Academic Integrity: An individual's integrity is a reflection not only on themselves, but on the reputation of their profession as well. The standards you hold in your academic career will weigh heavily on those you retain throughout life. Your professional reputation is of the utmost importance in maintaining a positive career path. Thus, your academic integrity will be held to the highest possible standard while in this classroom. Zero tolerance will be given for academic irregularities. If I catch you violating this policy, you will be reported. If
another student accuses you and there is no other evidence, you will be required to resubmit a new assignment or take a new exam. If you choose not to, you will be reported. According to the university: “Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism. Definition of Academic Dishonesty: Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit. Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp”

Students with Disabilities: “To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/”. If modifications or accommodations are needed due to disability, please make an appointment with me as early as possible so arrangements can be made.

Classroom Policies:

- This is an online course, so you will be required to engage in self-study and self-reminders as to when assignments are due and what is required of you. We will maintain regular contact throughout the semester through D2L email. A due date timeline is posted in the Introduction to Course content section, and I will post announcements when necessary.
- Late assignments are not accepted. Make-up exams will only be allowed under exceptional circumstances. Having another exam or paper due that week is not an exceptional circumstance.
- Turn it in software is used to view all assignments. Grades are non-negotiable.
- The open exchange of ideas will be respected by all students. Respectful discussion is required. While you are allowed to express your opinions during the discussions remember that other students may have different
opinions and have the right to have and express those opinions. Personal attacks are not allowed as they do not promote civilized debate (one of the main purposes of the required discussions).

- According to the university: "Withheld Grades Semester Grades Policy (A-54) Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average."

- "Acceptable Student Behavior. Classroom behavior should not interfere with the instructor's ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed."

- Excused Absences: In order to have your absences excused, you must provide either notification from your coach/faculty club advisor or have a notice sent from the judicial office. "Absence Notifications: Students missing classes for legitimate reasons other than University-sponsored trips may contact the Judicial Office and request an absence notification be sent to their instructors. These notifications are not excuses. They are provided as a courtesy to the student and the student's instructor(s) and are not an evaluation of the information received by this office. Students requesting an absence notification should be prepared to give the Judicial Office their name, ID number, date(s) of the absence, reason for the absence, and a contact phone number. Students should also be prepared to offer documentation of the absence to their instructors. As per University policy Class Attendance and Excused Absence A-10, an instructor may determine the nature of satisfactory documentation."
