Nursing 332 Spring 2020

Stephen F. Austin State University
DeWitt School of Nursing
NURSING CARE IN PROMOTION OF MENTAL WELLNESS
Course Number: NUR 332
Section 001
Clinical Sections 010, 011, 012, 013, 014, 015
Spring 2020

NUR 332 Course Instructors
Hazel Darleen Kimbrough, MSN, APRN, FNP-BC
Angel D. Jones, DNP, RN

NUR 332 Clinical Practicum Instructors
Hazel Darleen Kimbrough, MSN, APRN, FNP-BC
Angela D. Jones, DNP, RN
Violet Hart, MSN, RN

ALL INFORMATION IN THIS SYLLABUS IS SUBJECT TO THE WRITTEN POLICIES AND PROCEDURES OF THE RICHARD AND LUCILLE DEWITT SCHOOL OF NURSING, STEPHEN F. AUSTIN STATE UNIVERSITY, NACOGDOCHES, TX

IN THE CASE OF COMMISSION, OMISSION, AMBIGUITY, VAGUENESS, OR CONFLICT, THE POLICIES AND PROCEDURES OF THE SCHOOL OF NURSING SHALL CONTROL.

EACH STUDENT SHALL BE RESPONSIBLE FOR ACTUAL AND/OR CONSTRUCTIVE KNOWLEDGE OF THE POLICIES AND PROCEDURES OF THE SCHOOL OF NURSING AND FOR COMPLIANCE THEREWITH.

EACH STUDENT IS RESPONSIBLE FOR ALL INFORMATION IN THIS SYLLABUS.

This syllabus is provided for informational purposes only

Office: Adjunct

Class meeting time and place: See course calendar.

Required Textbooks and Materials:

Shadow Health Modules: Mental Health; code can be purchased online (or at the book store)

Course Description
Two semester hours, one hour didactic and three hours clinical practicum. Application of nursing theory, research and practice to clients experiencing mental health stressors with emphasis on primary prevention, communication and self-awareness.

Unabridged Course Description
This course builds on previous, concurrent, and prerequisite courses and introduces the student to concepts of mental health and the stressors affecting mental wellness. Students apply nursing theory, research, and practice to clients of various developmental levels and diverse spiritual, ethno-cultural, and socioeconomic backgrounds who are experiencing mental health stressors. Emphasis is placed on self-awareness, growth, development, adaptation and integration of physiological, mental, emotional and spiritual relationships in the promotion of mental wellness. Students are encouraged to think critically about bioethical and health issues and to communicate effectively on professional, interpersonal, and intrapersonal levels as a member of the interdisciplinary healthcare team.

Number of Credit Hours
2 credit hours (1 lecture / 3 hours clinical practicum)

Course Prerequisites and Co-requisites:
Pre-requisites: NUR 305, NUR 306, NUR 307, NUR 308
Co-requisites: NUR 330, NUR 331

Program Learning Outcomes
Graduates of the program will:

1. Apply knowledge of the physical, social, and behavioral sciences in the provision of nursing care based on theory and evidence based practice.
2. Deliver nursing care within established legal and ethical parameters in collaboration with clients and members of the interdisciplinary health care team.
3. Provide holistic nursing care to clients while respecting individual and cultural diversity.
4. Demonstrate effective leadership that fosters independent thinking, use of informatics, and collaborative communication in the management of nursing care.
5. Assure responsibility and accountability for quality improvement and delivery of safe and effective nursing care.
6. Serve as an advocate for clients and for the profession of nursing.
7. Value continuing competence, growth, and development in the profession of nursing.

