II. CURRICULUM DESCRIPTION

The BSW program at SFASU features generalist social work practice, defined as follows:

Generalist practice serves client systems utilizing an ecological systems approach focusing on persons, families, groups, organizations, and communities. It is not confined by a narrow cadre of theories; rather it is versatile enough to allow problems and situations, as well as strengths, capacities, and resources, to determine the practice approach. Generalist practice employs a problem solving framework and a broad knowledge, value, and skill base, which demands ethical practice and on-going self-assessment. Briefly, generalist social work practice:

- Is multi-level to include individuals, families, groups, organizations, and communities
- Is multi-theory, allowing for the free selection of theories as appropriate
- Utilizes a problem identification and solving focus that follows a problem-solving framework
- Utilizes multiple interventions at multiple levels, as appropriate
- Addresses the complexity of individual, family, group, organizational, and community system interactions
- Requires an integration of awareness, competence, and professional response to issues of values, ethics, diversity, culture, social justice, and populations-at-risk.

VIII. COURSE REQUIREMENTS

A. **Class Participation**: It is essential for students to read assigned material, log into D2L course daily, and to participate in online discussions and other activities. Students are responsible for all material covered in class and assigned in the syllabus.

B. **Readings**: Each lesson contains required readings from the text. Journal articles may be used to supplement the course content and these articles will be posted on D2L by the instructor. You can utilize these articles for home study, exam preparation, or research. You will be responsible for all assigned readings at test time whether they have been reviewed in class. Other readings may also be utilized to facilitate coverage of the many issues to be discussed in this course.

C. **Exams**: Two (2) major application exams will be given during the semester. All material provided on the topics, including all assigned readings, discussions, lectures, discussion questions/responses, and guest presentations are subject to examination. The exams will consist of a combination of matching, multiple choice, true/false, and essay questions.

D. The student is expected to take all exams at the scheduled time. Permission to miss any exam will be based on the policy for excused absences as stated in the SFASU General Bulletin (available online at [www.sfasu.edu/bulletin](http://www.sfasu.edu/bulletin)). Missing an exam without either prior permission or an excused absence will result in a grade of "0" on that exam. The instructor will schedule make-up exams.

E. **Quizzes**: A total of seventeen (17) quizzes will be given during the semester. The quizzes will evaluate general comprehension of the course material (assigned readings and/or previous lecture topics). The quizzes will coincide with a lesson or chapter. Make-up quizzes will be given for an excused absence as defined by the SFASU General Bulletin and will be scheduled by the instructor.
F. **Assignments:** The student is responsible for completing assignments in accordance with the specific guidelines identified in the assignment description in the syllabus. The assigned research paper about a social issue topic must be typed using a word processor in 12 pt. font with double spacing and standard margins. All assignments are to be in APA format per the *Publication Manual of the American Psychological Association* (7th ed.). Failure to meet these guidelines will result in loss of points.

Late assignments will result in 10% of the total possible points being deducted from the total points earned for each day the assignment is late, with 10% deducted immediately following the class period during which the assignment is due. The only exception is an excused absence as defined by the SFASU General Bulletin.

G. **Current Events:** The student is responsible for completing a current event, worth 20 points. Students will work individually to research a recent current event, address questions specified in the current event rubric provided by the instructor, and present those findings in a 5 minute video.

IX. **Academic Integrity (SFASU Policy A-9.1)**

Honesty and representing one’s knowledge and abilities appropriately are important ethical principles of the social work profession. All violations of the Academic Integrity Policy will be addressed in accordance with SFASU Policy A-9.1 (SFASU Policy A-9.1 can be found at the web address below). **All incidents will result in a grade of “0”. Given the limited number of graded assignments in this course, a “0” could have serious consequences for the student’s academic standing.**
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism. **Please read the complete policy at [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp)**

**Definition of Academic Dishonesty**

Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.

Please read the complete policy at [http://www.sfasu.edu/policies/academic_integrity.asp](http://www.sfasu.edu/policies/academic_integrity.asp)

**Withheld Grades Semester Grades Policy (A-54)**

Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms, the WH will automatically become an F and will be counted as a repeated course for computing the grade point average.

Please read the complete policy on Course Grades: [http://www.sfasu.edu/policies/course-grades.pdf](http://www.sfasu.edu/policies/course-grades.pdf)

**Acceptable Student Behavior**

Classroom behavior should not interfere with the instructor’s ability to conduct the class or the ability of other students to learn from the instructional program (see the Student Conduct Code, policy D-34.1). Unacceptable or disruptive behavior will not be tolerated. Students who disrupt the learning environment may be asked to leave class and may be subject to judicial, academic or other penalties. This prohibition applies to all instructional forums, including electronic, classroom, labs, discussion groups, field trips, etc. The instructor shall have full discretion over what behavior is appropriate or inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program. This program provides students with recommendations for resources or other assistance that is available to help SFA students succeed.
