**III. Course Assignments, Activities, Instructional Strategies:**

Use of technology may include: D2L (My Courses), internet assignment/activities/research, and word processing.

1. HMS 241.001 is a D2L enhanced course. Information notices will be posted on the course homepage. The homepage includes icons for class assignments, discussion questions, pop quizzes, exams, and Dropbox assignments. Students are strongly encouraged to contact the instructor and/or other students via the homepage mail icon.

2. Course content is delivered but not limited to class lectures and discussions, D2L (My Courses), scheduled assignments with deadlines, offline reading assignments, online readings and participation, utilizing web pages, Power Points, emails, the Dropbox assignments. Students should check the homepage on a daily basis for notices, mail, and assignments. Neglecting to check the homepage is **NOT** a valid excuse for missing an assignment due date.

3. Students should check their grade points at least once a week. Any discrepancies in points must be resolved **within one week after assignment grades have been posted** otherwise the posted grade points are considered final and will not be reviewed at a later date.

4. **Course Points are earned through:**

   **Syllabus Quiz: 5pts**

   This is a five-question quiz designed to ensure that you have looked over the course syllabus. You have 20 minutes to take it. After reviewing the syllabus, take the quiz.
Introduce Yourself Discussion: **10 pts**
This is a discussion to introduce yourself to online peers.

**Discussions: 150 pts**
There are three (3) discussions assignments throughout the course, each is worth 50 points. Students are to post by 11:59 pm on Thursday and respond by 11:59 pm on Sunday.

**Dropbox Assignments: 150 pts.**
There are three (3) dropbox assignments throughout the course, each is worth 50 points.

**Signature Assignment: 100 pts.**
For your signature assignment, create a brochure for parents or families of young children to explain and provide examples on your selected topic (options listed below). Be sure that your product demonstrates your understanding of the concepts presented and discussed in this course.

- Specific age-related examples.
- Specific examples of activities that should be incorporated with your topic
- Justify the use of the aforementioned activities with research.

Include the following in your brochure:
- Brochure length: 8-1/2" x 11", 2 sides
- Include a minimum of 5 professional reference citations in addition to the textbook.
- Font size- Times New Roman, no larger than 12-point font.

Your brochure should demonstrate thoughtful consideration of the ideas and concepts that are presented in the course and provide new thoughts and insights relating directly to this topic. Your paper should reflect scholarly writing and current APA standards.

**Chapter Exams: 300 pts.**
3 Exams = 100 points each. Exams will be Multiple Choice and True/False. Refer to the syllabus timeline for dates.

**Comprehensive Final: 125 pts.**
The course final will cover chapter 10, 13, 14, and 16 with spot check questions from previous chapters (whole concepts not specific). There will be 50 questions from the chapters covered in this unit, and 25 questions from the course as a whole. All new questions will be worth two (2) points each and previous questions will be worth one (1) point each.
The time to worry about your grade in this class is at the BEGINNING of the course, not at the end. If you are as concerned about your grade every day of the semester as most students are on the last couple of days, you will not need to be concerned those last couple of days. The grades you receive throughout the semester will determine your final grade in the course. I will not change the grade you earn. Please do not contact me at the end of the semester with the “story” of why you need me to GIVE you extra points. If you keep up with the work and do your best throughout the semester, you will earn the points you need for the class.

IV. Evaluation and Assessment:
The course is graded on a letter grade basis (A-F). The final grade will be determined by a percentage of required points earned. A tentative grading scale is listed below. (The grading scale is subject to change to reflect additional points earned through participation in various in-class activities as assigned by the professor).

VI. Readings (Required and recommended- including texts, websites, articles, etc.)

VII. Course Evaluations:
Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including: Course and program improvement, planning, and accreditation, and instruction evaluation purposes. As you evaluate this course, please be thoughtful and accurate in completing the evaluation.
In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VIII. Student Ethics and Other Policy Information:
Class Attendance and Excused Absence: Policy 6.7
Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities
for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

Professionalism Work Policies:

**Late Work receives no points.** Under extenuating circumstances such as health reasons, family emergencies, or student participation in approved university-sponsored events are always considered.

- Late work that is approved by the instructor must be turned in no later than one week after the due date.
- Complete all assignments independently unless otherwise stated by the instructor.
- Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

Academic Accommodations for Students with Disabilities: Policy 6.1 and 6.6
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/). Location: Human Services Building, room 325. Phone: (936) 468-3004.

Academic Integrity:
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Academic Dishonesty: Policy 4.1**
Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit.

Please read the complete policy at [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp)

**Penalties for Academic Dishonesty:**

Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals:**

A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades: Policy 5.5**

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Student Code of Conduct: Policy 10.4**

Disruptive Behavior--Interference or disruption of students, faculty, administration, staff, the educational mission, or routine operations of the university is prohibited. Such activity includes, but is not limited to, behavior in a classroom or instructional program that interferes with the instructor or presenter’s ability to conduct the class or program, or the ability of others to profit from the class or program. To remain in the vicinity of activity that is disrupting normal university functions when requested to leave by a university official is prohibited. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom.
Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

Masks (cloth face coverings) must be worn over the nose and mouth at all times in this class and appropriate physical distancing must be observed. Students not wearing a mask and/or not observing appropriate physical distancing will be asked to leave the class. All incidents of not wearing a mask and/or not observing appropriate physical distancing will be reported to the Office of Student Rights and Responsibilities. Students who are reported for multiple infractions of not wearing a mask and/or not observing appropriate physical distancing may be subject to disciplinary actions.

**Code of Ethics for the Texas Educator:**
The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification. Please go to TAC 247.2 – Code of Ethics and Standard Practices for Texas Educators. This can be found at https://texreg.sos.state.tx.us/public/readtac$ext.ViewTAC?tac_view=4&ti=19&pt=7&ch=247&rl=Y.

**To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:**

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor.
for a **non-refundable fee**. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation. Additional information can be found at [https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/](https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/).

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at [www.texas.ets.org/registrationBulletin/](http://www.texas.ets.org/registrationBulletin/)).

YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

**For further information concerning this matter, contact Katie Snyder Martin at 936-468-1740 or snyderke1@sfasu.edu.**

**LiveText:**

LiveText/Watermark is a data management system to collect critical assessments for students who are Perkins College of Education majors (undergraduate, graduate, and doctoral) or majors in other colleges seeking educator certification through the Perkins College of Education.
Students who do not have an existing LiveText/Watermark account will receive an access code via the SFA email system within the first week of class. You will be required to register your LiveText/Watermark account, and you will be notified how to do this via email. If you forward your SFA e-mail to another account and do not receive an e-mail concerning LiveText/Watermark registration, please be sure to check your junk mail folder and your spam filter for these e-mails.
