Prerequisites

Admitted into Educator Preparation: Enrollment in ECED 3320 (Reference; SFASU General Bulletin)

Course Description

Teaching Social Studies in EC-6 is the examination of the social studies curriculum for grades EC-6 with emphasis on current practices, trends and research on effective practices for teaching social studies. This includes investigation of activities and materials appropriate for achieving social studies objectives. The syllabus, calendar of assignments, learning modules, forms for class assignments, and website links are all posted on the class website in Brightspace by D2L. All assignments are required to be submitted online in Brightspace by D2L and some to LiveText.

Learning is social in nature. Children learn from their interactive experiences with others: parents, siblings, relatives, friends, and other significant individuals in their lives (Vygotski, L.S., & Cole, M., 1981). Social studies instruction naturally lends itself to an integrated curriculum based on the personal and social aspect of learning. Social studies are significantly more than a collection of facts for children to memorize; it is an understanding of how people, places, and events came about and how people can relate and respond to each other's needs and desires, as well as how to develop respect for different viewpoints and cultural beliefs. In short, social studies is the study of cultural, economic, geographic, and political aspects of past, current, and future societies (Farris, Cooper, 1994, p. 6).

Course Justification

Teaching Social Studies EC-6 is an asynchronous, online course that will run for a period of seven weeks. Students will have weekly reading assignments and are expected to participate in Quizzes, Dropbox Assignments, Discussion Boards and are required to complete a critical reading group activity and final lesson plan for LiveText. This course will require reflections and multiple writing assignments addressing the course content. All course activities will require a minimum of 12 hours of work each week to prepare and engage in this online course.

The James I. Perkins College of Education is committed to proactively recruiting and retaining a diverse faculty, staff, and student population. Through open dialogue, mutual respect, and shared responsibility, faculty, staff, and students will demonstrate an understanding and sensitivity to ethnicity, race, gender, exceptionalities, culture, language/dialect, age, social class, family structure, sexual orientation, religion, and spiritual values in order to enhance the quality of life in a diverse, global community.

Course Modality: Asynchronous, online

Note: You are expected to complete the LiveText assignment “READ Content-SS” for this class. This is simply your final lesson plan and lesson resources. I am available for clarification at any time.

Vision

The James I. Perkins College of Education will be the college of choice for students striving to achieve professional excellence through exemplary programs that are recognized at state, national, and international levels.

Mission

The mission of the Perkins College of Education is to prepare competent, successful, caring and enthusiastic professionals from diverse backgrounds dedicated to responsible service, leadership, social justice and continued professional and intellectual development in an interconnected global society.

To accomplish this mission, the goals of the Perkins College of Education are to:

• Provide programs at both undergraduate and graduate levels based upon sound pedagogical and clinical practice.
• Prepare teachers, support personnel, and educational leaders for Texas Employ and support faculty members who are committed to excellence in teaching, scholarship, and service.
• Provide a variety of teaching venues incorporating the latest technologies to a range of diverse student interests, backgrounds, and aspirations.
• Maintain resources and facilities that allow each program to meet its expected outcomes.
• Collaborate with external partners to enhance students’ knowledge, skills, and dispositions, and to influence the ongoing exchange of ideas for mutual benefit.
• Engage in outreach services.
• To address specific needs in the broader community.
• To enhance student learning.
• To instill commitment to service, and to promote the reputation of the University.
• To conduct research to advance knowledge and to contribute to the common good.

Core Values

In the Perkins College of Education, we value and are committed to:

• Academic excellence through critical, reflective, and creative thinking
• Life-long learning

- **Dropbox Assignments – Content Focus (6 assignments @ 10 pts each)**

The initial diagnostic provides a guideline for where the teacher candidate is with regard to preparedness for the social studies content exam. The following assignments demonstrate a development of content knowledge/awareness. A general format is for students to engage in some sort of activity from the perspective of “student”. Then, using information learned from module readings, reflect on that experience from the perspective of “educator”. Each assignment will have specific expectations that will be included in Brightspace by D2L instructions.
• Discussion Boards (6 discussions @ 10 pts each)

There are six discussion boards over the course of the semester. The first one is an introduction and requires your initial post and three responses engaging with your classmates.

The additional five discussion boards focus on social studies specific topics. Your initial post MUST reference course material with in-text notations such as: (Loewen, p. 75). It must include a description of something you learned, something that challenged you, and either a question to the group OR a specific way you have seen it or believe it can be successfully implemented. While I will be flexible, I have noticed a lack of consistent quality with initial posts and so, for the first time ever, I am implementing a minimum 12-sentence norm for the initial post.

