1. Course Description:

MSC 302 focuses on applied leadership in small unit operations. It is an academically
challenging course where you will study, practice, and apply the fundamentals of direct level
leadership and small unit tactics at the platoon level. At the conclusion of this course, you
will be capable of planning, coordinating, navigating, motivating, and leading a platoon in
the execution of a mission. Successful completion of this course will help prepare you for
the Cadet Summer Training Advance Camp, which you will attend in the summer at Fort
Knox, KY.

The course outcomes are derived from the four Army Learning Areas (ALA) and General
Learning Outcomes, as established by the Army Learning Coordination Council. These
outcomes are designed to prepare newly commissioned Second Lieutenants for success at
the Basic Officer Leader Course B (BOLC B) and as a junior officer at their first unit of
assignment (FUA).

The four ALAs and General Learning Outcomes are:

Cadets will be evaluated and their progress managed throughout the course. They will be monitored for their understanding of the course content which will ensure students comprehend the learning objectives and are retaining the lesson content.

2. Course Design:

This course was designed to be student-centric with the onus of learning on the student, but facilitated by the instructor. Army Officers are expected to be life-long learners who take responsibility and personal initiative for their learning. You must properly conduct your pre-class assignments to gain an understanding of the foundation on each subject in the course. Doing so will allow your instructor to spend the majority of the class time on specific areas that are least understood from the lessons, rather than your instructor re-teaching the subject from scratch. Your instructor has a wealth of experience and knowledge to share in the classroom—do your homework so your instructor can spend more time sharing his personal knowledge and experiences with your class. Class will be conducted in an interactive manner with ample opportunities for small group discussions and practical exercises. Everyone will be responsible for contributing to the success of the learning experience.
3. Uniforms

The Army Combat Uniform (ACU) will be issued to any cadet that expresses interest in contracting. The ACU is to be worn on lab days (Wed) all day by all contracted, non-contracted, and SMP Cadets. Appropriate conservative civilian attire will be worn by all enrolled cadets, until proper uniform has been issued by the cadet supply personnel.

All uniforms and equipment (with the exception of SMP Cadets) are furnished by the Military Science Department. All uniforms and equipment must be returned at the conclusion of the course. All Cadets will comply with Army Regulation (AR) 670-1 (Wear and Appearance of the Army Uniform) for grooming standards and proper wear of the uniform.

4. Course Requirements:

**Class participation**
You are expected to participate actively in learning through critical reflection, inquiry, dialogue, and group interactions. 8. **Academic Integrity (A-9.1)**

Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit. Please read the complete policy at [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp)

9. **Withheld Grades Semester Grades Policy (A-54)**

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

10. **Students with Disabilities**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once
verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

Faculty and instructors must forward such reports, including names and circumstances, to the University’s Title IX officer. For more information, see http://www.sfasu.edu/Lumberjacks-Care/.

However, apart from emergency situations, cell phones will be in SILENT or VIBRATE mode at all times while attending class. Cell phones will be kept out of sight. Students expecting an emergency call will notify instructor prior to the start of class.

13. Changes to Curriculum
