Prerequisites:
4 hours of dance technique and DAN 300

Co-requisite:
Regular attendance in a level II technique class or higher.

I. Course Description:
Improvisation and Composition is a physical and intellectual course in which the students will learn the basic skills needed to create choreography. This course is an advanced course in which the students involved are dance majors and minors, having advanced movement skills and background in dance techniques to which they may apply to choreographic projects. The students’ main focus is on movement exploration through improvisation, composition with emphasis on spatial design, rhythmic and dynamic structure.

Choreography classes meet 150 minutes per week for 15 weeks. Course assessments are both theoretical and practical. Assigned readings and subsequent exams and quizzes require students to study between class sessions. This equates to 2 hours per week outside of class per credit hour. Students are assessed through 4 major choreographic presentations. Students are required to utilize additional practice and rehearsal outside of class and in assigned locations. Students are also given comprehensive examinations over required and suggested readings. Fees $10

The James I. Perkins College of Education is committed to proactively recruiting and retaining a diverse faculty, staff, and student population. Through open dialogue, mutual respect, and shared responsibility, faculty, staff, and students will demonstrate an understanding and sensitivity to ethnicity, race, gender, exceptionalities, culture, language/dialect, age, social class, family structure, sexual orientation, religion, and spiritual values in order to enhance the quality of life in a diverse, global community.

The students will be given partner work to understand better the choreographic process on how to create choreography for small groups and large groups. Each choreographic project will contain aspects of research to better engage each student in their journey through choreographing substantial work. The students are encouraged to use technology such as Youtube and DVD to observe substantial choreography to create personal, creative work.
Choreography 2 will be the host for Danceworks

IV. Evaluation and Assessments (Grading):

Choreographing dance is an art form that must be practiced daily for mastery. Students are expected to participate in each class fully. It is recommended that any student who is ill should attempt to attend class unless they are contagious or confined to a bed. Any student who opts to observe and not participate will receive partial credit for that class. Class observation gives the students a good learning opportunity to listen to explanations and corrections the instructor has given out. Lack of participation for any sustained period of time due to illness or injury may result in the possibility of dropping out of the class entirely. **Daily participation means committing to the class and is worth a considerable amount of a student’s final grade.**

**Attendance/Participation:**

**Attendance:** Each absence, after 2, will drop the student’s final grade by one full letter grade, assuming each student begins the semester with an A. For example 3 absences = B, 4 absences = C, 5 absences = D. **Any student who has 6 absences or more will result in an automatic failing grade and will not pass the class.** An absence will be excused if the student notifies the instructor via email immediately, and presents a doctor’s note the very next class period that he/she is approved to return to class. Doctor’s notes will not be accepted at the end of the week, month, or semester if the student has already returned to class and forgot to bring the doctor’s note. The same consideration will be given for funerals and University-sponsored events. Points will be deducted for students who leave class before dismissal. If the student is tardy (more than 10 minutes late), they will be counted absent! **For every 2 tardies, the student will receive one absence!**

**Attendance will be strictly enforced.** It is the responsibility of the student to keep track of their number of absences.
Daily Participation:
For each class, the students have the opportunity to earn a total of 10 points by being on time, wearing the proper attire, showing a positive attitude, having material ready, keeping up with their journal entries, and giving 100% effort. Students will lose points for being late or leaving early, not wearing proper attire, slacking off, having a bad attitude or being rude or disrespectful, and not having journals entered and ready. As stated before, a student who observes class will only earn partial points. No points can be earned if the student is absent.

Choreographic Projects:
Periodically throughout the semester, the students will be given instructions on specific choreographic projects and how to create them. These projects will include material discussed in class per each stage of the students’ choreographic journey. These projects are electronically recorded and are available for viewing upon a scheduled request. Each choreographic project will be graded on time (duration of material), content (consistency with classroom instruction), memory, use of space, and ability to make clear the content of the project.

Project 1: The Body Part (Solo)
Part 1 – Each member will select a body part to manipulate and dance about.
Part 2 – Create choreography based on the body part chosen (Keep video of original movement and manipulations of your body part)
Part 3 – Teach to group member
Part 3 – Film choreography (1-2 minutes)
*Group member one will teach their movement to group member 2. Group member one will film group member 2 doing their movement.

Project 2: The Duet (Midterm Movement)
This project will use the entire body and include all elements learned up to the mid-semester point.
Part 1 – Create choreography using McPherson’s First Steps
Part 2 – Teach choreography to group members
Part 3 – Film the duet (1.5- 2 minutes – depending on group size)

Project 3: The group (Final Movement)
For this project, the class will be split into small groups and include all elements learned throughout the entire semester.
Part 1 – Create choreography using McPherson’s First Steps
Each member will create 1 minute of Choreo
Part 2 – Teach choreography to group members
Part 3 – Film the group (3-5 minutes – depending on group size)
Each member will film their section of choreography
Each member will dance in the sections they did not choreograph

Exams:
Written Midterm and Final:
The Midterm and Final will consist of a written exam. The students’ journal is to be submitted on this date.
As part of the final grade, each student will also attend Danceworks, April 16-18.
Attendance for this concert will be taken daily.

After viewing Danceworks each student will discuss how they could change one live
dance into a dance for camera.

Make-Up Policy:
Written assignments will be accepted late, however 1 letter grade will be deducted for each
day the assignment is late. NO assignments will be accepted after the 5th day.

If the student is in good standing with the course, the instructor may allow absences to be made
up. The student must come to office hours, or set up a meeting to discuss this option.

Procedures to be Followed for Injury or Accident of a SFA Student:

1. Administer appropriate first aid.
2. For a major medical emergency, a phone call should be placed to the University Police Department (UPD) (911). UPD will report to the scene of a medical emergency, assist with first aid, and contact an ambulance service.
3. Students may choose to report directly to the Student Health Services for minor first aid needs or routine medical services.
4. If assistance is needed in transporting the injured student, call the UPD non-emergency phone number at 936-468-2608.
5. The instructor should complete an accident report which can be obtained from the department office.

V. Course Evaluations:
Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including:

1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes; and
3. Making decisions on faculty tenure, promotion, pay, and retention.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!”

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through MySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VI. Student Ethics and Other Policy Information: Found at http://www.sfasu.edu/policies/

Class Attendance and Excused Absence: Policy 6.7

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.
**Academic Accommodation for Students with Disabilities: Policy 6.1 and 6.6**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/)

**Student Academic Dishonesty: Policy 4.1**

Abiding by university policy on academic integrity is a responsibility of all university faculty and students. Faculty members must promote the components of academic integrity in their instruction, and course syllabi are required to provide information about penalties for cheating and plagiarism, as well as the appeal process.

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:
- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:
- submitting an assignment as one's own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source;
- incorporating the words or ideas of an author into one's paper or presentation without giving the author credit.

**Penalties for Academic Dishonesty**

Penalties may include, but are not limited to, reprimand, no credit for the assignment or exam, re-submission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals**

A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades: Policy 5.5**

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
Student Code of Conduct: Policy 10.4
Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

Additional Information:
Code of Ethics for the Texas Educator:
The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

   A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

   You are eligible to request a Preliminary Criminal History Evaluation if:
   
   • You enrolled or planning to enroll in an educator preparation program or
   • You are planning to take a certification exam for initial educator certification, and
   • You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.
You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at http://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html. YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.
