I. COURSE DESCRIPTION

DFHH 3350 covers the methods and tools used to give deaf and hard-of-hearing students access to the phonemic code of English. A discussion of the controversy surrounding these issues, as well as their strengths and weaknesses, also is a portion of this course. We will discuss maintenance/troubleshooting of amplification devices, reading audiograms, basic principles of audiology and the issues surrounding the education of students with cochlear implants. Other topics include: ARD process, IEPs, Cued Speech, Bi-Bi Approach, Visual Phonics, and other topics that might arise via discussion need.

TIME REQUIREMENT

DFHH 3350 (3 credits) is a hybrid mix of online instruction and face-to-face (via Zoom, no physical presence is required for this course) instruction, and has a duration of 15 weeks. The course contains extensive written and face-to-face (via Zoom) content that includes the same information students in a face-to-face lecture course receive, requiring students to engage the online modules and face-to-face meetings for at least three hours per week. Primary source readings are woven in to the online and face-to-face content to support key concepts and provide instructional context for individuals who are deaf or hard-of-hearing (focusing on those in PK-12 settings). In addition, students are required to complete significant weekly reading assignments (two textbook chapters per week), complete quizzes/exams over the course content, and complete multiple writing assignments (including interactive discussion board posts) that evaluate their ability to apply and synthesize information gleaned in the course regarding students who are deaf or hard-of-hearing. Two culminating assignments are required for this course: DFHH Professional Development presentation/folder, and an Overview Notebook. For every hour a student spends engaging with the course content, he/she spends at least two hours completing associated activities and assessments. These activities average 6 hours minimum of work each week to prepare outside of classroom hours. This is a minimum requirement. Students are encouraged to spend more than the minimum outside of class working on this course.

(A grade of B or Better is required in this course to move forward in the degree plan. This course is a prerequisite for other courses in the program. The prerequisite will not be met if the grade of B or Better is not met.)

III. COURSE ASSIGNMENTS

CHAPTER/CONTENT QUizzes
• You are responsible for all reading assignments for the course.
• Class discussions (discussion boards) as well as chapter readings from our text are fair game for quiz material.
• Fifteen (15) quiz grades will be calculated into your final grade. Quizzes are open book & administered via D2L in the “Quizzes” tab.
• The instructor solely makes the decision whether or not another quiz attempt is allowable and will contact the student to inform them they may retake a specific quiz.
• This activity will serve two purposes:
  1. It will help you become familiar with research-based practices, teaching/methods, and pertinent information relevant to our field.
  2. It will help prepare you for your TEExES Exam.

WEEKLY DISCUSSION BOARD POSTS
• You are responsible for all reading assignments for the course.
• Fifteen (15) discussion board posts will be calculated into your final grade.
• This activity will serve this purpose:
  1. It will demonstrate your knowledge of the course content.

OVERVIEW NOTEBOOK
• This is an individual assignment.
• Throughout the semester, students will be gathering handouts, resources and valuable information on the myriad of topics discussed. Students will organize these resources into an electronic notebook containing the most relevant nuggets of information for future use and reference in their classrooms.
• This activity will serve two purposes:
  1. It will give you a ready resource in your classroom for your own use as reminders and refreshers or for use with mainstream teachers and parents as you educate them on information relevant to the education of their DHH students.
  2. It will provide a source of review for your TEExES Exam.

GENERAL EDUCATION TRAINING PACKET
(Majors ONLY / Minors Alternate Assignment)
• This is an individual project.
• Students will create a product with which to share in general education teacher inservice/training outlining relevant information on the education of DHH students with regard to amplification devices, understanding what DHH students can/cannot hear, etc. Students will create a folder containing all pertinent and required information, as well as a PowerPoint that would be used for a training session. The folder is simply a hard-copy print out of the electronic resource and can be kept for your reference. A digital submission will be required for grading. Both the electronic packet and the PowerPoint is to be uploaded to the appropriate D2L DropBox.
James I. Perkins College of Education  
Department of Education Studies  
Deaf and Hard-of-Hearing Educator Preparation Program

- A mock professional development session (teacher training) will be required. You will record a Zoom session of you giving a mock training using your compiled resources. A minimum of two attendees must be present and must complete a peer evaluation for your training. An electronic peer evaluation will be created by the trainer (you) via GoogleDocs.
- This activity will serve the following purpose:
  1. It will help you understand what is important for general education teachers to understand as they are responsible for educating DFHH students with various educational needs/concerns.
  2. It will be good practice in advocacy and education.

HEARING AID TROUBLESHOOTING KIT  
(Majors ONLY / Minors Exempt)
- Students will compile a Hearing Aid Troubleshooting Kit containing specific items as required by the instructor.
- Item list will be posted on D2L. Current product availability and cost is semester-dependent.
- Item costs are the responsibility of the student. Please prepare ahead of time with financial resources. An estimate for the cost is $40 - $60, but this is a guideline only. Market prices and product availability fluctuate from semester to semester.
- DO NOT WAIT until the last minute to order your items. Doing so might cause your kit to be turned in late, which is unacceptable. Plan ahead and order in plenty of time to have a completed kit ready by the due date.
- This activity will serve the following purposes:
  1. It will give you a ready resource for your classroom.
  2. It will provide you a means to participate in the hearing aid labs for the course.