You will also need to respond to three peers for these discussion posts. Responses must go beyond, “I agree” or restating what the initial post said. It may be a connection to your own experiences, an extended connection to the resources from this week, or a connection to an external resource that you may hyperlink or attach.

• Dropbox – Book Club (4 Meetings and 1 Prep Document @ 10 pts = 50 pts)

There are two purposes for this assignment:

(1) Due to COVID-19 and social distancing, providing a space for teacher candidates to interact and discuss an academic text allows for necessary socio-emotional connections.

(2) We need to be critical consumers of content material. This text demonstrates examples of which educators should be skeptical.

Over the course of the semester, you will read the provided PDF of an older version of Lies my teacher told me. The difference between the older version and the most recent is a single chapter. With the goal of developing an OER course (open educational resource), I elected to use this version so that the course could remain without additional costs. You will need to schedule a time to meet with your peers (groups of 3-5 students) at four points throughout the 8-week semester. To be ready for these meetings, you will complete a “Preparation Handout” which will be submitted at the END of the semester. You will also have a team leader upload a link to your recorded sessions.

Specific guidelines for what to include in reflections can be found on Brightspace by D2L.

• Other Assignments – Professionalism and Quiz (20 pts)

The decision to utilize is a quiz is simply for students to see various question types and reflect on that experience from a pedagogical perspective. It is located in the Technology module and is worth 10 points.

Additionally, there are two opportunities to earn Professionalism points. The first is through establishing a clear Book Club Calendar and Plan with 3-5 members. This plan will be submitted via email to Straub and will follow a provided template. If that email is sent by the due date, full points will be awarded. If it is sent late, there will be daily deductions.
The second opportunity is to schedule Office Hours with Straub. This is a professionalism expectation because you are meant to gain comfort with reaching out for support/clarification, etc. You will have the entire semester to set up at least one Calendly session (15 minutes) with your professor: www.calendly.com/straubsm. This meeting is worth 5 points.

- **Course Final – Content Focus (Lesson Plan Assignment @ 60 pts)**

This assignment is one that can be developed over time. The instructor recommends NOT starting this assignment before midterm but any time after that is acceptable. The reason for this recommendation is that students need a chance to analyze provided exemplar lessons so that a framework for expectations can be developed. The lesson plan assignment will have grades received for both the lesson plan and the corresponding lesson resources. **BOTH of these components will be uploaded into LiveText at the end of the semester.** The final 10 points for this assignment comes directly from this submission to LiveText.

**Course Materials**

**LiveText**

There is ONE LiveText assignments – READ Content – SS. It is your responsibility to complete this before the end of the semester. You will be given an Incomplete for the course if you fail to submit the assignment before the date that grades are due.

**Required Technology:**

This course is an online course that will be delivered through the university’s Learning Management System (LMS), Brightspace by D2L. Each student is required to have access to a computer with internet capabilities in order to access the course. Each student is also required to have a working, university (sfasu.edu) email account.

**Required Text:**

There are no required textbooks for this class. Readings are posted in the course modules on Brightspace by D2L.

As a student of Stephen F. Austin State University, you have free access to this course’s Brightspace site. You will need to access the course regularly throughout the semester. Assignments for this course will be submitted electronically through Brightspace, unless otherwise instructed. Some assignments may require audio files. Students must have a working computer microphone or the ability to add audio to files on their computer to complete these assignments. Files with audio are submitted as PowerPoint files. All other submitted files must be in PDF or Word format.

**Course Evaluations:**

This course is newly redesigned to provide a space for critical social studies pedagogy. Your feedback is invaluable and will be collected at various points in the semester as well as in the course evaluations. Near the conclusion of each semester, students in the Perkins College of
Education electronically evaluate courses taken within the PCOE. Evaluation data is used for a variety of important purposes including:

1. Course and program improvement, planning, and accreditation;
2. Instruction evaluation purposes; and
3. Making decisions on faculty tenure, promotion, pay, and retention.

As you evaluate this course, please be thoughtful, thorough, and accurate in completing the evaluation. Please know that the PCOE faculty is committed to excellence in teaching and continued improvement. Therefore, your response is critical!
Course Calendar

Dates may change at the discretion of the instructor. Should a date change be required, it will be announced in the course news or on the discussion board. All times listed are Central Standard Time.