General Education Core Curriculum Objectives/Outcomes
None

Differentiated Essential Competencies (DEC’s)
Nursing 332 Spring 2020

The Richard and Lucille DeWitt School of Nursing prepares graduates to demonstrate the *Differentiated Essential Competencies of Graduates of Texas Nursing Programs Evidenced by Knowledge, Clinical Judgments, and Behaviors (DECs).* The competencies are based upon the preparation in the program of study. In nursing education, the DEC’s serve as a guideline and tool for curriculum development and revision, a tool for benchmarking and evaluation of the program, and statewide standard to ensure graduates will enter practice as safe and competent nurses. The DECs are incorporated into every course in the SON to ensure uniformity and continuity of standards.

Please refer to the Texas BON website for additional information

https://www.bon.texas.gov/pdfs/differentiated_essential_competencies-2010.pdf

**Student Learning Outcomes**

The student will:

1. Relate concepts and principles of the arts, sciences, humanities, and nursing as a source for providing holistic nursing care to clients and families with mental health needs.
2. Demonstrate responsibility and accountability using consistent behavior patterns and professional communication.
3. Examine theories of mental health and mental illness.
4. Expand self-awareness with the ability to identify personal coping mechanisms used in response to stress.
5. Relate risks, health seeking behaviors, pathophysiology, and cultural issues to mental wellness.
6. Apply nursing process to clients experiencing mental health needs focusing on wellness promotion.
7. Use research findings to provide holistic nursing care to clients experiencing mental health stressors.
8. Develop teaching plans for clients experiencing mental health stressors.
9. Explore the role of the psychiatric nurse and the interdisciplinary health care team in prevention of mental illness.
10. Incorporate moral, legal, economic, and ethical issues in the provision of care to clients with mental health needs.

**Course Requirements:**

Computerized examinations; lectures, online learning modules using D2L, case studies, simulations, role playing, pre and post conference seminars, process recording assignments, clinical assignments, presentations, interactive discussions, care plans, teaching plans, audio-visual activities, journaling, workshops, service learning, and other projects may be used to evaluate the progress of the students. Learning experiences at a variety of clinical sites will be required; formative and summative clinical evaluations will be provided as feedback for students. Students must achieve an average of 75% on exams and must pass the clinical portion to pass the course.

**Course Calendar:** Tentative calendar is attached.

**Grading Policy:**

It is necessary to obtain a WEIGHTED MEAN TEST SCORE OF 75 in the class exam grades to pass this course. A weighted mean exam score below 75 or a class average below 75 constitutes failure. Clinical will be graded as a Pass/Fail. You must pass both the class and clinical in order to pass Nursing 332. See Nursing Policy No. 25; http://www.fp.sfasu.edu/nursing/studentpolicies.htm.

*Exams are secure; no printing, copying, or writing questions down for outside use is permitted.* Students are responsible for knowing their passwords for accessing D2L and online testing sites.

In the event of course failure, the student must petition the Student Affairs Committee to repeat the course and to remain in the program. See the School of Nursing policies relating to retention and progression.
The percentage values from which a course grade is determined are as follows:
A = (89.5 – 100%); B = (79.5 – 89.4%); C = (74.5 – 79.4%); F = (74.4% or less).

Policy 66 (effective June 1, 2017) for all courses:
1. Rounding is confined to the final course grade.
Grades on individual exams (including comprehensive or HESI), assignments, quizzes, and projects are recorded in the gradebook (D2L) in their original form without rounding.
2. Final course grades are rounded to the closest whole number using the 0.5 math rule and using one decimal point to the right of the whole number. If the final course grade is not a whole number, the following rounding rules apply:
   a. If the decimal attached to a whole number is 0.5 or greater, then round up to the next whole number (equal to or greater than 85.50 = 86)
   b. If the decimal attached to a whole number is less than 0.5, then round down to the previous whole number (equal to or less than 85.49 = 85).
3. The grading schedule for all Nursing Courses is as follows:
   - 90 - 100 = A
   - 80 - 89 = B
   - 75 - 79 = C
   - Less than 75 = F

The course grade will be computed in the manner illustrated below.
- Exam 1.................................................................25%
- Exam 2.................................................................25%
- Exam 3.................................................................25%
- Exam 4.................................................................25%
- Total course grade.................................................100%

**Attendance Policy**

**Attendance at class is expected.** The student must be prepared for both class and clinical activities. Roll will be taken regularly. If students arrive late, they should wait until the break to join the class. Learning modules taught online via D2L must be completed by the due dates posted on D2L.

