HMS Office: (936) 468-4502

### Credits:
3 hours

### Email:
Through Desire2Learn

---

**I. Course Description:**
A study of environmental space including climate control, lighting, building and interior materials, construction techniques, furnishings, finishes, and psychological and emotional factors.

**Course Justification:**
INDS 4360 Overview of Residential Interiors & Construction is a 3 hour credit course. This course is typically taught online. Students have significant readings, chapter reviews, 11 weekly activities/quizzes, 1 minor project, 1 major project, 3 major exams and final examination. The content of material in this course is extensive. These activities average at a minimum 6 hours of work each week to prepare outside of classroom hours.

**III. Intended Learning Outcomes/Goals/Objectives:**
Faculty, staff, alumni and students of Stephen F. Austin State University believe in doing things "The SFA Way," by expecting the best from ourselves and from each other. We hold each other accountable when we fail to maintain these standards. Five “root principles” upon which the SFA Way are grounded, and that the members of the SFA community use to strive for personal excellence in all that we do are: respect, caring, responsibility, unity, and integrity. More information about these principles can be found at [http://www.sfasu.edu/universityaffairs/182.asp](http://www.sfasu.edu/universityaffairs/182.asp)

The objectives of this course support the University Vision to be "a high quality, student-focused, comprehensive university whose graduates are productive citizens and successful leaders" and the University Mission to "provide students a foundation for success, a passion for learning and a commitment to responsible global citizenship." Understanding the global nature of the fashion industry is particularly important for professionals in fashion merchandising to develop commitment to responsible global citizenship.

The objectives of this course support the James I. Perkins College of Education (PCOE) Vision, Mission, Goals and Core Values to "prepare competent, successful, caring, and enthusiastic professionals dedicated to responsible service, leadership and continued professional and intellectual development.” The PCOE values and goals are: 1) Academic excellence through critical, reflective, and creative thinking, 2) Lifelong learning, 3) Collaboration and shared decision-making, 4) Openness to new ideas, to cultural diverse people, and to innovation and change, 5) Integrity, responsibility, diligence, and ethical behavior, and 6) Service that enriches the community.

James I. Perkins College of Education Diversity Statement is found at: [http://coe.sfasu.edu/about-us/](http://coe.sfasu.edu/about-us/)
Program Learning Outcomes

This course enhances student learning in the area of housing and residential design and serves as one of the foundation courses in the Interior Merchandising and Family & Consumer Sciences Programs in the School of Human Sciences. No specific program learning outcomes for this major are addressed in this course.

This course supports Merchandising Program Learning Outcomes (PLOs) listed below:

- The student will display the professional dispositions (academic excellence, life-long learning, collaboration, openness, integrity and service) relative to the field of Human Sciences.*
- The student will exhibit the professional behavior (strong communication skills, a professional image, a good work ethic and adequate preparation for employment in his/her specific discipline) expected in the field of Human Sciences.
- The student will demonstrate competence in his/her specific discipline (using oral and written forms.).
- The student will know the global issues facing merchandising.

Student Learning Outcomes

Upon successful completion of the course, the student will:

- Gain awareness of the societal aspects of housing including lighting, building and interior materials, construction techniques and furnishings.
- Describe family housing needs and selection methods.
- Demonstrate understanding of housing including site selection, construction, styles and space use.
- Review ways housing needs of elderly and the disabled may be met.
- Understand the selection criteria and use of home furnishings.
- Be able to describe housing trends for the future.

Teacher Certification

Course content in INDS 4360 provides information related to the following standards for the professional qualifying exam (TExES) for students certifying to teach FCSC.

Standard VIII: Environmental Design which reads "The family and consumer sciences teacher understands the design and construction of interior and exterior environments, and understands career opportunities in the housing, design, furnishings, and equipment management and service industries."

The notes from this class should be retained to use for review purposes for the TExES.

III. Course Assignments, Activities, Instructional Strategies, use of Technology:
Course Assignments/Activities: This is a fully online course that is self-paced within designated blocks of time. The course is divided into Modules I – IV. Assignments within each module/chapter must be submitted through the Assignments or Discussion tool and must be submitted by the designated due date. Late work is not accepted. Instructional Strategies may include: online lectures, individual and group discussions, interviews, internet searches, and article reviews. Use of Technology may include: internet assignments/activities/research, power point and word processing. If you are not familiar with Blackboard Learning, you are strongly urged to access the “Getting Started” icon on the homepage to become familiar with all the navigations tools needed for the web course. All activities, assignments, and exams are completed and submitted through HMS 460.501. (See explanation of assignments in Evaluation and Assessments below.)
1. Information notices will be posted on the course home page. The homepage includes icons for class assignments and grades. Students are strongly encouraged to contact the instructor and/or other students via the homepage mail icon, chats, and/or discussion postings.

2. **Students should check the homepage on a daily basis for notices, mail, and assignments.** Neglecting to check the homepage is NOT a valid excuse for missing an assignment due date.

3. Students should check their grade points at least once a week. Any discrepancies in points must be resolved within one week after assignment grades have been posted otherwise the posted grade points are considered final and will not be reviewed at a later date.

IV. Evaluation and Assessments (Grading):

**Part A. Understanding and Comprehension**

Grading Scale: 526 - 585 = A; 468 - 525 = B; 409 - 467 = C; 351 - 408 = D; 0 - 350 = F

New Home Critique

*(50 points)*

Through online searching or from area resources you are to critique a newly built home or a home built after 2005. **You must include at least three pictures of the home.** Grading will be based on inclusion of pictures and thoroughness of completion of this form.

