IV. Course Description:
Application of customer relationships within the hospitality industries. Concepts include: guest services, building guest loyalty, and service quality. Must be taken concurrently with HMS 407.
Lab Fee; $10.00

Course Justification: Lab class will meet for 6 hours per week starting the 6th week of class through the end of the semester (10 weeks). This fulfills 60, face-to-face contact hours

II. Intended Learning Outcomes/Goals/Objectives (Program/Student Learning Outcomes):
The mission of the College of Education is to prepare competent, successful, caring and enthusiastic professionals dedicated to responsible service, leadership, and continued professional and intellectual development. The goals of this course support the goals of the COE by:

- Preparing leaders in the Texas hospitality field.
  - As one of the largest industries in Texas, the hospitality industry needs competent and skilled leaders. Students will develop a personal customer service mission statement.
- Provide a variety of teaching venues incorporating the latest technologies to a range of diverse student interests, backgrounds, and aspirations.
  - Students will have opportunities to experience all aspects of “front of the house” hospitality roles.
- Collaborate with external partners to enhance students’ knowledge, skills, and dispositions, and to influence the ongoing exchange of ideas for mutual benefit.
  - Outside resources will be employed to enhance the curriculum of this course through the use of guest speakers, video and world wide web.
- Engage in outreach services.
  - Students represent the hospitality program to the public by interacting in the Culinary Cafe
- Conduct research to advance knowledge and to contribute to the common good.
  - Students will work on real-life situations to gain hands-on experience in areas of customer service and meal management in hospitality.
The hospitality administration program at Stephen F. Austin is poised to attract students, to enhance university visibility and to prepare students to compete in the 21st century. Specific objectives of the Hospitality Administration major are to:

- Deliver an academic program that attracts non-traditional students as well as traditional students seeking an education at Stephen F. Austin.
- Prepare individuals for entry-level employment in the vast hospitality industry.
- Meet needs of students desiring an academic area that prepares for multiple types of employment, flexible scheduling, and mobility.
- Provide industry with well-prepared, qualified personnel.

This course is taught in tandem with RSTO 4104/RSTO 4204 L Advanced Culinary Preparation. Students are expected to treat students in RSTO 4104/RSTO 4204 L with respect and as team members. This course builds upon knowledge gained in CHEF1239/ CHEF1239L Management in Meal Production.

Program Learning Outcomes:

1. Resource Development: The Students will demonstrate the use of appropriate technology and sustainability in the hospitality industry.
2. The student will exhibit the professional behavior (strong communication skills, a professional image, a good work ethic and adequate preparation for employment in his/her specific discipline) expected in the field of Human Sciences.
3. The student will calculate, interpret and understand key ratios, financial statements and budgets, related to the hospitality industry.
4. The student will demonstrate a positive service attitude.

Student Learning Outcomes:

Upon successful completion of this course, students will be able:

- To examine trends impacting guest relationships
- To evaluate guest loyalty programs for the hospitality industry
- To apply knowledge of styles and service types used in the hospitality industry in real life situations

III. Course Assignments, Activities, Instructional Strategies, use of Technology:

**Instructional Strategies:**
This class uses hands-on lab experience.

**Use of Technology may include:** BRIGHTSPACE(MyCourses), internet assignments/activities/research, and word processing.

1. RSTO 4207 uses BRIGHTSPACE extensively for message boards, discussions, and course content. Information notices will be posted on the course home page. The homepage includes icons for class assignments, discussion board questions, and grades. Students are strongly encouraged to contact the instructor and/or other students via the homepage mail icon, chats, and/or discussion postings.
2. Course content is delivered via lectures, assigned readings, assignment, and discussion board questions directly relevant to the course content. **Students should check the homepage on a bi-weekly basis for notices, mail, and assignments.** Neglecting to check the homepage is NOT a valid excuse for missing an assignment due date.

3. Students should check their grade points at least once a week. Any discrepancies in points must be resolved within one week after assignment grades have been posted **otherwise the posted grade points are considered final and will not be reviewed at a later date.**

4. Assignments that are posted on the BRIGHTSPACE are predominately saved in the Word 2007 format. Students should make arrangements to secure the “patch” that will enable them to open these documents in advance, if they do not currently have or anticipate having access to the Word 2007 software. It would be virtually impossible for the instructor to save work in multiple formats to accommodate for all individual software available.

