III. Course Assignments, Activities, Instructional Strategies, use of Technology:

You are expected to participate in class activities, perform on group exercises, and practice individually in ASL communication techniques and in Deaf culture. The units are designed so that students learn language in context, retain language by activities that are meaningful and therefore necessary in order to develop these skills.

- Students are required to sign all communication that happens in the classroom.
- Students may not use their voices while in the classroom during “voice off” activities and exams.
- Those students exhibiting bad manners will be asked to leave the classroom for the duration of the class.

James I. Perkins College of Education Diversity Statement is found at the following link: http://coe.sfasu.edu/about-us/

Description of Assignments

Units 1-10 Review Exam: (1 @ 100 points)
- One exam given at the very beginning of the semester for self-assessment/teacher evaluation in order to assess the student for the upcoming semester.

Exams: (3 @ 150 Points Each)
- Three major exams (including final exam)
- Format:
  - Vocabulary embedded sentences
  - Each exam will contain old and new material, fingerspelling, and vocabulary from ASL I and 2 (each test comprehensive)
  - All tests will be signed and students are expected to write the intent and meaning using good English grammar.
  - Grades are based on accuracy of vocabulary recognition and connection of concepts expressed in English.
  - Expressive skills may also be assessed via GoReact.
- Missing an exam
  - If you do not show up to an exam, a grade of 0 will be recorded, except for a documented emergency. Please see me WELL in advance (at least one week) for a known conflict, such as university sponsored sports activities, etc.
  - Should you miss an exam for an unexcused absence (skipping class, alarm “not going off”, being late for an exam, etc.) your grade will BE A ZERO for the missed exam. NO EXCEPTIONS AT ALL. Plan ahead and be smart.
  - Should you miss an exam for an EXCUSED absence (death in the immediate family, illness requiring doctor visit and/or hospitalization, etc.), see me the day you return to reschedule.
- Exams will cover the following:
  - Exam 1: Units 1-11 and 14
  - Exam 2: Units 1-16 (not including 15)
  - Exam 3/Final Exam: Units 1-17

Module Vocab Quizzes: (3 @ 50 points each)

- At the end of each unit, students will be given a multiple choice quiz over vocabulary from the unit.
- Each quiz will be approximately 50 questions and you will have a specified time limit for completion of the assignment. Extra time will only be allowed for those students who have documented extra time through Disability Services. Your quiz will submit when the time is up. Make sure to save as you work.
Expressive Labs: (3 @ 150 points)
- Video Recorded Assignments policy must be followed for this assignment.
- Approximately halfway through each module you will sign a narrative and upload it to GoReact.
- These narratives are designed to be a review of the vocabulary and concepts covered up to that point. They are a mid-module check.
- You are expected to practice your narrative prior to recording and record without notes or other assistance.
- Submission of notes, outlines, pictures, etc. in which you outlined your narrative are required to be submitted to the appropriate dropbox on d2l by the lab assignment due date listed in the course calendar.
- Submission of areas of improvement are required to be submitted with notes, outlines, etc. by the lab assignment due date.
- Failure to submit any required lab assignment materials by the due date will result in a delay of your lab assignment grade (until all materials are submitted) and a late penalty to be assessed upon submission.

Expressive Fingerspelling: (3 @ 50 points each)
- There will be a total of 6 Expressive Fingerspellings located on GoReact. Only the 2nd, 4th, and 6th will be graded. The others will be solely for YOUR PRACTICE and optional. No grade attached for 1st, 3rd and 5th expressive fingerspellings. ** The 1st fingerspelling quiz will be collected as a grade under the participation category to ensure no future technical difficulties or clear up confusion with instructions/requirements.
- These assignments will be recorded in GoReact where an attached video will prompt you with the words needed for this assignment. Each set of words will be from a specific category ie: animals, states, colors, etc.
- MUST FOLLOW VIDEO RECORDING REQUIREMENTS FOR THE POSSIBILITY OF A PERFECT SCORE. Each requirement not followed will result in a 10% deduction of your final assignment grade.
- Only ONE attempt is allowed for each graded assignment.

Culture Discussions: (4 @ 25 points each)
In order to receive FULL CREDIT for your discussion board posts, there are some guidelines you will need to follow. Failure to do the following will result in a grade less than 100.

