SPAN 1312 “Elementary Spanish II” (3 credits) meets three times a week in 50-minute segments, or twice a week in 75-minute segments for 15 weeks, and also meets for a 2-hour final examination. Online delivery contains extensive written content as well as audio-visual presentations and exercises that includes the same information students in a face-to-face lecture course receive, requiring students to engage the online modules for at least three hours per week. Both formats require students to participate in daily listening, reading, and grammar exercises, in addition to practicing their conversation skills. They are expected to take regular written and/or verbal quizzes and chapter tests and are assessed for their active participation using the Spanish language. A significant portion of their grade comes from daily homework activities. A student can expect to spend at least 6 hours each week preparing outside of classroom hours.

SPAN 1112 “Elementary Spanish II Lab” (1 credit) meets for 50 minutes each week in the Language Resource Center (LRC) for oral language practice, and will interact at least 50 minutes per week with an online practice interface as a co-requisite to SPAN 1312. If this course is taken online, flexible zoom hours will replace meeting in the LRC.

While our class will not meet face-to-face, please be aware of the COVID-19 Mask Policy when on campus: COVID-19 MASK POLICY Masks (cloth face coverings) must be worn over the nose and mouth at all times in this class and appropriate physical distancing must be observed. Students not wearing a mask and/or not observing appropriate physical distancing will be asked to leave the class. All incidents of not wearing a mask and/or not observing appropriate physical distancing will be reported to the Office of Student Rights and Responsibilities. Students who are reported for multiple infractions of not wearing a mask and/or not observing appropriate physical distancing may be subject to disciplinary actions.

Attendance and Participation: Participation in D2L and Mindtap is mandatory. Using Spanish to interact with your instructor and other students in the class is an important aspect of learning the language and cannot fully be measured by written exams. Therefore a portion of the final grade will
depend on class participation. Your participation grade in the online environment is based on your time spent in D2L as well as Mindtap, your attempts to communicate in Spanish in the D2L discussions, and participation in paired and group activities. All students are expected to participate actively speaking in Spanish whenever able in D2L. In a regular course, if you exceed nine unexcused absences in one semester you cannot pass the class; therefore, in the online environment, if you do not complete at least 75% of the time required in D2L and Mindtap, you will not pass the course.

**Late Work:** No late work will be accepted without approval from your instructor and/or proper documentation submitted from a university sponsor, physician, etc. For documented excused absences, you may make up quizzes, tests, and exams for classes missed. You are encouraged to discuss any missed assignments with your instructor. For these matters, make an appointment before or after class or during office hours.

**Grading Criteria:**

- Exams (Midterm & Final): 40%

SFA POLICIES:

Academic Integrity (A-9.1)

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Definition of Academic Dishonesty

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

Withheld Grades Semester Grades Policy (A-54)

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. To receive a WH, the student must have completed a majority of the course. If a WH is given, students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