FINAL EXAM
- You will take the final exam TWICE:
  - Once as a pre-assessment. This is NOT graded for content. You will receive a grade of 100 for completing the exam or a grade of 0 for not completing it.
  - Once at the end of the semester. This grade WILL count for content. You will receive a percentage grade based on your performance on the exam.
  - Both exams will be identical in content but will not be available throughout the semester. (Meaning, you will not have access to the final exam for the entire semester.) The exam will open and close during the week it is due (see Timeline).
- This activity will serve two purposes:
  1. It will help you become familiar with research-based practices, teaching/methods, and pertinent information relevant to our field.
  2. It will help prepare you for your TExES Exam.

PROFESSIONAL DISPOSITIONS
- This is strictly a subjective grade based on the instructor’s observations of you throughout the semester. The Professionalism Rubric will be utilized, as well as a self-assessment.
- The relevance of this grade is two fold:
  1. You do not want to become one of those teachers who sits in the back of the room at inservice and complains about having to learn and share.
  2. You are responsible for your own learning. You can glean as much or as little out of this course as you would like. However, keep in mind that you are becoming and EDUCATOR. Your participation and attitude can make or break your future success! Trust me.
ZOOM MEETINGS

- This is a HYBRID course. This requires our course to meet a minimum of 15% of the course time. For a three-hour course, over a 15-week semester, this amounts to a minimum of 6.75 hours. As per policy, our class cannot meet more than 51% of the time in the same location (synchronously); this amounts to a maximum Zoom face-to-face time of approximately 23 hours.
- Periodic face-to-face meeting times are required. See timeline and D2L for details on meeting times.
- Every effort is made to arrange for times that work with the collective schedules, taking into consideration the various observation arrangements of individuals.
- Please refer to the following table as evidence of required face-to-face meeting times:

REQUIRED TEXT

OPTIONAL TEXT

LiveText Statement:
This course uses the LiveText data management system to collect critical assessments for students who are Perkins College of Education majors (undergraduate, graduate, and doctoral) or majors in other colleges seeking educator certification through the Perkins College of Education. Students who do not have an existing LiveText account will receive an access code via the SFA email system within the first week of class. You will be required to register your LiveText account, and you will be notified how to do this via email. If you forward your SFA email to another account and do not receive an e-mail concerning LiveText registration, please be sure to check your junk mail folder and your spam filter for these e-mails.

If you have questions about obtaining or registering your LiveText account, call ext. 1267 or e-mail SFALiveText@sfasu.edu. Once LiveText is activated, if you have technical questions, call ext. 7050 or e-mail livetext@sfasu.edu. Failure to activate the account and/or submit the required assignment(s) within the LiveText system may result in course failure.

VII. COURSE EVALUATIONS

Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including:

1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes; and
3. Making decisions on faculty tenure, promotion, pay, and retention.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VIII. STUDENT ETHICS AND OTHER POLICY INFORMATION
(https://www.sfasu.edu/policies)

Class Attendance and Excused Absence: Policy 6.7
Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based
on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three Modules of absences during a semester or one Module of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

**Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6**
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/).

**Student Academic Dishonesty: Policy 4.1**
Abiding by university policy on academic integrity is a responsibility of all university faculty and students.

**Definition of Academic Dishonesty**
Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
submitting an assignment as one’s own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one’s paper or presentation without giving the author credit.

**Penalties for Academic Dishonesty**
Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals**
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades: Policy 5.5**
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students
register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Student Code of Conduct: Policy 10.4**
Disruptive Behavior—Interference or disruption of students, faculty, administration, staff, the educational mission, or routine operations of the university is prohibited. Such activity includes, but is not limited to, behavior in a classroom or instructional program that interferes with the instructor or presenter’s ability to conduct the class or program, or the ability of others to profit from the class or program. To remain in the vicinity of activity that is disrupting normal university functions when requested to leave by a university official is prohibited. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

**Face Coverings (Masks)**
Masks (cloth face coverings) must be worn over the nose and mouth at all times in this class and appropriate physical distancing must be observed. Students not wearing a mask and/or not observing appropriate physical distancing will be asked to leave the class. All incidents of not wearing a mask and/or not observing appropriate physical distancing will be reported to the Office of Student Rights and Responsibilities. Students who are reported for multiple infractions of not wearing a mask and/or not observing appropriate physical distancing may be subject to disciplinary actions.

James I. Perkins College of Education  
Department of Education Studies  
Deaf and Hard-of-Hearing Educator Preparation Program

A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person’s potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at [http://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html](http://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.