---

Attendance for exams is **mandatory.** If an excused absence is required, the student is responsible for notifying his/her clinical instructor by telephone at least one hour prior to the exam with an acceptable reason. The student must contact the instructor within 2 business days following the missed exam in order to make appropriate arrangements for
Nursing 332 Spring 2020

make-up. Make-up exams will be given at the discretion of the instructor (refer to SON Policy 20). Faculty reserve the right to substitute an alternate exam format for make-up exams. Unexcused absences from exams will not be made up. http://www.fp.sfasu.edu/nursing/studentpolicies.htm

Exams 1-4 are composed of 50 questions (multiple formats). All tests will be computerized. If computerized testing is not feasible, a paper and pencil test may be substituted. Students will have 75 minutes to complete each exam. (1.5 minutes per question on exams 1-4). Students will be able to review any incorrect questions and rationales at the time of the test only. Students are encouraged to view rationales prior to leaving the exam room as this is the ONLY time rationales may be reviewed. Viewing rationales for missed questions is an excellent way to begin material remediation.

***Testing Expectations****
Because of the testing classroom environment, if you need a larger font, you must seek accommodations through Disability Services. Changing the font size during an exam is not allowed. Changing the font size requires a two-click process; therefore, it is a blatant violation of testing expectations and this will result in a ZERO on the exam.

Testing is never a joint effort in this course. Students may only have earplugs and a pen/pencil. One piece of paper may be supplied by instructors only.

NO hats, NO caps, No hoodies, NO drinks or food, NO calculators, NO sunglasses, NO IPODs, NO watches, NO note cards with information on content are allowed. Backpacks and keys will be placed in designated area in testing room; cell phones will be turned off and left at the front of the room. Please visit the restroom before the test. (An instructor will accompany the student if a restroom break is necessary; only one student may leave the testing room at a time and no additional testing time is given.)

Students who arrive late will ONLY be allowed to take the exam if no other student has left the testing room, and they will complete the test without time extension within the allotted testing period (75 minutes after the 1st exam taker begins).

Inappropriate behavior (including sleeping, inattentiveness, and chattering) will not be tolerated and may result in removal from class or the clinical area. Cell phones must be turned off or put on vibrate during class and are not permitted at certain clinical sites. Texting and surfing the internet are not permitted during class or clinical hours.

Mid-term and Drop Dates: Refer to campus academic calendar for drop dates.

Academic Integrity (A-9.1)
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Definition of Academic Dishonesty
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work
when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit.

Please read the complete policy at http://www.sfasu.edu/policies/4.1-student-academic-dishonesty.pdf

**Withheld Grades (Semester Grades Policy A-54)**
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

The circumstances precipitating the request must have occurred after the last day in which a student could withdraw from a course. Students requesting a WH must be passing the course with a minimum projected grade of C.

**Students with Disabilities**
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

**Communication with Instructors**
Instructors will communicate with students about the course through the use of D2L. Students are required to check these sites at least DAILY for announcements>>posted material and are responsible for information posted on D2L website. Grades will be posted electronically.

**Grading Criteria and Forms for Assignments**
Forms for assignments and grading criteria for assignments will be posted online on D2L. Assignments submitted after the due date may receive a grade of zero unless arrangements have been previously made with the instructor. Failure to submit and to pass clinical assignments will result in clinical and course failure.

UNIT 1
Introduction to Mental Health Nursing & Promoting Mental Wellness

Unit Objectives:
See Chapter Objectives in your Textbook.