**TYPE OF:**
- Dwelling: ______
- Location: ________
- Number of square feet: ____________
- Approximate cost: ____________
- Exterior finish (brick, stucco, siding, combination, etc) ____________
- Financing offered: ____________ Through whom? _______________________
- Realtor (if any): _______________________
- Landscaping: _______________________

**SPECIFICS:**
- Number of bedrooms: ________ Size of largest: _______________________
- Number of bathrooms: ________ Size of smallest: _______________________
- Number of living areas: ________
- Other rooms (list): __________________________________________________

**TYPES OF:**
- Windows/doors: _______________________
- Insulation value: _______________________
- Type of insulation: _______________________
- Type of water supply (city, rural-septic tank, etc): _______________________

**OTHER:**
- Amenities: (extras or specialty features) _______________________
- Storage space (number and types of closets): _______________________
- Wall materials: _______________________
- Flooring materials: _______________________
- Countertop materials: _______________________
- Types of lighting: _______________________
- Outside storage: _______________________
- Energy-saving features and green materials used: _______________________

Write a personal critique of the house (quality construction and size for the amount, etc.)

BUILDING PROJECT PRESENTATION
HMS 460

Grading Criteria

I. Presentation Style (30 pts) ______
   ▪ Creative format/layout
   ▪ Professionalism (spelling, etc)
   ▪ Good Visuals and minimum of 5

II. Presentation Content (50 pts) ______
   ▪ Manufacturers of product (an extensive list is expected)
   ▪ Sizes available
   ▪ Cost (show several products and give costs)
   ▪ Uses
   ▪ Installation procedure

III. Sustainable/Energy Saving Products or (20 pts) ______
     Green practices for some of the manufacturers

Total (100 pts) ______

V. Tentative Schedule Overview (See Detailed Calendar in D2L/BrightSpace for specific dates for assignments and exams)

   Week 1: Influences on Residential Design: Personal and Social Influences
   Week 2: Influences on Residential Design: Green Design: Environmental Influences
   Week 3: Influences on Residential Design: Technological Influences
   Week 4: Housing Styles
   Week 5: Planning Space Use
   Week 6: Designing Public Areas
   Week 7: Designing Service Areas
   Week 8: Designing Private Areas; Furniture Styles
   Week 9: Materials Used for Residential Design
   Week 10: Structural Components of the Home
   Week 11: Finishing the Structure
   Week 12: The Electrical System
   Week 13: The Plumbing System
   Week 14: Air Quality Control
   Week 15: Green Design: Energy Efficiency

VI. Readings (required)
Order SFA books online at: http://www.sfasu.bkstr.com. If you choose to order the book from another source, the ISBN# is 978-1-56367-384-9

VII. Course Evaluations:
“Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including:

1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes; and
3. Making decisions on faculty tenure, promotion, pay, and retention.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!”

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VIII. Student Ethics and Other Policy Information: Found at https://www.sfasu.edu/policies

Class Attendance and Excused Absence: Policy 6.7

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student's attendance and participation as well as note this information in required reports and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilitieservices/

Student Academic Dishonesty: Policy 4.1

Abiding by university policy on academic integrity is a responsibility of all university faculty and students.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one's own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one’s own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.
Penalties for Academic Dishonesty
Penalties may include, but are not limited to reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

Student Appeals
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

Withheld Grades: Policy 5.5
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Student Code of Conduct: Policy 10.4
Disruptive Behavior—Interference or disruption of students, faculty, administration, staff, the educational mission, or routine operations of the university is prohibited. Such activity includes, but is not limited to, behavior in a classroom or instructional program that interferes with the instructor or presenter’s ability to conduct the class or program, or the ability of others to profit from the class or program. To remain in the vicinity of activity that is disrupting normal university functions when requested to leave by a university official is prohibited. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

Masks (cloth face coverings) must be worn over the nose and mouth at all times in this class and appropriate physical distancing must be observed. Students not wearing a mask and/or not observing appropriate physical distancing will be asked to leave the class. All incidents of not wearing a mask and/or not observing appropriate physical distancing will be reported to the Office of Student Rights and Responsibilities. Students who are reported for multiple infractions of not wearing a mask and/or not observing appropriate physical distancing may be subject to disciplinary actions.

Additional Information:

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Undergo criminal background checks for field or clinical experiences on public school campuses; the public school campuses are responsible for the criminal background check; YOU are responsible for completing the information form requesting the criminal background check. If you have a history of criminal activity, you may not be allowed to complete field or clinical experiences on public school campuses. At that point, you may want to reconsider your major while at SFASU.

2. Provide one of the following primary ID documents: passport, drivers license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texas.ets.org/registrationBulletin/ <http://www.texas.ets.org/registrationBulletin/>). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.
For further information concerning this matter, contact Katie Snyder 936-468-1740 or snyderke1@sfasu.edu.

IX. Other Relevant Course Information:

The Syllabus
Students must read and adhere to the policies of the course syllabus. The syllabus states objectives, requirements, supplies, and grading criteria for each course.

*Virtual Office/Student Hours
I conduct my office hours (as much as I can) as if we were still in person! I want to see your face and get to visit with you. :) If you came to my physical office for office hours and another student was there, you would wait in the hall until I finished with the person who was already there, and then you would come in and have your time with me. What that means for you now that we are on Zoom is that when you follow the link below and log on to the office hours, you will be put into a "waiting room." You'll see a message that I will let you in shortly. If there is no student there already, I will immediately let you in. If you have to wait for a few minutes, that means I'm with someone. Don't worry, I WILL get to you in the order that you entered the waiting room. Even it is past the time for my office hours to end, I'll get to everyone who logs on! So if you have to wait, please be patient and know that I haven't forgotten you are there.