DISCUSSION GUIDELINES
- Original post (your response to the prompt) must be made no later than WEDNESDAY at midnight. This gives peers enough time to respond to your post. Responses must be thoughtful, insightful, and utilize proper English grammar and structure.
- Responses must make it clear that you have thought about the prompt and planned out a response. Responding to a post with something like, "I like this deaf person. Reading about them was neat and I learned a lot," would be considered non-college level work and you will be asked to modify your post.
- You must NOT repeat any information or thoughts from your peers. I understand some thoughts and ideas will be similar, but it will be obvious if you are copying the ideas of others. NO CREDIT will be given if you repeat.
- IN ADDITION to your original post, you must post on FOUR SEPARATE peers’ postings in response.
- Responses must be thoughtful, considerate, and well written. Responding with, "I like what you said," or "I agree," will be considered non-responses.
ETIQUETTE

- You may feel free to disagree with another’s posting, but you are fully expected to do so in a PROFESSIONAL MANNER.
- No vulgar or offensive language will be tolerated.
- No “text language” please. Proper spelling and punctuation are expected.
- Respect for the instructor will be expected at all times.
- Respect for peers will be expected at all times.
- Failure to respond to a post by WEDNESDAY at midnight will indicate that you have forfeited your grade on the board for that week. You will receive zero credit, even if you end up posting later and make the required postings on others’ responses.
- BE PROFESSIONAL.

Deaf/ASL Literature Performance: (150 points)
- Video Recorded Assignments policy must be followed for this assignment
- Choose one of the following
  - Single handshape story
  - A-Z story
  - ASL poem
  - ASL song (source language must be in ASL)
- Minimum length of 2 minutes

Dispositions/Participation/Attendance: (varies; total of 200)
- These points will be used for quizzes (such as vocabulary, numbers, fingerspelling) in class activities, participation, attendance, etc.
- Point value for each assignment used in this category will be announced prior to the activity with the exception of participation.
- These points will include the FINAL submission of your Autobiography assignment.
- There is no make-up allowed for any activity under this category.
- Attendance points will be calculated into this category.
- Determination of how a grade is calculated will be based on the activity. Quizzes will be graded for accuracy, participation will be graded on whether student actively participated or sat back and watched, and other class activities will be graded based on the nature of the activity. If it is possible to grade the activity for accuracy, the activity will be graded in that manner.

Grading Standard based on Percentages:

A: 90-100: Students earning the grade of an A on any assignment will have completed work that obviously demonstrates a more than average understanding of the course material and completion of all aspects and requirements of the assignment. The grade of an A is reserved for that work which expertly displays one’s ability to engage the ideas at hand.

B: 80-89: Students earning the grade of a B on any assignment will have completed work that demonstrates a more than average understanding of the course material and completion of all aspects and requirements of the assignment. The grade of a B is reserved for that work which adeptly displays one’s ability to engage the ideas at hand, recognize and dialogue about the complications of such ideas, and translate such dialogue into clear, academic prose that is free of stigmatized errors. However, the level of thought, while still above average, may fluctuate in terms of analytic abilities and expression.
C: 70-79: Students earning the grade of a C on any assignment will have completed work that demonstrates an average understanding of the course material and completion of all aspects and requirements of the assignment. The grade of a C is reserved for that work which displays one’s ability to engage the ideas at hand (more so through summary and response rather than analysis), recognize and dialogue about the complications of such ideas (however, the complications recognized will focus more on surface level issues rather than the greater whole), and translate such dialogue into clear, academic prose that is free of stigmatized errors. As can be seen from this description, the level of thought will be acceptable and display that a student has read the assignment, but his/her analytic abilities and level of expression will not be nearly as complicated nor developed. Instead, C work will display a student’s hold to traditional methods of expression.

D: 60-69: Students earning the grade of a D on any assignment will have completed work that demonstrates a below average understanding of course material and a lack of completion of all aspects and requirements of the assignment. The grade of a D is reserved for that work which displays one’s struggle or refusal to engage the ideas at hand, simply summarizes the work under study with no actual recognition of or dialogue about the complications of such ideas, and the translation of ideas into writing is completed in such a convoluted manner that the audience will have difficulty following the conversation.