**IV. Evaluation and Assessments (Grading):**

**Lab Assignments (450 points) Each lab is worth 50 points**
Lab assignments will include in-class activities and dining room service/observation activities. Because every role during a lab is critical, attendance is essential. Every student will have an opportunity to be a co-GM. Students must come prepared to serve in **APPROPRIATE LAB ATTIRE** (outlined in a Lab attire section) The co-GM’s for each week will evaluate their staff and award up to 20 points based on attitude, timeliness, professionalism, effort, and performance. Each employee will award up to 20 points for each GM based on organization, attitude, effectiveness, tact, and ability to lead. If a student fails to attend the **DEDUCTED from their grade and will not be allowed to be made up.** The only exception is school sponsored activities with a note from sponsoring professor. Students must **complete entire lab** to receive daily points. (no leaving early unless pre-arranged and approved by Dr. Olle)

Lab grading includes:
- **Attendance** (cannot be made up. If you are sick, you need to show up or contact Dr. Runnels before the lab. She will make the determination to send you home.)
  - Punctuality /Effort 15 points
  - Appropriate lab attire (clean, neat uniform, minimal jewelry – 1 ring, small earrings only, facial piercings removed) 15 points
  - Peer Evaluation 20 points

**TOTAL** 50 points (450 points Total)

**Lab Hour Weekly Log (50 points each): Total 450 points**
Once a week you will check in with a report of your lab activity in Discussions on D2L Logs are due each Monday at 10 p.m. every week of Culinary Café Service.

**Final – ZOOM Class Thursday, December 10 at 9:30 a.m.**
Mandatory ZOOM session during scheduled final time.
Hospitality Administration students in fall 2020 face-to-face and non-traditional, online courses (hybrid, hyflex) have the opportunity to earn bonus points through service learning. Students completing 1-6 hours of service work will earn points as follows:

1-1.99 hours = 5 points  
2-2.99 hours = 10 points  
3-4.99 hours = 15 points  
5-5.99 hours = 20 points  
6 hours = 25 points

If a student is enrolled in multiple hospitality classes offering the service learning bonus, the student may submit their hours for bonus points in each class. Hospitality Administration faculty have determined specific guidelines for service learning opportunities, explained in a document posted on the homepage of the course. Failure of a student to follow the guidelines may lead to nullification of the student's service learning hours.

This service learning opportunity will expose students to the important cross-cutting themes within the Body of Knowledge of Human Sciences. These themes include: communication skills, critical thinking, diversity, global perspectives, professionalism, independence and community development.

### VI. Readings/Lab Attire

Current trade and peer-review journals, Internet  
Required Attire for Culinary Cafe:  
Purple Chef’s coat with plain white t-shirt underneath or official Hospitality uniform t-shirt
black pants – no spandex, lyrca or yoga pants, not patterns or piping, black closed toed shoes (not athletic)
No fingernail polish, one ring only, facial piercings removed, stud earrings only.

**Failure to be properly attired will result in removal from lab and no points earned that day.**

**VII. Course Evaluations:**

Near the conclusion of each semester, students in the College of Education electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including:
1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes; and
3. Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. **Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.**

**VIII. Student Ethics and Other Policy Information:**

**Attendance:** It is your responsibility to come to class and complete your assignments on time. **Participation is extremely important to your success in this course. Missing a lab without prior approval will result in NO POINTS for that lab.**

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments is expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.
Communications: I make every attempt to answer email and voice mail in a timely manner (within 24 hours). Please do not expect me to answer emails or voice mails over the weekend, or after office hours.

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/

Student Academic Dishonesty: Policy 4.1
Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one’s own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source;
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

Penalties for Academic Dishonesty
Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

Student Appeals
A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

Withheld Grades: Policy 5.5
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work by the deadline set by the instructor of record, not to exceed one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Military Service Activation (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Student Code of Conduct: Policy 10.4**
Disruptive Behavior--Interference or disruption of students, faculty, administration, staff, the educational mission, or routine operations of the university is prohibited. Such activity includes, but is not limited to, behavior in a classroom or instructional program that interferes with the instructor or presenter’s ability to conduct the class or program, or the ability of others to profit from the class or program. To remain in the vicinity of activity that is disrupting normal university functions when requested to leave by a university official is prohibited. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

Masks (cloth face coverings) must be worn over the nose and mouth at all times in this class and appropriate physical distancing must be observed. Students not wearing a mask and/or not observing appropriate physical distancing will be asked to leave the class. All incidents of not wearing a mask and/or not observing appropriate physical distancing will be reported to the Office of Student Rights and Responsibilities. Students who are reported for multiple infractions of not wearing a mask and/or not observing appropriate physical distancing may be subject to disciplinary actions.

**Additional Information Specific to Educator Preparation (only add if educator preparation):**

**Code of Ethics for the Texas Educator:**

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an
effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification. You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation. Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at http://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html. YOU
must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information, contact the Office of Assessment and Accountability at 936-468-1282 or edprep@sfasu.edu.

IX. Other Relevant Course Information:
Be prepared to participate and fully engage in class discussion.
Assignments are due the assigned date.
No makeups for missed assignments will be given.
