GUIDELINES FOR RECITAL ATTENDANCE

1. Recital attendance is required of Music Majors (6 semesters), and of Music Minors (2 semesters). All Music Majors must register in MUSI 1000.001, while Music minors enroll in MUSI 1000.002

   a. Students are required to attend 10 concerts or recitals each semester on the SFA Campus, or sponsored by the SFA School of Music. (Concerts or recitals in which you perform in will NOT count toward this requirement.) For the fall semester of 2020, students are required to watch 10 live-streamed concerts online. To document their “virtual attendance” at these live-streamed events, they will have to send Dr. Wurtz a 150-200 word summary of what they watched. It should include who the performers were, where and when the event took place, list the program, and a brief synopsis. Applied aculty members have been encouraged to use this as a chance to require students to watch particular events as part of their lessons.

   b. Majors are also required to attend ALL convocations in addition to the 10 recitals. (see no. 7 below) Monthly convocations are cancelled for the fall of 2020.

3. All recital reports are due by 5:00 PM on Dec. 4. No late reports will be accepted, with no exceptions. You are encouraged to satisfy this requirement early in the semester, rather than waiting until the end. Any fewer than 10 events watched and reported on will result in an F for the course.

4. It is your responsibility to keep track of how many recitals you have attended.
