Course Description:
Percussion studies at Stephen F. Austin State University are designed to develop the highest possible level of musicianship, performance and teaching proficiency within a total percussion curriculum. Minor lessons will focus on the instruments/skills the student is specifically interested in and might include; snare drum, keyboards, timpani, orchestral percussion, ethnic percussion, and drum set. The understanding and development of technical facilities, a cross-section of literature, sight-reading skills and ensemble applications are required skills on each studied instrument.

Student Learning Outcomes:
1. Through lesson assignments, private practice, and studio class/jury performance, students will demonstrate the required technical facilities to meet the needs of artistic expression specific to the instruments studied including: orchestral percussion (snare drum, timpani and accessories), keyboards (two and four mallets), and drumset.
2. Through textbook, etude and solo study, students will be familiar with a thorough cross-section of pedagogical and solo literature in all areas of percussion.
3. Through literature study and performance, students will demonstrate the practical application of theory and aural skills on their performance instrument.
4. Through regular solo/ensemble rehearsal and performance, students will demonstrate a working ability to sight-read on all percussion instruments.
5. Through studio class, jury, barrier and recital performance, students will demonstrate the physical and mental skills needed to successfully perform in front of an audience.
6. Through studio class performance and discussion, students will demonstrate the ability to recognize, evaluate, and correct common percussion performance problems.
7. Through studio classes, website reviews, and guest artist visits, students will be aware of new and innovative techniques, literature, the percussion industry, professional artists in the field, and the Percussive Arts Society on a national and worldwide scale.
8. Through the senior recital (if applicable), students will demonstrate the ability to program, prepare for (including all logistics), and perform a solo percussion recital.
9. Through lesson and ensemble participation, students will demonstrate the proper care, maintenance, and logistical requirements (set-up, transportation) for all percussion instruments.
10. Through departmental convocations, students will be familiar with the other voices and instruments within the department, as well as the accomplishments of their peers.
11. Through performance assignments outside the regular curriculum (choir, orchestras, musicals/operas, and various community events), students will demonstrate how to adapt and perform in a variety of musical settings and venues.
Text and Materials:
The student is responsible for acquiring all implements, instruments, method books and solo material deemed necessary by the instructor. Photo-copying is illegal and should only be done when a certain item is out of print or as an interim means before ordered materials can be obtained. It is a good idea to budget $100 a semester for sticks, mallets, music and other items as needed.

Course Requirements:
Students will be given weekly assignments that will culminate in learning solos on various instruments between three to eight weeks, depending on the difficulty of literature selected. The end of the semester will conclude with a jury/recital of representative material learned during the semester. If the student is to play for a jury at the end of the semester, the student should discuss with Dr. Meyer at the mid-term as to which solos will be required for the end of semester jury. If a recital is to be played at the end of the semester, students should discuss with Dr. Meyer at the first week of school as to which solos will be required for the recital.

Course Calendar:
MUP 109/309 “Applied Percussion” (1 credit) meets twice a week (Studio Class on Wednesday for 50-minutes and a private lesson time to be determined at the beginning of the semester for 50-minutes) is a 15-week class that also includes a 10-minute jury at the end of the semester. Lessons will consist of studying solo literature, technical exercises, scales, and standard repertoire covering one mallet instrument (marimba, vibraphone, xylophone, glockenspiel) and one drum instrument (timpani, snare drum, drumset, multi-percussion) throughout the semester.

MUP 1099 students are expected to practice assigned materials individually that may include etudes, exercises, daily routines, ensemble music, and/or solos one hour daily, six days per week for a total of six hours of outside preparation each week for fifteen weeks. Students are also expected to attend or perform in required recitals, upper levels, and/or juries which is typically an additional five- to ten-hour time requirement during the fifteen-week semester.

The Studio Class Calendar and Semester Events Calendar can be found on the bulletin board outside of room m124.

**Academic Integrity (A-9.1)**
Academic integrity is a responsibility of all university faculty and students. Faculty members promote academic integrity in multiple ways including instruction on the components of academic honesty, as well as abiding by university policy on penalties for cheating and plagiarism.

**Definition of Academic Dishonesty**
Academic dishonesty includes both cheating and plagiarism. Cheating includes but is not limited to (1) using or attempting to use unauthorized materials to aid in achieving a better grade on a component of a class; (2) the falsification or invention of any information, including citations, on an assigned exercise; and/or (3) helping or attempting to help another in an act of cheating or plagiarism. Plagiarism is presenting the words or ideas of another person as if they were your own. Examples of plagiarism are (1) submitting an assignment as if it were one's own work when, in fact, it is at least partly the work of another; (2) submitting a work that has been purchased or otherwise obtained from an Internet source or another source; and (3) incorporating the words or ideas of an author into one's paper without giving the author due credit.
Please read the complete policy at http://www.sfasu.edu/policies/academic_integrity.asp

**Withheld Grades Semester Grades Policy (A-54)**
Ordinarily, at the discretion of the instructor of record and with the approval of the academic chair/director, a grade of WH will be assigned only if the student cannot complete the course work because of unavoidable circumstances. Students must complete the work within one calendar year from the end of the semester in which they receive a WH, or the grade automatically becomes an F. If students register for the same course in future terms the WH will automatically become an F and will be counted as a repeated course for the purpose of computing the grade point average.

**Students with Disabilities**
To obtain disability related accommodations, alternate formats and/or auxiliary aids, students with disabilities must contact the Office of Disability Services (ODS), Human Services Building, and Room 325, 468-3004 / 468-1004 (TDD) as early as possible in the semester. Once verified, ODS will notify the course instructor and outline the accommodation and/or auxiliary aids to be provided. Failure to request services in a timely manner may delay your accommodations. For additional information, go to http://www.sfasu.edu/disabilityservices/.

**Mask/Cloth Face Coverings**
Masks (cloth face coverings) must be worn over the nose and mouth at all times in this class and appropriate physical distancing must be observed. Students not wearing a mask and/or not observing appropriate physical distancing will be asked to leave the class. All incidents of not wearing a mask and/or not observing appropriate physical distancing will be reported to the Office of Student Rights and Responsibilities. Students who are reported for multiple infractions of not wearing a mask and/or not observing appropriate physical distancing may be subject to disciplinary actions.