Required Preparation:
   Chapter 1: Mental Health and Mental Illness
   Chapter 4: Treatment Settings

***Shadow Health ORIENTATION due with EXAM 1>>>Bring copy of screenshot or completion page to exam
Unit 2
Promoting Mental Wellness

Unit Objectives:
See Chapter Objectives in your Textbook.

Required Preparation:
  - Chapter 5: Cultural Implications
  - Chapter 36: Integrative Care

***Shadow Health ORIENTATION due with EXAM 1>>>Bring copy of screenshot or completion page to exam***
Unit 3
Role of the Nurse in Promoting Mental Health

Unit Objectives:
See Chapter Objectives in your Textbook.

Required Preparation:
Chapter 8: Therapeutic Relationships

Chapter 3: Therapeutic Communication

***Shadow Health ORIENTATION due with EXAM 1>>>Bring copy of screenshot or completion page to exam
Unit 4
Communication

Unit Objectives:
See Chapter Objectives in your Textbook.

Required Preparation:

   Chapter 9: Therapeutic Communication

   Chapter 2: Therapeutic Relationships
   Chapter 3: Therapeutic Communication

***shadow health CONVERSATION LAB due with EXAM 2>>> Bring copy of screenshot or completion page to exam***
Unit 5
Theories and Therapies used in Mental Health Nursing

Unit Objectives:
See Chapter Objectives in your Textbook.

Required Preparation:

   - Chapter 2: Theories and Therapies
   - Chapter 34: Therapeutic Groups
   - Chapter 35: Family Interventions

   - Chapter 29: Theories and Therapies

***Shadow Health CONVERSATION LAB due with EXAM 2>>>Bring copy of screenshot or completion page to exam***
Unit 6
Assessment of Mental Health

Unit Objectives:
See Chapter Objectives in your Textbook.

Required Preparation:

Chapter 7: The Nursing Process and Standards of Care

Chapter 1: The Nursing Process
Appendix A: Patient Centered Assessment
Appendix B: DSM 5 Classification

***Shadow Health ANXIETY due with EXAM 3>>>Bring copy of screenshot or completion page to exam***
Unit 7
Mental Health and Stress

Unit Objectives:
See Chapter Objectives in your Textbook.

Required Preparation:

   - Chapter 10: Stress Responses and Stress Management
   - Chapter 15: Anxiety and Obsessive-Compulsive Disorders
   - Chapter 16: Trauma, Stressor-Related and Dissociative Disorders
   - Chapter 17: Somatic Symptom Disorders
   - Chapter 26: Crisis and Disaster

   - Chapter 8: Anxiety and Obsessive Compulsive Disorders
   - Chapter 9: Trauma, Stressor-Related
   - Chapter 17: Crisis Intervention
   - Chapter 24: Pharmacology- Anxiety
   - Chapter 25: Pharmacology: Depression

***Shadow Health ANXIETY due with EXAM 3>>>Bring copy of screenshot or completion page to exam***
Unit 8
Mental Health Across the Lifespan: Childhood, Adolescents, and Medically Ill

Unit Objectives:
See Chapter Objectives in your Textbook

Required Preparation:
   Chapter 18: Eating, and Feeding Disorders
   Chapter 11: Childhood and Neurodevelopmental Disorders

   Chapter 4: Neurodevelopmental Disorders
   Chapter 10: Eating Disorders
   Chapter 21: Attention-Deficit Hyperactivity Disorder Medications

***Shadow Health PTSD due with EXAM 4>>>Bring copy of screenshot or completion page to exam***
Unit 9

Mental Health Across the Lifespan: Elders, Cognitive Disorders, and Grief

Unit Objectives:
See Chapter Objectives in your Textbook.

