COURSE SYLLABUS

I. COURSE DESCRIPTION

This course is intended to complete the policy sequence. It builds on the history, mission and philosophy of the social work profession (SWK 215) and a survey of the development of the social welfare system in the United States, the diverse and disadvantaged populations affected and the relationship between policy/legislation and the generalist practitioner's function in the attainment of health and well-being of these populations (SWK 315).

Students will enhance their understanding of the definition, purpose and processes of social policy at multiple societal levels. They will expand their knowledge of policy formulation; external pressures exerted throughout the processes and subsequent impact on oppression and diverse at-
risk populations, including client systems in rural areas. Students will then explore both the purpose and process of policy analysis in the evaluation of policies. Throughout the course, students will view policy process and analysis in the context of social work values and ethics in generalist practice functions in seeking social and economic justice for all client populations.

II. CURRICULUM DESCRIPTION

The BSW program at SFASU features generalist social work practice, defined as follows:

Generalist practice serves client systems utilizing an ecological systems approach focusing on persons, families, groups, organizations, and communities. It is not confined by a narrow cadre of theories; rather it is versatile enough to allow problems and situations, as well as strengths, capacities, and resources, to determine the practice approach. Generalist practice employs a problem solving framework and a broad knowledge, value, and skill base, which demands ethical practice and on-going self-assessment. Briefly, generalist social work practice:

- Is multi-level to include individuals, families, groups, organizations, and communities
- Is multi-theory, allowing for the free selection of theories as appropriate
- Utilizes a problem identification and solving focus that follows a problem-solving framework
- Utilizes multiple interventions at multiple levels, as appropriate
- Addresses the complexity of individual, family, group, organizational, and community system interactions
- Requires an integration of awareness, competence, and professional response to issues of values, ethics, diversity, culture, social justice, and populations-at-risk.

Week 16 (12/9) Policy Presentations/Final Exam
VIII. COURSE REQUIREMENTS:

A. **Class Attendance and Participation:** In order for the class to discuss the readings, it is essential for you to read assigned material before coming to class, to attend class regularly, and to participate in class discussion. You are responsible for all material covered in class and assigned in the syllabus, whether or not you have attended class.

  **Cell Phones/Pagers/Electronic Devices:** Because such devices are disruptive to the classroom environment, I ask that you refrain from using them during class. I also ask that you either place such devices on silent mode or turn them off during class. Repeated interruptions may result in a deduction of points from the final average.

B. **Readings:** The course outline provides a list of required readings for each week (you will receive a detailed schedule the first full week of class that will outline the readings to be covered each class). Since lectures and class discussions are designed to answer questions about the material and expand upon the basic concepts, you are expected to complete the assigned readings prior to class. Furthermore, you are expected to come to class prepared to discuss the information, as evidenced by active participation in class discussion. For example, you should present well-formulated questions and comments that demonstrate prior preparation.

C. **Exams:** Three major application exams will be given during the semester. All material provided on the topics, including all assigned readings, discussions, lectures, discussion questions/responses (online), and guest presentations are subject to examination. The exams will consist primarily of essay questions and may also contain matching, true/false, and/or multiple-choice questions. The final exam will also require application of material from the entire semester.

  You are expected to take all exams at the scheduled time. Permission to miss any exam will be based on the policy for excused absences as stated in the SFASU General Bulletin (available online at [www.sfasu.edu/bulletin](http://www.sfasu.edu/bulletin)). Missing an exam without either prior permission or an excused absence will result in a grade of "0" on that exam. I will schedule make-up exams.

D. **Quizzes:** A total of 5 quizzes will be given over the course of the semester. The quizzes may either test for general comprehension of the course material (assigned readings and/or previous lecture topics), be based on active participation in a classroom activity or attendance. The quizzes will be unannounced and may occur at any time during the class period.

  Missing a quiz due to an unexcused absence will result in a grade of “0” on that quiz. Make-up quizzes will be given for an excused absence as defined by the SFASU General Bulletin. I will schedule make-up quizzes.

E. **In-class Activities:** A total of seven in-class activities will be held during the semester. Each in-class activity is worth 10 points, which will be based on attendance and participation. See the assignment description for details. Missing a group meeting, regardless of the reason, will result in a grade of “0” for that meeting.
F. **Assignments:** You are responsible for completing assignments in accordance with the specific guidelines identified in the assignment description (in the syllabus). Each part of Assignment A (A-1, A-2, A-3 & A-4) is to be typed using a word processor in 12 pt. font with double spacing and standard margins. All assignments are to be in APA format per the *Publication Manual of the American Psychological Association* (6th ed.). Failure to meet these guidelines will result in loss of points. See the assignment descriptions for specific guidelines. The student will be required to upload most research papers to the assigned D2L Dropbox.

Late assignments will result in 10% of the total possible points being deducted from the total points earned for each day the assignment is late, with 10% deducted immediately following the class period during which the assignment is due. The only exception is an excused absence as defined by the SFASU General Bulletin.

***All late assignments will be evaluated at the end of the semester***

  d. Discussion of the policy’s congruence with social work values and ethics
IX. ACADEMIC INTEGRITY
SFASU Policy A-9.1

Honesty and representing one’s knowledge and abilities appropriately are important ethical principles of the social work profession. All violations of the Academic Integrity Policy will be addressed in accordance with SFASU Policy A-9.1 (SFASU Policy A-9.1 can be found at the web address below). All incidents will result in a grade of “0”. Given the limited number of graded assignments in this course, a “0” could have serious consequences for the student’s academic standing.