F: 0-59: Students earning the grade of F on any assignment will either not have completed the assignment, will have completed the assignment but not followed the guidelines, or will have completed the assignment and demonstrated a complete misunderstanding of the course material. In this case, it will be obvious that the student has either not completed the required reading and/or given him/herself enough time to develop the work. The grade of a F is reserved for that work which does not engage the issues at hand, offers a base (not complete) summary of the work at hand with no critical engagement, and the translation of ideas into writing is either incomplete or the audience will be unable to follow the conversation. It is important to remember that a student can receive 0 out of 100 points. In the case that a student only partially completes an assignment or completes a work (in terms of page length, but not purpose) s/he may receive 0 points. If you make an F on a major assignment, you should make an appointment with me to discuss the matter.

VII. Course Evaluations:

Near the conclusion of each semester, students electronically evaluate courses taken within the College of Education. Evaluation data is used for a variety of important purposes including:

1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes;
3. Making decisions on faculty tenure, promotion, pay and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical! In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of
students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VIII. Student Ethics and Other Policy Information: Found at https://www.sfasu.edu/policies

Class Attendance and Excused Absence: Policy 6.7
Policy is found at the following link: http://www.sfasu.edu/policies/class-attendance-6.7.pdf

Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6
Policy is found at the following link: http://www.sfasu.edu/policies/student-academic-dishonesty-4.1.pdf

Withheld Grades: Policy 5.5
At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

Student Code of Conduct: Policy 10.4
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the iCare program is found at https://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936-468-2703.

Masks (cloth face coverings):
Masks must be worn over the nose and mouth at all times in this class and appropriate physical distancing must be observed. Students not wearing a mask and/or not observing appropriate physical distancing will be asked to leave the class. All incidents of not wearing a mask and/or not observing appropriate physical distancing will be reported to the Office of Student Rights and Responsibilities. Students who are reported for multiple infractions of not wearing a mask and/or not observing appropriate physical distancing may be subject to disciplinary actions.

IX. Other Relevant Course Information:

Acceptable Student Behavior - Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.

Attendance: – Attendance is IMPERATIVE for success in this course! Class discussion and participation is critical as well. Excessive absences will adversely affect your ability to perform well on exams. No makeup work will be given for any absence not approved as an excused absence by the university. Additionally, excessive absences cheat you of your education (and money)! More than 4 unexcused absences/3 consecutive absences will result in the automatic drop of a letter grade after FINAL grades have been calculated.

Class Participation: Successful class interactions depend on prepared and present communicators! You are expected to attend each class and to participate in all class discussions and activities. This includes actively listening, asking and answering questions, expressing your opinion. Diversions due to personal notes, visiting, or working on day planners, are not considered appropriate and will be addressed when observed. Cell phones are to be turned off during class. Texting during class (reading, composing, or sending messages) is NOT accepted and will be addressed as observed.

Turning in Assignments:
Assignments must be turned in according to the requirements for each assignment. Leaving an assignment with the secretary, with lab assistants, etc. unless specifically told to do so, will not be accepted. You are responsible for turning in your assignments according to each assignment’s requirements. It is no one else’s responsibility to make sure that your assignment is received.

**Technical Difficulties**: 
Technical difficulties will not relieve the student of their responsibility for turning in assignments or completing quizzes on time. Attempt all assignments and quizzes early and seek help as needed. Allowing a minimum of 24 hours is a responsible practice to follow.

**Practice outside of class**: 
All students are expected to practice outside of class for at least 1 hour per week for each credit hour earned. A three credit hour course requires a MINIMUM of three hours of practice each week.

**Zoom/Virtual Etiquette**: The above rules still apply in any virtual format related to this class.

- Be ready for class at least 5 minutes before start time.
  - Late log ins are disruptive and will be documented as a tardy in the course.
  - Excessive tardies will affect your disposition grade.
- Fully dressed (If you are unsure what this means, please email for clarification)
- Sitting up (not laying down on any surface)
- Video must be on and sound off unless specified by the instructor.
- No eating while on Zoom
- No talking to other people in the room while in class.
- Present yourself in a respectable manner as you would in any face to face class.

**Advancing to ASL IV requires the following**: A grade of “B” or better in ASL III. The course is heavily weighted on the final receptive test and expressive assessments or assignments. You may only register for ASL IV AFTER grades are submitted.

  - The prerequisite WILL be enforced: If you manage to enroll in a course without meeting prerequisites, your instructor will check and you will be removed from the course.
  - Grades may not be released through e-mail. The Family Privacy Act considers e-mail too public. In order to prevent others from seeing your grades unless you so desire, I may only discuss grades in person or over the phone.