Required Preparation:

   Chapter 23: Neurocognitive Disorders
   Chapter 31: Older Adults

   Chapter 13: Neurocognitive Disorders
   Chapter 28: Neurocognitive Medications

***Shadow Health PTSD due with EXAM 4>>>Bring copy of screenshot or completion page to exam***
Clinical Practicum Information:

Clinical Activities will include:

- **All assignments are individual and should be completed on an individual basis.**

**Alternate assignments may be provided when appropriate.**

**ShadowHealth Modules.*** You must enroll yourself the first week of school. You purchase the code for mental health online or at the bookstore. You will use the same code for both Psych semesters.*** More information for login will be provided in D2L.

Clinical Learning Outcomes

1. Identify barriers and facilitators of therapeutic communication in own interpersonal style of relating to others.
2. Maintain professional boundaries in nurse-client and student-faculty relationships.
3. Assess own level of anxiety, self-care needs, strengths and weaknesses, and coping behaviors.
4. Apply nursing process to clients experiencing mental health stressors.
5. Assist clients and families in learning skills to promote mental health and wellness.
6. Examine community resources available for provision of mental health care.
7. Contribute to group development as a member of the interdisciplinary healthcare team.
8. Assume accountability and responsibility for quality of nursing care.
9. Abides by laws, standards and policies of Stephen F. Austin State University, Texas Board of Nursing, facility policies and procedures, standards of practice, and professional code of ethics.
Evaluation – Clinical Component
Clinical performance will be graded on a pass/fail basis, and will be based on the evaluation of the student’s performance as measured by mastery of the Clinical Objectives listed previously. The student’s performance will be evaluated in the clinical area and on required written clinical assignments. **If the student fails to pass the clinical portion of the course, the student will fail the course.** The instructor provides feedback on clinical performance throughout the course. A summative evaluation is done at the end of the clinical practicum during Clinical Processing Day (see calendar).

**Absence from Clinical Policy:**
To be an excused absence **the student must be excused directly by the clinical instructor.** If so directed by the instructor, the student must bring a written excuse from the health provider. Students must inform the clinical instructor prior to the beginning of the clinical day if unable to attend or if late.

Unexcused absences will result in a clinical F Day. Unexcused absences are defined as any absence that was not cleared with the instructor prior to the clinical experience, or any absence not directly related to illness of self or death of immediate family member or significant other.

Students will receive credit for clinical attendance if they are present for the entire clinical period. Students will not receive credit for any clinical period if they leave early unless given permission to leave early by the instructor. Absence from the clinical area exceeding **10%** will result in a clinical failure regardless of the reasons. NUR 332 requires 45 hours of clinical practicum. See clinical rotation schedule posted on D2L.

See School of Nursing Policy 21 @ [http://www.fp.sfasu.edu/nursing/studentpolicies.htm](http://www.fp.sfasu.edu/nursing/studentpolicies.htm)

Students are responsible for compliance with all School of Nursing policies [http://www.fp.sfasu.edu/nursing/studentpolicies.htm](http://www.fp.sfasu.edu/nursing/studentpolicies.htm) and for complying with policies of each clinical facility.

**Clinical F Days:**
- **A. Three clinical F days** will result in clinical failure of the course.
- **B.** See Nursing Student Policies for specific policies and procedures.
- **C. Clinical F days may be assigned for the following reasons:**
  1. Failure to provide safe, effective care.
  2. Failure to assume professional accountability.
  3. Failure to follow directions of the clinical instructor.
  4. Three or more instances of unexcused tardiness (per SON policies).
  5. No call/no show at clinical.

Clinical F days may be assigned for other reasons in accordance with current nursing standards, the Nurse Practice Act for the state of Texas, and the School of Nursing Student Policies, at the discretion of the clinical faculty.