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Definition of Academic Dishonesty

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to
(1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the Student Academic Dishonesty policy (SFA Policy 4.1) on http://www.sfasu.edu/policies/student_academic_dishonesty.pdf

Withheld Grades Semester Grades Policy
(A-54)
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
Please read the complete policy on Course Grades: http://www.sfasu.edu/policies/course-grades.pdf
Acceptable Student Behavior

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see Student Conduct of Conduct SFA Policy 10.4). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.

Please see the following link for the complete policy:
http://www.sfasu.edu/policies/student-code-of-conduct_10.4.pdf

X. STUDENTS WITH SPECIAL LEARNING NEEDS AND DISABILITIES

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations.

For additional information, read Academic Accommodation for Students with Disabilities (SFA Policy 6.1)
http://www.sfasu.edu/policies/academic-accomodation-for-students-with-disabilities.pdf
Assignment A: Policy Analysis Paper

The purpose of this assignment is to enhance your understanding of policy analysis and its importance to generalist social work practice. In order to complete this assignment you need to choose a social issue in which you are interested. You may also use a social problem that you have written about and/or are writing about for a social work class (such as SWK 315, SWK 450, or SWK 455). While you may use previous work for this assignment, it must be your work, not that of a group or another student. Prior research and papers written for other classes should not account for more than % of any paper submitted for SWK 415.

Your social issue must be approved by me prior to beginning this assignment. I will ask you to identify your social issue during class on__________. In the meantime, if you decide on your social issue and want to get started, feel free to email me the information via Desire2Learn and I will respond to you. Once you have approval, you can begin working on the assignment, which will be submitted to me and graded in four parts during the semester:

Part 1: Identify a social problem and conduct a literature review 50 points

Part 2: Identify and locate the relevant legislation or policy 20 points

Part 3: Critique three models of policy analysis 50 points

Part 4: Final Integrative Paper (includes parts 1, 2, 3 and a policy analysis) 100 points

Each assignment will be evaluated based on its adherence to the guidelines outlined below, as well as the following criteria: 1) demonstration of critical thinking skills, 2) ability to organize and clearly present the information, 3) writing skills (such as grammar and punctuation), and 4) adherence to APA guidelines. You must submit each assignment to the appropriate dropbox in D2L no later than 2 pm on the due date for the assignment. The assignment will be considered late until it has been submitted to Desire2Learn. The specific requirements for each part of the assignment are outlined below.

Part 1
You will conduct a thorough literature review on your approved topic, which is to include the following:

1. Introduction and problem statement (5 pts)
2. Thorough review of the problem (30 pts.), including:
   a. Various aspects of the problem
   b. Various points of view of the problem
   c. Related issues/problems
   d. Information on current practices, judicial reviews, statutes, and regulations
3. References (5 pts.)- The literature review should include information from current professional journals, judicial publications, statutes, and regulations. The literature review is to be based upon at least 5 professional journal articles (peer-reviewed journals from social work and related fields) and at least 2 credible internet sources.
**A rubric will be provided with detailed instructions for this literature review.**
The final 10 points will be based on adherence to APA guidelines, grammar, and organization.

**Part 2**
You will locate current legislation or policy that is directly related to the chosen social problem and governs the social services provided by an organization. **Organizational policies are not acceptable.** You need to include a brief narrative that demonstrates (explains) the relationship between the chosen social problem and policy. **The narrative is to be accompanied by a copy of the chosen legislation or policy.**

**Part 3**
You need to select three frameworks of policy analysis for this assignment. Using the three selected models, you will create a visual matrix or table that compares and contrasts the models and includes the following information:

1. Overall strengths and weaknesses of each model
2. Outlines the positives and negatives of each model regarding the assessment of effectiveness in service delivery to client systems
3. Addresses effectiveness in evaluation of social and economic justice for diverse client systems
4. Addresses effectiveness in evaluation of social and economic justice for oppressed client systems
5. Discusses benefits to agencies regarding program evaluation and provision of feedback and direction for service delivery.

The matrix is to be accompanied by a narrative that explains the matrix. You also need to identify which of the three models you will be use for the final paper. Your choice of models is to be justified in a narrative format. **You must use one of the following models for the policy analysis (Part 4): Value-Critical Approach (Chambers), ANALYSIS Model (McInnis-Dittrich), or Gil’s Model. The chosen model chosen will serve as one of the three models included in the matrix.** The matrix and the narrative are each worth up to 25 points.

**Part 4**
Your final paper will include revised versions of Parts 1, 2, and 3 (based on instructor feedback). It will also include a thorough analysis of the chosen policy. Your analysis should be in the format suggested by the chosen model and based on your knowledge of the policy process and linkages between policy formulation, implementation, and impact on client systems. As noted above, your analysis should be based on one of the following models: Value-Critical Approach (Chambers), ANALYSIS Model (McInnis-Dittrich), or Gil’s Model. In addition to the criteria included in the chosen model, you need to include the following:

An evaluation of the policy’s importance to and impact on:

2. Demonstration of working knowledge of the analysis model
3. Thoroughness and competence of your analysis and critical thinking skills
4. Demonstration of adequate knowledge of the chosen policy
5. Proper writing skills (APA style), well organized, clarity of presentation (10pts.)
