I. Course Description: Techniques and principles of Tap dance. Tap (2 credits) is a dance technique course that meets between 150-270 minutes per week for 15 weeks. Course assessments are movement combinations to be practiced, memorized, and performed during summative assessment periods. Students are expected to practice combinations between class sessions. Readings, vocabulary & terminology, and critical analysis papers also require additional study of the required and recommended texts. Students are also tested on the material given in class, and throughout the texts. This equates to 2 hours per week outside of class per credit hour.

The James I. Perkins College of Education is committed to proactively recruiting and retaining a diverse faculty, staff, and student population. Through open dialogue, mutual respect, and shared responsibility, faculty, staff, and students will demonstrate an understanding and sensitivity to ethnicity, race, gender, exceptionalities, culture, language/dialect, age, social class, family structure, sexual orientation, religion, and spiritual values in order to enhance the quality of life in a diverse, global community.

III. COURSE ASSIGNMENTS AND ASSESSMENT OF STUDENT LEARNING OUTCOMES

**Participation:** Active and committed participation throughout each class is expected. Students are expected to practice combinations between class sessions. This equates to 2 hours per week outside of class per credit hour. Each student’s active participation, including both effort and improvement will be assessed based on their individual levels. Dancers with less experience will not be compared with those who have more experience.

- **It is recommended that any student who is injured should attend the class and observe.** Any student who opts to observe and not participate will receive partial credit for that class. While observing the student will complete a student observation form. The form will be turned in at the end of class. Class observation gives students a good learning opportunity to listen to explanations and corrections the instructor has given out.
- **Lack of participation for any sustained period of time due to illness, injury, or University sponsored events may result in needing to the drop the course entirely.**
- **Daily Participation Grading:** Daily participation means committing to the class and is worth a considerable amount of the student’s final grade. For each class, the student has
the opportunity to earn a total of 10 points by being on time, wearing the proper attire, showing a positive attitude, and giving 100% effort. **Students will lose points for being late, or leaving early, not wearing proper dance attire, slacking off, having a bad attitude, or being rude or disrespectful.** As stated before, a student who observes class will only earn partial points. **No points can be earned if the student is absent for any reason.**

**Attendance:** Each absence, after 2, will drop the student’s final grade by 1 full letter grade, assuming each student begins the semester with an A. For example: 3 absences = B, 4 absences = C, 5 absences = D. **Any student who has 6 absences or more will result in an automatic failing grade and will not pass the class.** An absence will be excused if the student notifies the instructor via email immediately, and presents a doctor’s note the very next class period that he/she is approved to return to class. Doctor’s notes will not be accepted at the end of the week, month, or semester if the student has already returned to class and forgot to bring the doctor’s note. The same consideration will be given for funerals and University sponsored events. Points will be deducted for students who leave class prior to dismissal. **If the student is tardy (more than 10 minutes late), they will be counted absent!** Attendance will be strictly enforced. It is the responsibility of the student to keep track of their number of absences. **EXCEPTION: Covid-19. If you are exposed to covid-19 or test positive, you must stay in contact with me, and we will discuss options.**

**Late Work:** No late work will be accepted.

**Exams:** Movement Exams over the materials are required as given. Each Movement Exam is work 100 points and will consist of movement and vocab. Movement will be videotaped for assessment & self-assessment. Material for movement exam can be given up until the day before exam. As a dancer/performer one should be able to pick up material in a timely fashion.

- NO make-up exams will be given unless the absence is excused prior to the exam.
- **The Final exam will be 2 parts.**
  - The first part will be done in class.
  - The second part is to participate and attend in our digital informal performance shown during dead week.

**Concert/Critique:** All students enrolled in this course will be expected to attend in person or via live feed the Danceworks concert, April 8-10, in support of their dance family, program and department. Admission is **FREE.** After attending you write a short critique on D2L. Critiques are due one week after you see the performance. You will also respond to one classmate. More details will be given as we get closer.

**Digital Journal:** You will be asked to comment on your own progress or specific research about tap throughout the semester via your digital journal.

VIII. Student Ethics and Other Policy Information: Found at http://www.sfasu.edu/policies/

Class Attendance and Excused Absence: Policy 6.7
Regular, punctual attendance, documented participation, and, if indicated in the syllabus, submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports (including the first 12 day attendance report) and in determining final grades. Students may be excused from attendance for reasons such as health,
family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Students with accepted excuses may be permitted to make up work for up to three weeks of absences during a semester or one week of a summer term, depending on the nature of the missed work. Make-up work must be completed as soon as possible after returning from an absence.

**Student Appeals**

A student who wishes to appeal decisions related to academic dishonesty should follow procedures outlined in Academic Appeals by Students (6.3).

**Withheld Grades: Policy 5.5**

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