**Clinical Application of NCLEX RN style questions:** A minimum of 10 NCLEX style questions per week must be completed to pass the course. These questions will be documented on the clinical tracker form provided in this syllabus and will be submitted to the instructor on CP Day.
Policies for Clinical
See School of Nursing Policies and Procedures – Nursing Website
http://www.fp.sfasu.edu/nursing/studentpolicies.htm

Students must abide by these policies and by clinical agency policies. These policies include, but are not limited to, current compliance with drug screening, criminal background checks, medical insurance, immunizations, TB screens, confidentiality, dress code and infection control. The student is responsible for current compliance and may not attend class/clinical until requirements are fulfilled.

Student Dress Code and Behavior in the Clinical Area
The following instructions will apply, (unless the clinical facility requires scrubs/ lab coat/ alternative attire to be worn):

1. Students are required to wear SFA purple collared shirt with loose fitting full length khaki, navy, dark gray or black slacks.
2. Chests or cleavage may not be exposed.
3. Clothing may not be tight fitting or revealing.
4. Undergarments may not be visible through clothing.
5. Shoes must be close toed, low heeled, non-skid soles, have backs, and be comfortable for walking; no sandals, or high heels. Nursing shoes worn in the other clinical areas are permitted if they have closed backs.
6. Make up in moderation may be worn.
7. No perfumes, but wear deodorant.
8. Nails must be trimmed and short; and no nail polish is allowed. No acrylic, plastic, or other artificial nails are permitted.
9. Wear student nametag at all times.
10. No gum chewing, eating or drinking while in patient care areas.
11. No smoking or tobacco use during clinical hours is permitted.

Failure to follow the dress code and clinical guidelines (including forgetting to wear student name tag) will result in an F day and the student may be sent home from the clinical site.

Cell phones are not permitted in any of the psychiatric mental health clinical settings.

Clinical Site information is found in the Appendix.

Clinical Evaluation Tool
NUR 332: Nursing Care in Promotion of Mental Wellness

Student: ____________________________ Date   Fall/Spring: _________
Instructor(s): ____________________________________________________

Evaluation Criteria: S = Satisfactory   U= Unsatisfactory

Ongoing clinical feedback will be provided in individual student-faculty conferences throughout the clinical rotation.

Clinical objectives for evaluation are listed on the next page.

By the end of the clinical rotation, the student must satisfactorily demonstrate all behaviors described in the clinical objectives to pass the clinical portion of the course.

**SFASU DeWitt School of Nursing**  
**HIPAA Compliance**

Stephen F. Austin State University (SFASU) has cooperative agreements with agencies in the area for the clinical training of its students enrolled in all health-care fields and programs. To ensure that SFASU students, faculty, and staff involved in these programs understand the patient privacy requirements of the clinical sites and of applicable laws, including the Health Insurance Portability and Accountability Act of 1996, SFASU offers this guidance for those persons to ensure compliance with those requirements. *Note: The discussions, uses, or disclosures discussed below encompass written, verbal, or electronic communication.*

<table>
<thead>
<tr>
<th><strong>DO's</strong></th>
<th><strong>DON'T's</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>➢ Do sign the SFASU Faculty/Staff/Student confidentiality agreement before any involvement in a clinical program.</td>
<td>➢ Don’t discuss, use, or disclose any patient information while in the clinical setting unless it is part of your clinical assignment.</td>
</tr>
<tr>
<td>➢ Do attend SFASU training or in-class clinical instruction on requirements relating to patient privacy.</td>
<td>➢ Don’t remove any record from the clinical site.</td>
</tr>
<tr>
<td>➢ Do know and adhere to a clinical site’s privacy policies and procedures before undertaking any activities at the site.</td>
<td>➢ Don’t disclose any information about a patient during your clinical assignment to anyone other than the medical staff of the clinical site.</td>
</tr>
<tr>
<td>➢ Do maintain, at all times, the confidentiality of any patient information, regardless of whether the identifiers listed in the “DON’T’s” section of these guidelines have been removed.</td>
<td>➢ Don’t use patient information in the context of a learning experience, classroom, case presentation, class assignment, or research without attempting to exclude as much of the following information as possible:</td>
</tr>
<tr>
<td>➢ Do promptly report any violation of those procedures, applicable law, or SFASU’s confidentiality agreement by you, an SFASU student, and faculty or staff member to the appropriate SFASU clinical coordinator or program director.</td>
<td>a) Names</td>
</tr>
<tr>
<td>➢ Do understand that a violation of the clinical site’s policies and procedures, of applicable law, or SFASU’s confidentiality agreement will subject you to disciplinary action.</td>
<td>b) Geographical, lesser than a state</td>
</tr>

