IX. Student Ethics and Other Policy Information:

   Attendance

Active participation in classroom activities is very important in this class. All assignments must be attempted; one missing assignment will result in a ten-point deduction to the overall course grade. Students who have more than two unexcused absences (face to face classes) will have their final grade reduced by one letter grade as well.

Regular class attendance and participation is required of all students. Students must be in attendance from the beginning of all courses to qualify for financial aid. Students reported for non-attendance or non-participation in any or all of their courses could have their financial aid withdrawn. This is due to federal financial aid requirements. Students reported as not attending when your census day course rosters are submitted may lose their financial aid.

   Late Work

Assignments are due as assigned. Late work will not be accepted except with prior arrangements from the instructor.
Students with Disabilities (Policy 6.1 and 6.6))

Withheld Grades Semester Grades (Policy 6.5)

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same
course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Acceptable Student Behavior (Policy 10.4)**

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. IX. Other Relevant Course Information:

Assignment Policy

All students are expected to complete assignments on the due date. In order to receive an "A" in the course, ALL assignments must be completed. Late work receives ‘0” points and indicates incompleteness. Of course, extenuating circumstances are always considered.

Drop Class

Sometimes students find it necessary to drop a course. Should you need to drop a course, it is a common (and professional) courtesy to notify the instructor of record. Failure to notify the instructor leaves him or her wondering why you are not participating in class or replying to emails.

Life Happens

In the event “life” happens to you, and you see it will affect your work, it is your responsibility to contact your professors at the earliest moment possible. Often times your instructor can provide assistance and help you handle the stresses of school while dealing with your crisis or extenuating circumstance(s). To better enable me to help you, contact me immediately; do not wait until your situation is almost resolved.

Work Policies

Late Work— late work receives no points unless there is prior approval from the instructor.

Make-up Work Policy— the decision whether to accept make-up work is at the discretion of the instructor of record. In general, make-up work will be accepted two days from the original due date. No make-up work will be accepted the last week of the session.
“Redo Work” Policy— some assignments may be subject to editing and resubmission at the discretion of the instructor of record or the instructional assistant. In this event, the resubmitted work is due no later than one day after it is returned. Edited work resubmitted without the original work will not be accepted. Do not ask permission to redo work to raise your grade. The instructor of record or the instructional assistant will approach you to see if you want to redo an assignment.
