IV. Evaluation and Assessments (Grading):

A = 90 - 100 points - B = 80 - 89 points - C = 70 - 79 points - F < 70 points

Note: As a prerequisite to Student Teaching, you must achieve a C or better in ELE 301, ELE 303, ELE 450, and RDG 415.

There is ONE LiveText/Watermark assignments in this class (Writing Skills Pre-Test and the Elementary Education Language Arts Content Knowledge Assessment Rubric denoting the score on the Writing Skills Pre-test uploaded into LiveText/Watermark).

See the section above for a detailed description of the assignment, standards, and the point totals for that assignment.

You may be asked to resubmit unacceptable work and will receive up to 80% of the point total for revised work. The total grade is lowered by one letter if there is ONE missing or not attempted assignment. So, if you do not turn in an assignment on time, it is best to turn it in late than not at all. LATE WORK RECEIVES NO MORE THAN 80% OF THE TOTAL! Late work received a week after the due date will not receive any points unless for reasons related to excused late work as noted below.

An EXTENSION FOR ASSIGNMENTS is considered for those who have excused health or family emergencies where the student has notified the professor in advance (prior to the due date of the assignment), when possible, for the possible extension.

Rubrics for Grading Assignments: Rubrics for assignments in this course are provided in the d2L course. It is recommended that you review each rubric prior to completing and submitting any assignment so you are clear on how you will be graded for that assignment. Rubrics can be accessed by clicking on the OTHER RESOURCES tab and selecting RUBRICS. Preview the appropriate rubric for the assignment you are working on to see the criteria for how the assignment will be graded.

VII. Course Evaluations:

Near the conclusion of each semester, students in the College of Education electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including:

1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes;
3. Making decisions on faculty tenure, promotion, pay, and retention.

Students in the COE electronically evaluate courses taken within the COE. Evaluation data is used for a variety of important purposes including: 1. Course and program improvement, planning, and accreditation; 2. Instruction evaluation purposes; and 3. Making decisions on faculty tenure, promotion, pay, and retention. As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the COE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the COE, the course evaluation process has been simplified and is completed electronically through MYSFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

VIII. Student Ethics and Other Policy Information:

Class Attendance and Excused Absences:

All assignments/assessments/discussion postings are expected by the due dates. If you find that you are unable to make a deadline, email the instructor prior to the due date with a legitimate reason for missing the due date. Acceptance of late work is at the discretion of the instructor. The grade may be lowered one letter grade if all assignments (quizzes, Dropboxes) are not completed. This is at the discretion of the professor.

Also, when the official role is taken, if you have not been active in this course up to this point, you may be dropped from financial aid.

Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignment are expected in all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports and in determining final grades. Students may be excused from attendance for reasons such as health, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence (SFA Policy 6.7).

Academic Accommodation for Students with Disabilities (Policy 6.1/6.6):

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325,
Abiding by university policy 4.1 on academic integrity is a responsibility for all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Definition of Academic Dishonesty:**

**Academic dishonesty** includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. **Plagiarism** is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one’s own work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one’s paper without giving the author due credit.

**Penalties for academic dishonesty** may include, but are not limited to reprimand, no credit for the assignment or exam, resubmission of the work, make-up exam, failure of the course, or expulsion from the university.

**Student Appeals:**

A student who wishes to appeal decision related to academic dishonesty should follow procedures outlined in the policy, Academic Appeals by Students (6.3).

**Withheld Grades Semester Grades (Policy 5.5):**

At the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes and F, except as allowed through policy (i.e., Active Military Service (6.14). If students register for the same course in future terms, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Student Code of Conduct (Policy 10.4):**

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program. Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This policy applies to all instructional forums, including electronic,
classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Information regarding the ICare program is found at https://www.sfasu.edu/judicial/earlyalert.asp or call the office at 936 468 2703.

Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. Additional Information:

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public-school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual's
The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texes.ets.org/registrationBulletin/). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.
