A. **Major Assignments (50 points)** – with Covid many changes will need to be made in order to meet the requirements for this class. Those changes are still underway.

1. **Formal-Based Assessment Project-LiveText assignment (15 points)**
   For this assignment, you will administer a formal individual measure of ability to a child. You will write a report based on your findings. You will submit a plan early in the semester to complete this project.

2. **Informal-based Assessment Assignment-LiveText assignment (15 points)**
   For this assignment, you will observe a teacher and children through a video, analyze your notes, and write a paper that included these components:
   - the informal assessment(s) observed
   - how the teacher uses the informal assessments to inform instruction
• recommendations that you would make for future instruction of these students
• why observations are important to early childhood education.

3. **Assessment Research Paper (20 points)**
   You will write a **1750-word paper** (approximately three to five pages) that summarizes the current research about your chosen assessment topic and provides implications for future research.

**B. Minor Assignments (50 points)**

VI. Readings (Required and recommended—including texts, websites, articles, etc.):

Required:

Recommended:

LiveText
This course uses the LiveText/Watermark data management system to collect critical assessments for students who are Perkins College of Education majors (undergraduate, graduate, and doctoral) or majors in other colleges seeking educator certification through the Perkins College of Education. Students who do not have an existing LiveText/Watermark account will receive an access code via the SFA email system within the first week of class. You will be required to register your LiveText/Watermark account, and you will be notified how to do this via email. If you forward your SFA e-mail to another account and do not receive an e-mail concerning LiveText/Watermark registration, please be sure to check your junk mail folder and your spam filter for these e-mails.

If you have questions about obtaining or registering your LiveText/Watermark account or any technical questions, call 936-468-2395 or e-mail LiveText@sfasu.edu. Failure to activate the account and/or submit the required assignment(s) within the LiveText/Watermark system may result in course failure.

VII. Course Evaluations:
Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning, and accreditation; 2. Instruction evaluation purposes; and 3. Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VIII. Student Ethics and Other Policy Information:

Attendance
University Attendance Policy: Regular and punctual attendance is expected for all classes, laboratories, and other activities for which a student is registered. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Students are responsible for providing satisfactory (hard copy) documentation in a timely manner to the instructor for each absence. Whether absences are ultimately excused or unexcused by the instructor, a student is still responsible for all course content and assignments. Students with acceptable excuses may be permitted to make up work for a maximum of three weeks’ worth of absences during a semester or one week of a summer term, depending on the nature of the missed work.
Make up work must be completed as soon as possible after returning from an absence AND in accordance with the course syllabus. In the case of absences caused by participation in university-sponsored events, announcement via mySFA will constitute official notification, but for this course, students MUST provide the instructor with a HARD COPY for the absence to be considered. http://www.sfasu.edu/policies/class-attendance-and-excused-absence.pdf

NEW POLICY – Attendance Policy for students receiving FINANCIAL AID: In compliance with federal regulations governing financial aid, instructors are required to report students who have never attended or participated in class. Attendance can be defined by physical attendance or participation in an academically related activity such as submission of an assignment, examination, or participation in group or online discussion. Beginning in the Fall 2014, students marked as never attended will be dropped from class if they receive financial aid. Federal laws for Financial Aid have dictated that any student who is not attending class will not receive financial aid. Due to these regulations, stricter deadlines for roster submissions have been created. Faculty will now have five business days in which they can submit online Official Attendance Rosters. All of the above changes have been brought about by stricter adherence by the Department of Education to federal laws and approved by the Provost for implementation in Fall 2014. http://www.sfasu.edu/faid/enrollment.asp

Expectations for Academic Progress
http://www.sfasu.edu/policies/satisfactory-academic_Progress_for_Financial_Aid_Recipients.pdf

This course meets in cyberspace. There are no face-to-face meetings. Students will login to Desire to Learn (D2L) EACH day. Due to an abbreviated semester, it is imperative that students stay abreast of all assessments, assignments, chats, discussions, postings, and communications. The only way to do this is to CHECK THE COURSE at least once daily. A student tracking system monitors courses in D2L. Evidence of daily participation, discussion postings, viewing and submitting assignments, and viewing and taking quizzes is available to the instructor of record and the instructional assistant. Learn more in D2L.

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/

Withheld Grades Semester Grades Policy: Policy 5.5
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Student Academic Dishonesty: Policy 4.1
Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one's own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source;
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

**Penalties for Academic Dishonesty**
Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals**
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Acceptable Student Behavior**
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.

**Withheld Grades: Policy 5.5**
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Student Code of Conduct: Policy 10.4**
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

**IX. Other Relevant Course Information:**

**Assignment Policy**
Students must read all assignments and be prepared to participate in D2L discussions. All students are expected to complete assignments on the due date. In order to receive an "A" in the course, ALL assignments must be completed. **Late work receives ‘0’ points and indicates completion.** Of course, extenuating circumstances are always considered. Written work in which the use of the English language is not at an acceptable level for a university graduate student will be returned and marked "Unacceptable" and a zero assigned.

**Drop Class**

Sometimes students find it necessary to drop a course. Should you need to drop a course, it is a common (and professional) courtesy to notify the instructor of record. Failure to notify the instructor leaves him or her wondering why you are not participating in class or replying to emails.

**Life Happens**

In the event “life” happens to you and you see it will affect your work, it is your responsibility to contact your professors at the earliest moment possible. Often times we can provide assistance and help you handle the stresses of graduate school while dealing with your crisis or extenuating circumstance(s). To better enable me to help you, contact me immediately; do not wait until your situation is almost resolved.

**Work Policies**

- **Late Work**— Late work receives no points unless there is prior approval from the instructor.
- **Make-up Work Policy**— The decision whether to accept make-up work is at the discretion of the instructor of record. In general, make-up work will be accepted two days from the original due date. No make-up work will be accepted the last week of the session.
- **“Redo Work” Policy**— Some assignments may be subject to editing and resubmission at the discretion of the instructor of record or the instructional assistant. In this event, the resubmitted work is due no later than one day after it is returned. Edited work resubmitted without the original work will not be accepted. **Do not ask permission to redo work to raise your grade.** The instructor of record or the instructional assistant will approach you to see if you want to redo an assignment. No re-do work will be accepted during finals week.
