COURSE DESCRIPTION:
Art 480/580 provides an intensive examination of the major themes and ideas of modernism as well as a survey of its principal stylistic schools, individual artists, and key events that mark the historical development of Modern art from its origins in Impressionism through the heyday of Abstract Expressionism. Working within the framework of an “Art in Context” approach, lectures will examine representative works not only in terms of formal conventions and innovations, but also will seek to place them within the broader historical milieu. The instructor encourages lively discussion among the students, who may wish to explore more fully certain issues raised in either the class lectures or assigned readings.

COURSE LEARNING OUTCOMES:
Students who successfully complete ART 480 will demonstrate competency in understanding the core principles, events, theory and practice of modern art from the Postimpressionist through Pop art. They will demonstrate: 1) ability to identify and know the significance of major European Artists, 2) be able to identify representative works of painting, sculpture and some architecture of the major styles, 3) mastery of the core principles of modern art as a broad historical phenomena and 4) within the context of specific movements, including, Expressionism, Cubism and related Cubo-futurist styles, abstract painting and sculpture, Bauhaus and International Style Architecture, Russian Suprematism and Constructivism, De Stijl, Dada, Surrealism, Abstract Expressionism, and Mid-century European Expressionism.

STUDENT EVALUATION:
Students will be assigned according to their performance on three examinations (consisting of essay and objective questions) and a term project (to be determined in consultation with the supervising instructor). Students are also expected to become actively engaged in class discussions and attend three guest speaker events.

Exam #1: 100 points; # 2: 100 pts.; Final #100 pts.; class participation, 50 pts.
   Cumulative Grades:

STUDENT EVALUATION:
Undergraduate Students will be assessed according to their performance on three exams (consisting of objective and essay questions), class participation, and a term project (details will be announced later).

NOTE: Graduate Students must enroll in ART 580 and will have additional coursework, a research project, and be expected to perform at a higher level.
