains physical activity which may consist of but not limited to running, jumping, lifting, throwing, leaping, striking, etc. Participation in these activities comes with inherent risks of injury. Possible injuries include, but are not limited to heat stroke, strains, sprains, scrapes, bruises, and fractures. By registering and participating in this course, students are aware of the possible injuries that may occur and acknowledge that they participate at their own risk. The university is not responsible for any medical costs associated with any injury students may sustain; therefore, students are strongly recommended to procure personal health and accident insurance to cover any medical costs. Students are encouraged to notify the instructor of any relevant prior medical history regarding injuries, surgeries, medications, or other considerations which may affect or impair participation in this course. If necessary, students will provide, upon request, a physician’s statement clearing them to participate in this course.
Procedures to be Followed for Injury or Accident of an SFA Student:

1. Administer appropriate first aid.
2. For a major medical emergency, a phone call should be placed to the University Police Department (UPD) (911). UPD will report to the scene of a medical emergency, assist with first aid, and contact an ambulance service.
3. Students may choose to report directly to the Student Health Services for minor first aid needs or routine medical services.
4. If assistance is needed in transporting the injured student, call the UPD non-emergency phone number at 936-468-2608.
5. The instructor should complete an accident report which can be obtained from the department office.

IV. Evaluation and Assessments (Grading):

Participation:

Active and committed participation throughout each class is expected. **Students are expected to practice combinations between class sessions. This equates to 2 hours per week outside of class per credit hour.** Each student’s active participation, including both effort and improvement will be assessed based on their individual levels. Dancers with less experience will not be compared with those who have more experience.

Dance is an art form that must be practiced daily for mastery. Students are expected to fully participate in each class. It is recommended that any student who is ill should attempt to attend class unless they are contagious or confined to a bed. **Face masks and gloves should be worn at all times.** Any student who opts to observe and not participate will receive partial credit for that class. Class observation gives students a good learning opportunity to listen to explanations and corrections the instructor has given out. **Lack of participation for any sustained period of time due to illness, injury, or University sponsored events may result in needing to drop the course entirely. Daily participation means committing to the class and is worth a considerable amount of the student’s final grade. The student will not receive participation points if they are not in attendance.**

**Grading Percentages:**

- Attendance 15%
- Daily Participation 15%
- Skills Tests 20%
- Midterm 25%
- Final 25%

**Grading Scale:**

- 100-90 = A
- 89-80 = B
- 79-70 = C
- 69-60 = D
- 59 or lower = F
Daily Participation Grading:

For each class, the student has the opportunity to earn a total of 10 points by being on time, wearing the proper attire, showing a positive attitude, and giving 100% effort. Students will lose points for being late, or leaving early, not wearing proper dance attire, slacking off, having a bad attitude, or being rude or disrespectful. As stated before, a student who observes class will only earn partial points. **Points cannot be earned if the student is not in attendance.**

Skills Tests:

Periodically throughout the semester, the student is required to perform skills tests. These tests usually consist of short combinations that the class has learned during the semester. Students will perform in small groups for their skills tests. These tests are electronically recorded and are available to the student, for viewing. The students will be graded on factors, which include alignment, technique, stability, mobility, musicality, memory, coordination, and style. If a skills test is missed, the student **CANNOT** make it up, unless the absence was previously excused.

Midterm and Final Exam:

The midterm will be conducted in a way that resembles a skills test. The midterm exam will consist of materials and dance mechanics that the student has learned up to the mid-semester point. **The final exam will be composed of all elements that have been learned during the semester and will be performed for a final grade.** These two exams will be electronically recorded and assessed. If the midterm or final is missed, the student **CANNOT** make it up!

**Concert:** Attend an approved Dance Concert and write a 400-word critique. Critiques are due one week after you see the performance. Be sure to include a picture of the program and ticket stub within the file you submit on D2L. **Rubric will be given online. Critiques will be submitted through D2L in either Word or PDF format ONLY.**

Make-Up Policy:

Written assignments will be accepted late, however 1 letter grade will be deducted for each day the assignment is late. If the student is in good standing with the course, the instructor may allow absences to be made up by other assignments, or attending another technique class of the same level or higher that the student is NOT currently enrolled in with the instructor’s permission. Proof of the make-up class will be submitted within 2 days of taking the approved class.
Attendance:

Each absence, after 2, will drop the student’s final grade by 1 full letter grade, assuming each student begins the semester with an A. For example: 3 absences = B, 4 absences = C, 5 absences = D. Any student who has 6 absences or more will result in an automatic failing grade and will not pass the class. An absence will be excused if the student notifies the instructor via email immediately, and presents a doctor’s note the very next class period that he/she is approved to return to class. Doctor’s notes will not be accepted at the end of the week, month, or semester if the student has already returned to class and forgot to bring the doctor’s note. The same consideration will be given for funerals and University sponsored events. Points will be deducted for students who leave class prior to dismissal. If the student is tardy (more than 10 minutes late), they will be counted absent! For every 3 tardies, the student will receive 1 absence! Attendance will be strictly enforced. It is the responsibility of the student to keep track of their number of absences.

If a student is quarantined due to COVID, the student will not be counted absent. The student will be sent alternative assignments to complete while in quarantine to remain active in the class. Attendance will be taken from the assignment submissions.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public-school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at http://www.tx.nesinc.com/PageView.aspx?f=GEN Tests.html. YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.
3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.
