ECED 3320 Field Experience I (3 credit hours) is a three-hour course which places TCs on PK-6 public-school campuses during the experience referred to as Field Experience I, either f-2-f or virtually. The objectives and subsequent activities of this Field Experience 1 are designed to help the teacher candidate apply his/her knowledge and skills in the public-school. The objectives and activities will be accomplished through weekly course material participation and field observations. To prepare for field placement expectations, TCs are expected to read weekly course material and participate in one-on-one, small group, and whole group discussions. The TCs should expect a minimum of two hours of class preparation for each credit hour.

Course Objectives & Assessments

ECED 3320 is a field-based course in which TCs demonstrate and apply theoretical pedagogical knowledge of elementary literacy. Throughout the course, TCs will complete various literacy-related
assignments and research projects. Each assignment is designed to reinforce the shared vision and purpose of the SFASU College of Education. It is this philosophy and vision that helps distinguish our graduates from those of other institutions.

The field experience aspect of this course provides a hands-on/minds-on learning opportunity for TCs at SFASU. The Field Experience I field experience supports the mission of the College of Education by providing TCs an opportunity to work with P-12 public school students as the SFASU Department of Elementary Education prepares TCs to become competent, successful, caring, and enthusiastic professionals. One of the goals of the College of Education is to provide a variety of teaching venues incorporating the latest technologies to a range of diverse student interests, backgrounds, and aspirations and through this field experience, as well as the other field placements in the program and TCs' work in a variety of teaching venues. Through field placements, TCs also have opportunities to collaborate with external partners to enhance students' knowledge, skills, and dispositions and to influence the ongoing exchange of ideas. Through this course, TCs learn to assess, plan, and implement instruction at appropriate levels. They also learn to use on-going assessment to reflect on student learning and teaching strategies to plan for future instruction. This course is one of three field placements for TCs; through these field placements, the TCs at SFASU become reflective professionals who have experience planning appropriate instruction for diverse student learners.

VI. COURSE ASSIGNMENTS, ACTIVITIES, INSTRUCTIONAL STRATEGIES, USE OF TECHNOLOGY

Assignments, assessments, and discussion links are presented in D2L. It is your responsibility to complete work only after you have read the assigned information in the text and modules. Going straight to the assignments is not considered responsible and may show in your work. Remember modules must be completed prior to lab class. You must have a browser that supports D2L at SFA. All necessary software information is available from SFAOnline. This course may be accessed through mySFA or directly at https://D2L.sfasu.edu/.

**Success with Accessing Assignments**

Know that if you intend to use a “dial-up” connection to access the Internet and this course that you may experience long wait times for files to download and you may not be able to view all pages in the course. Not being able to view all information is not a valid reason to miss requirements. Please make arrangements ahead of time to ensure that you are able to access all components of this online course and are able to log in to the course daily.

Begin your assignments early in case you have technology problems. Then you have time to receive the technology help you need and still complete course requirements on time. If you encounter issues with D2L, please contact the Office of Instructional Technology (OIT) at 936-468-1919.

Assignments will be given to enhance the teacher candidate’s understanding of content, pedagogy, and professional standards. Assignments will be submitted via D2L, unless otherwise specified by your instructor. Plan ahead so that you will not miss a due date in the event of personal issues or technical difficulties. If you experience extenuating circumstances, contact the instructor via D2L email prior to missing the due date. In the event of a truly extenuating circumstance (e.g., you are in the hospital for several days) that prevents you from contacting the instructor ahead of time, you must contact the instructor via D2L email within 24 hours of missing an assignment to make arrangements for making it up. Please be aware that you may be asked to provide documentation of the extenuating circumstance and that the instructor reserves the right to not grant an opportunity to submit a missed assignment, in which case a grade of zero will be earned. You are also responsible for contacting your mentor teacher, if missing a day of observations. All assignments must be typed and submitted as a Microsoft Word (or Rich Text Format) document online through D2L. You are responsible for checking your attachment to ensure it is in the correct format. Assignments submitted in an incorrect file type may earn a grade of zero. To enhance learning in this course, assignments may be altered, or additional assignments may be added as the need arises. TCs will upload lesson plans to LiveText at the end of the semester. Failure to upload the required documents into LiveText will result in zero credit being received for those assignments. Standards associated with each assignment are in Section II with the PLOs and SLOs.

• Assignment Policy — Students must complete all assignments and be prepared to participate in class discussions. All students are expected to complete assignments on the due date shown in the course timeline. Failure to complete course work will result in a grade of zero, or “Fail”, for the assignment and an automatic reduction of the course grade earned by one letter grade for each missed assignment, regardless of total number of points earned during the semester. Of course, extenuating circumstances are always considered, but communication with the instructor is essential. Communicate with your instructor before, not after, problems occur.

Please note, you must earn a “C” or better to move on to FE II. Anything below a “C” will result in an “F.”

• Field Experience - Professionalism
  Each candidate is expected to be familiar and fully comply with professionalism as it deals with the public charter school campus and the greater community. The expectations below will be observed daily by your field experience supervisor in the form of learning walks.

• Appearance
  TCs must be appropriately dressed each time they engage with an elementary campus, even in virtual formats. Their attire must comply with the SFA Charter school’s dress code.

• Assigned Responsibilities
  TCs must follow the lead of the field experience supervisor and mentor teacher to carry out all responsibilities with enthusiasm while demonstrating initiative. TCs are encouraged to focus on their own personal experience rather than the experiences of other TCs. TCs are expected to demonstrate proficiency in planning and implementing a variety of lessons.