APPENDIX

CLINICAL SITE INFORMATION

Directions to Rusk State Hospital

P. O. Box 318
Rusk, TX 75785
Contact: Jarrod Garbutt, Volunteer Services  jarrod.garbutt@dshs.texas.gov
(903) 683-7327

From Nacogdoches:
Take Highway 21 West for about 25 miles to Alto. When you get to the blinking traffic light in Alto, take a right on Highway 69 North. Go 12 miles on Highway 69 North until you get to Rusk. Continue north through the blinking traffic light on Highway 69. The hospital will be on your left.
Enter at the guard booth, turn to the RIGHT, and and park in the lot next to the CHAPEL. This parking lot is between the chapel and the nursing supervisor’s office (says Lex Neill Medical Building on front). Meet Mr. Garbutt inside the CHAPEL at Volunteer Services.

See aerial MAP on D2L which is very helpful.

WEAR COMFORTABLE WALKING SHOES!

Directions to Pinecrest Retirement Community

1302 Tom Temple
Lufkin, TX 75901
Contact: Clark Hill, RN, BSN
Director of Nursing
(936) 634-1054

From Nacogdoches:
Take Highway 59 to Lufkin.
Follow the “Loop” when you get to Lufkin, toward Houston (East).
(Rt 287/59; 69) toward Houston.
Take the South First Street exit (near Lufkin Mall)
Take a Right on South First.
Take a left on Janeway at the traffic light.
At the Four Way Stop Sign near Hibernia Bank, take a LEFT on Tom Temple

Pinecrest is at 1302 Tom Temple.
Park in the Lottie Temple parking lot. Ms. Hart, Adjunct Faculty, will meet you in the parking lot and you will enter as a group.
Directions to Lufkin State Supported Living Center
6844 HWY 69 N
Pollok, TX  75969
Contact:  Robin Meyer, RN Nurse Educator
(936) 853-8255

From Nacogdoches: Take HWY 7 west for about 15 miles to HWY 69. Take a left on HWY 69 toward Lufkin and go approximately 4 miles; the State School is on the LEFT.

Park in front of Building # 501 ADMINISTRATION as indicated on the map distributed during orientation. Sign in as a visitor. Nursing will pick you up there. If you use a GPS to find this facility, there may be confusion. Remember, the facility is located in Pollok, not Lufkin.

Burke Outpatient Clinic NAC
3824 N University Dr, Nacogdoches, TX 75965
Contact: Ideria Garrett RN
(936) 558-6200

Burke Outpatient Clinic LUFKIN
1522 W Frank St, Lufkin, TX 75904
Contact: Tammy Larned RN, Medical Services Administrator (medical clinic)
936-630-3700

Contact: Kathy Burr RN, Nursing Services Administrator
Medical Operations Support
Nurse Extender for Burke Mental Health System
936-639-2384
Clinical Tracker
Stephen F. Austin State University School of Nursing
NUR 332 Nursing Care in Promotion of Mental Wellness

Keep track of your clinical rotations on this worksheet. Submit the worksheet during your final clinical evaluation on Clinical Processing Day.

On CP Day, PRINT these forms and bring them with you: 1) Clinical Tracker completed with clinical rotation dates/comments, 2) Burke Clinic preceptor form, 3) Lufkin State Supported LC preceptor form, 4) Clinical Evaluation Tool on found page 20 and 21 of syllabus.
