Students who do not have an existing LiveText account will receive an access code via the SFA email system within the first week of class. You will be required to register your LiveText account, and you will be notified how to do this via email. If you forward your SFA email to another account and do not receive an email concerning LiveText registration, please be sure to check your junk mail folder and your spam filter for these emails.

If you have questions about obtaining or registering your LiveText account, call ext. 1267 or email SFALiveText@sfasu.edu. VII. Course Evaluations:

Near the conclusion of each semester, students in the College of Education electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including:

1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes;
3. Making decisions on faculty tenure, promotion, pay, and retention.

Students in the COE electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning, and accreditation; 2. Instruction evaluation purposes; and 3. Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the COE, the course evaluation process has been simplified and is completed electronically through MYSFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

You will receive two (2) bonus points for completing this important evaluation in this course.

VIII. Student Ethics and Other Policy Information:

Due to the social constructivist nature of our course it is expected that all Clinical Teachers arrive on time, attend, remain for the entirety of the meeting, and fully engage in all class meetings and scheduled activities. Clinical Teachers will be allowed one absence per semester (known as a “personal day”); advance notice of absence is expected, when possible. For every absence from a class meeting/required activity (after the first one), Clinical Teachers may earn a full letter grade deduction from their final course grade. After two absences (not including your “personal day”), a program continuation meeting may be called between professors and Clinical Teacher; failure of the course may be warranted.

Arriving 15 minutes after the start of class or leaving 15 minutes prior to the end of class will also constitute an absence.

Attendance will be verified through Engagement activities completed in class.
Also, when the official role is taken, if you have not been active in this course up to this point, you may be dropped from financial aid.

### Academic Accommodation for Students with Disabilities (Policy 6.1/6.6):

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004/468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to [http://www.sfasu.edu/disabilityservices/](http://www.sfasu.edu/disabilityservices/).

### Academic Dishonesty:

Abiding by university policy 4.1 on academic integrity is a responsibility for all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

#### Definition of Academic Dishonesty:

**Academic dishonesty** includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. **Plagiarism** is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit.

**Penalties for academic dishonesty** may include, but are not limited to reprimand, no credit for the assignment or exam, resubmission of the work, make-up exam, failure of the course, or expulsion from the university.

### Student Appeals:

A student who wishes to appeal decision related to academic dishonesty should follow procedures outlined in the policy, **Academic Appeals by Students (6.3)**.

### Withheld Grades Semester Grades (Policy 5.5):

At the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes and F, except as allowed through policy (i.e., Active Military Service (6.14)). If students register for the same course in future terms, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

### Student Code of Conduct (Policy 10.4):

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt
the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the iCare: Early Alert Program at SFA. Information regarding the ICare program is found at [https://www.sfasu.edu/judicial/earlyalert.asp](https://www.sfasu.edu/judicial/earlyalert.asp) or call the office at 936 468 2703.

**Code of Ethics for the Texas Educator:**

Additional Information:

**Code of Ethics for the Texas Educator:**

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

**To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:**

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual's self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a **non-refundable fee**. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.
You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texes.ets.org/registrationBulletin/)<http://www.texes.ets.org/registrationBulletin/>. YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

**For further information concerning this matter, contact Katie Snyder Martin at 936-468-1740 or snyderke1@sfasu.edu.**

**IX. Other Relevant Course Information**

**The State of Texas Elementary Education TExES Preparation Law**

As required by Texas Administrative Code Rule §228.35, educator preparation programs shall provide each candidate with training that includes at least six clock-hours of explicit certification test preparation that is not embedded in other curriculum elements (excerpt from the law).

In the SFASU Elementary Education Department preparation for the TExES PPR exam is offered in RDG 322 for EC6 candidates. For the EC6 TExES exam, the preparation is offered in ELE 303. Also, the ESL test preparation is offered in RDG 415.

*The professor reserves the right to change this syllabus at any time to meet the emergent needs of teacher candidates, in response to unexpected events/schedule changes, to clarify course expectations, etc. and will notify teacher candidates of any changes, in writing, in d2L. It will be the responsibility of the Clinical Teachers to stay aware of any changes made to the original syllabus.*

*Finally, the professor reserves the right to exercise her expertise in calculating a final course grade that best reflects each teacher candidate’s overall course performance, taking into account assignment submissions and overall professional demeanor.*
As your professor, it is my intent to provide the most equitable, safe, and positive learning environment that I can for you. In my course, I want to see, hear, respect, and value your unique existence and encourage you to share with me specific suggestions for improvement in order to ensure that my practices have their intended impact in your life. As a future teacher --- taking time to care for yourself is in the best interest for you AND your future students!

To that end, please be aware of the following policies, practices, and organizations meant to assist the multiple types of students who may be experiencing unique life identities while pursuing a degree of education at SFASU. If you ever find you (or others) experiencing any of the following, please take time to communicate with me (sooner! rather than later) and/or seek assistance as outlined below.

For students experiencing food insecurity...

**Food for Thought** is a food pantry at SFA to help alleviate hunger among students. Visit on the 3rd floor of the Student Center, 3.201.

**Food for Thought** is not a University-funded service. It is supported by volunteers and by charitable contributions and donations. All items are offered as available.

**Please note, if you are unable to come during the regularly scheduled distribution time, anyone in the 3rd floor Student Affairs office can unlock the pantry for you at any time!**
For students with DACA status...

**Letter from the late President Baker Patillo, SFASU (fall 2017)**

*Dear SFA Community,*

The recent announcement about the Deferred Action for Childhood Arrivals (DACA) impacts the SFA community. The change this new approach creates can dramatically impact the lives of young people who were brought to the U.S. as children. Some of these young people affected are Lumberjacks. Each one of them is valued. Each one of them contributes to the SFA experience.

We recognize that though we are very different from one another, we are united by the Lumberjack Spirit. When we espouse the root principles of The SFA Way, we pledge our commitment to Respect, Caring, Responsibility, Unity and Integrity. Now is a time to reinforce our commitment to these principles for every student, from every background and experience, who made SFA their university of choice. It is through their commitment to the transformative experiences we offer that we all benefit.

Like other university presidents from across the nation, I hope that Congress swiftly passes bipartisan legislation that will provide a permanent solution for this issue. Our students who are affected by the DACA changes need a clearly defined and understandable pathway that allows them to continue to live, work, study and achieve citizenship in the only nation many of them have ever known as home.

*Sincerely,*

*Baker Patillo*

*President*

**For students with caregiver responsibilities...**

Currently, the university does not have a formal policy on children in the classroom. While I maintain the same high expectations for all students in my classes regardless of caregiver status, as a parent, I understand the demands of parenting. Therefore, I am happy to problem-solve with you about time management, course work, or course assignments in a way that makes you feel supported as you strive for school-parenting balance.

For students in need of mental health services...

The profession of teaching is a complex, service-oriented endeavor that requires one to maintain physical and mental health. If you find yourself experiencing issues related to mental health, SFASU offers FREE counseling service to all students. “In keeping with our philosophy of promoting positive mental health and safety, Counseling Services assists SFA students in overcoming obstacles to their personal and academic goals. We accomplish this through individual and group counseling for students and through outreach, presentations, training and consultation for the campus community.” For more information: http://www.sfasu.edu/counselingservices/