• Attendance
  TCs must follow all policies and procedures as outlined in this syllabus. Regular site and university classroom attendance is mandatory. Absences must be made up hour-for-hour. Absences beyond two result in double make-up time or the completion of an alternative pass/fail assignment. The site supervisor will decide on the format of the make-up.

• Interpersonal Communication
  TCs must demonstrate collaborative efforts with the mentor teacher, other TCs, and instructors/professors. TCs in Field Experience II are expected to respond professionally to peers, mentors, the site coordinator, and others on the campus.

• Professionalism and Commitment
  TCs are expected to employ effective teaching strategies. TCs must demonstrate a commitment to the teaching profession by being punctual, attending all lab and university classes, attending all stated meetings, exhibiting enthusiasm and initiative, and maintaining confidentiality at all times (inside and outside of school).

• Professional Demeanor
  TCs must maintain a high level of professionalism, including a professional demeanor which includes presenting ones’ self in a professional manner, refraining from activities that may interfere
with your professionalism the next day, maintaining a drug free and alcohol free body, practicing appropriate language, and maintaining confidentiality at all times, including the use of social media. TCs are expected to communicate professionally in verbal and written communication (including electronic communication) when communicating with students, peers, mentor teachers, and site supervisors. Electronic devices, including cell phones, are not allowed in any mentors’ classrooms without prior approval from the site supervisor.

- **Punctuality**
  TCs should arrive at their field experience location ten (10) minutes prior to the report time. To be "on time" is to be late. TCs are expected to remain on the elementary school campus site the full 3-hour requirement. TCs are expected to document attendance each day. Punctuality expectations also apply to virtual observations.

  ****A combination of any three behaviors that display a lack of field experience professionalism will result in a 10-point reduction in your overall course grade. The candidate will also be referred to the Program Review Panel, which may result in failure of ECED 3320 Field Experience I. Examples of behaviors that signify lack of professionalism include/but are not limited to the following: inappropriate dress, tardiness, unexcused absences, late assignments, and ongoing submission of incorrect assignments. Note, a combination of three behaviors can come from one professionalism component (i.e. being absent 3 times).

  In addition to the Professionalism expectations provided above, all TCs are expected to adhere to the Texas Educators’ Code of Ethics. Any violation of the Texas Educators’ Code of Ethics will be reviewed by a Program Review Panel and may result in failure of the course and/or dismissal from the program.

  Additional information can be found in the Texas Administrative Code, Chapter 247: Educators’ Code of Ethics via the website below. [https://tea.texas.gov/index2.aspx?id=2147501244](https://tea.texas.gov/index2.aspx?id=2147501244)

**IX. COURSE EVALUATIONS**

Near the conclusion of each semester, students in the Perkins College of Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including:
- Course and program improvement, planning, and accreditation;
- Instruction evaluation purposes; and
- Making decisions on faculty tenure, promotion, pay, and retention.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!

In the Perkins College of Education, the course evaluation process has been simplified and is completed electronically through mySFA. Although the instructor will be able to view the names of students who complete the survey, all ratings and comments are confidential and anonymous, and will not be available to the instructor until after final grades are posted.

**ADDITIONAL INFORMATION FOR EDUCATOR PREPARATION**

**XI. CODE OF ETHICS FOR THE TEXAS EDUCATOR**

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable
treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and TCs for certification.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

- TCs must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public-school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual's self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:
- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed, and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

- Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texas.ets.org/registrationBulletin/ <http://www.texas.ets.org/registrationBulletin>). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.
- Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.

For further information, contact the Office of Assessment and Accountability at 936-468-1282 or edprep@sfasu.edu.
XII. ADDITIONAL COURSE INFORMATION

• REPEATING THIS COURSE POLICY
  If you are repeating ECED 3320, all of your work must be original to the repeated course. That means work from a previous semester may not be resubmitted in the repeated course. Work of any kind submitted from a prior semester will receive a score of “0” with no redo available.

• PROFESSIONALISM
  TCs are expected to be professional at all times. Behaving unprofessionally can adversely affect the candidate’s grade. TCs are subject to loss of points and/or a course letter grade for behavior unbecoming a professional teacher candidate as determined by instructor discretion. Each teacher candidate exhibits professionalism by:
  o attending/participating in all class meetings in accordance with the policies of the university; http://www.sfasu.edu/policies/class_attendance_excused_abs.asp
  o becoming familiar with the SFA Policies and Procedures Manual regarding cheating and plagiarism; http://www.sfasu.edu/policies/academic_integrity.asp
  o contacting the professor prior to missing a class assignment;
  o reading course outline/syllabus and following directions for assignments;
  o reading each assigned reading by the stated due date;
  o completing all assignments/quizzes independently unless otherwise stated by the instructor;
  o completing all assignments/quizzes on or before the due date;
  o submitting all work in order to complete this course;
  o being prepared for quizzes and exams;
  o participating intelligently in all class discussions;
  o completing the end-of-course online evaluation;
  o being professional in demeanor, attitude; and
  o maintaining confidentiality at all times.

  Professionalism is also considered when TCs take time to help fellow peers who have difficulty reading/finding specifics in the course. TCs who help fellow peers remain positive and promote change for efficiency in teaching will also be considered to promote professionalism. Being negative is not considered professional.

• NONDISCRIMINATION
  “No person shall, on the basis of race, color, religion sex, age, national origin, handicap, or veteran status, be subjected to discrimination or be excluded from participation in or be denied the benefits of employment or any educational program or activity operated by Stephen F. Austin State University.” (Reference: SFASU General Bulletin 2004-2005) (see Discrimination Complaints/Sexual Harassment E-46: http://www.sfasu.edu/humanservices/images/discrimination-complaints-sexual-harassment.pdf