**LiveText**

This course uses the LiveText/Watermark data management system to collect critical assessments for students who are Perkins College of Education majors (undergraduate, graduate, and doctoral) or majors in other colleges seeking educator certification through the Perkins College of Education. Students who do not have an existing LiveText/Watermark account will receive an access code via the SFA email system within the first week of class. You will be required to register your LiveText/Watermark account, and you will be notified how to do this via email. If you forward your SFA e-mail to another account and do not receive an e-mail concerning LiveText/Watermark registration, please be sure to check your junk mail folder and your spam filter for these e-mails. The email will be from support@watermarkinsights.com.

If you have questions about obtaining or registering your LiveText/Watermark account or any technical questions, call 936-468-2395 or e-mail LiveText@sfasu.edu. Failure to activate the account and/or submit the required assignment(s) within the LiveText/Watermark system may result in course failure.

**Technical Support**

If at any point during the course you experience technical difficulties in Brightspace, please let your instructor know immediately.

You will also need to contact the SFASU Brightspace Support Team by email (d2l@sfasu.edu) or phone (936.468.1919) for technical help.

**Class Attendance and Excused Absence: Policy 6.7**

Regular, punctual attendance, documented participation, and submission of completed assignments are expected at all classes, laboratories, and other activities for which the student is registered. Based on university policy, failure of students to adhere to these requirements shall influence the course grade, financial assistance, and/or enrollment status. The instructor shall maintain an accurate record of each student’s attendance and participation as well as note this information in required reports and in determining final grades.

**Students may take 2 absences without penalty over the course of the semester.** After the second absence, the students will begin to accrue a 5 point deduction for each additional absence. Students are responsible for notifying their instructors in advance, when possible, for absences. Make-up work must be completed as soon as possible after returning from an absence.

** Academic Accommodation for Students with Disabilities: Policy 6.1 & 6.6**

To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 936-468-3004 as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. Academic Integrity

Academic integrity is a responsibility of all university faculty and students. Please ensure that all work you post or submit is your original work, and that any material belonging to others is properly cited according to our discipline’s manual of style (APA).

Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

Student Academic Dishonesty: Policy 4.1

Abiding by university policy on academic integrity is a responsibility of all university faculty and students.

Academic dishonesty includes both cheating and plagiarism. Cheating includes, but is not limited to:

- using or attempting to use unauthorized materials on any class assignment or exam;
- falsifying or inventing of any information, including citations, on an assignment; and/or;
- helping or attempting to help another in an act of cheating or plagiarism.

Plagiarism is presenting the words or ideas of another person as if they were one’s own. Examples of plagiarism include, but are not limited to:

- submitting an assignment as one’s own work when it is at least partly the work of another person;
- submitting a work that has been purchased or otherwise obtained from the Internet or another source; and/or,
- incorporating the words or ideas of an author into one’s paper or presentation without giving the author credit.

For additional information about academic dishonesty, please read and abide by the complete university policy at SFASU Academic Dishonesty Policy.

Withheld Grades: Policy 5.5

At the discretion of the instructor of record and with the approval of the academic unit head, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F, except as allowed through policy [i.e., Active Military Service (6.14)]. If students register for the same course in future semesters, the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.
Student Code of Conduct: Policy 10.4

Interference or disruption of students, faculty, administration, staff, the educational mission, or routine operations of the university is prohibited. Such activity includes, but is not limited to, behavior in a classroom or instructional program that interferes with the instructor or presenter’s ability to conduct the class or program, or the ability of others to profit from the class or program. To remain in the vicinity of activity that is disrupting normal university functions when requested to leave by a university official is prohibited. Bystanders, if their presence incites or adds to the disruption, as well as more active participants in the disruptive activity, may be in violation of this policy as well. Engaging in physical violence of any nature against any person. This includes fighting; assaulting; battering; using a knife, gun, or other weapon; or acting in a manner that threatens or endangers the physical health or safety of any person or causes a reasonable apprehension of such harm.

The instructor shall have full discretion over what behavior is appropriate/inappropriate in the classroom. Students who do not attend class regularly or who perform poorly on class projects/exams may be referred to the Early Alert Program at SFA.

Mental Health

SFASU values students’ mental health and the role that it plays in academic and overall student success. SFA provides a variety of resources to support students’ mental health and wellness. Many of these resources are free, and all of them are confidential.

Code of Ethics for the Texas Educator:

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall

extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings, you will be required to:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person’s potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.
2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at http://www.tx.nesinc.com/PageView.aspx?f=GEN_Tests.html. YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas. If you do not have legal documentation, you may want to reconsider your major while at SFASU.

3. Successfully complete state mandated a fingerprint background check. If you have a history of criminal activity, you may want to reconsider your major while at SFASU.
